Bright from the Start: Georgia Department of Early Care and Learning
Delegation of Authority from an Officer to a Responsible Principal and/or Individual

New and existing institutions participating in the Child and Adult Care Food Program (CACFP) or the Summer Food Service Program (SFSF) must complete the *Delegation of Authority from an Officer to a Principal* at the time of submitting a new application or as part of annual application requirements.

Per federal regulations and Bright from the Start's Participation Agreement, institutions agree to accept final financial and administrative responsibility for management of an effective food service operation and to comply with federal regulations for the CACFP and SFSF. Bright from the Start policies require all new and existing institutions to identify and designate an individual that will act on behalf of the institution and becomes Bright from the Start's point of contact, and binds the organization legally, financially and administratively as it pertains to the administration and/or operation of the CACFP or SFSF. A Principal, who must be legally employed by the entity, is also subject to liability, separate and distinct, from the organization as it pertains to the administration and/or operation of the CACFP and SFSF. Officers authorized to delegate authority to Principals must be Officers of the entity and must have the authority to further delegate authority to a responsible Principal. Officers, for the purposes of delegating authority to Principals/Program Contacts, are as follows:

- Governing board members for public or private non-profit entities
- Partners within for-profit partnerships
- Council/commission representatives of government entities
- University/college presidents and/or Board of Regent members
- Church body leader (i.e., Board of Deacons or Trustees) for faith-based organizations that do not have a separate and distinct non-profit organization

Therefore, institutions must submit the Form and documentation to support the Officer's authority to further delegate authority to a responsible Principal upon application to the Programs and when any changes to the Principal are made. Below is a list of acceptable documentation:
