

ITB No. ITB No. 16-100756 – Silt Fencing, Sandbags, Straw and Mulch (Annual Contract w/ 2 Options to Renew)

**User Department's Recommendation**

Recommended Bidder:  P.F. Holdings and Investments  meets our approval.

Amount Spent on Previous Contract:  \$200,000.00

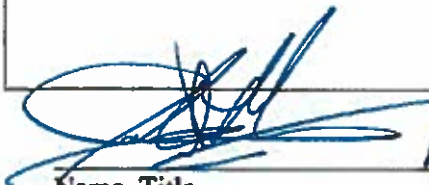

**Funding:**

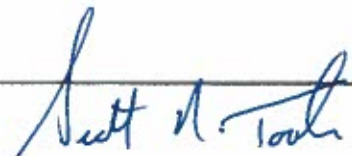

Complete and return the Budget Verification Form with the recommendation.

CIP Line Item No. (if applicable):  N/A

Project Amount This Term:  \$200,000.00

**Justification:** Silt Fence, Wheat Straw Bales, Pine Straw and Sand Bags are utilized by the Department of Watershed Management for erosion control measures. This contract now combines several materials previously purchased through separate contracts or open market and therefore requires a larger financial projection. We are projecting \$200,000.00 dollars to cover the purchase of these combined materials for The Department of Watershed Management and recommend P.F. Holdings and Investments as the responsive and responsible bidder.
