To Whom it May Concern,

I am writing you today to withdraw from our contract with DeKalb County Contract (#1151233). Due to unforeseen circumstances, and taking into consideration all aspects of the contract, scope of work, and timelines, we feel that we cannot provide these services to DeKalb County in a consistent and timely manner at this point in time. This decision has not been reached lightly, we regret that we have to withdraw from this contract, as we were very much looking forward to working with DeKalb County and K2R Legacy Group. I wholeheartedly apologize for this inconvenience and I wish all involved parties the best in all of their future endeavors.

Respectfully,

3/27/19

James Scott
