

User Department's Recommendation

Recommended Bidder(s): Ferguson Waterworks meets our approval.

Amount Spent on Previous Contract: \$820,870.87

Name of Fund: Enterprise (511)

Project Amount This Term: \$2,857,051.53

Justification:

The Department of Watershed Management (DWM) recommends Ferguson Waterworks. This vendor is the lowest responsive, responsible bidder based on the price quoted on the bid tabulation. Ductile Iron Water Main Fittings, are used on most water main repairs that is made throughout DeKalb County and, are therefore crucial to the success of the Department of Watershed Management operations. These items are inventoried, issued and replenished in direct correlation to routine, and emergency maintenance performed by the user department. We do not anticipate a decrease in demand for Ductile Iron Water Main Fittings during this contract term.

Please note that this is a multi-year contract and the amount of \$2,857,051.53 amount reflects the total for 3 years :

1st Year - \$952,350.51

2nd Year - \$952,350.51

3rd Year - \$952,350.51
