Subject: Motorcycle Donation

Good morning Chief Ramos,

Hope this letter finds things going well with the DeKalb County Police Department. Chief Ramos I am requesting that the motorcycles currently scheduled for auction be donated to the LPD instead to further the mission of our department.

I do have police certified motorcycle officers who will be able to use the units. Mayor Reynolds and citizens in the community are in support of this addition to the agency. Thank you for your support.

Sincerely,

Chief Nathan E. Pollard
