

PROPOSED CHANGE ORDER REQUEST

Department of Watershed Management

Justification of Proposed Changes: Construction for Snapfinger Phase 2 is approximately 77% complete, with the dewatering building (DWB) scheduled to startup in summer/fall 2020. This Amendment 5, requested for your consideration, provides for continuance of Parsons services as the Engineer of Record. Scope additions include updating the 2010 UV disinfection system design, funding for project commissioning work and better alignment of Parson's contract dates with the Contractor's overall construction schedule, incuding an assumed construction completion date extended to June 30, 2022 and Parsons contract completion date extended to September 30, 2025.
