

June 20, 2023

Commissioner Ted Terry
DeKalb County Board of Commission, District 6

Dear Commissioner Terry,

We proudly invite you to join us for the most **anticipated community event of 2023** centered around the most beloved corridor of Atlanta and the southeast region.

Pull up a chair, exhale, and come to FEAST.

We Love Buford Highway is a deeply trusted non-profit organization that aims to preserve the cultural diversity and promote the prosperity of the family-owned businesses and communities living along the Buford Highway corridor. In the face of the pandemic, unmeasurable economic hardships within a backdrop of highly competitive markets and growth, local **communities are facing tremendous change** striking urgency more than any other time in the **corridor's half of century worth of *flavors, experience, art, stories, and tradition.***

Enclosed is a compelling partnership event proposal that we ask you to consider with **great intention and hunger** to preserving this area's dynamic and **internationally recognized** footprint. Your support means *breaking rice, tortillas, naan*, and more, for the multicultural identity of a gem we all embrace.

Thank you for your time and consideration.

Lily An Pabian (安其麗)
Executive Director

Christa Isaf
Board President
