WHEREAS, DeKalb County seeks to explore the possibility of creating a police civilian review board;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Commissioners of DeKalb County, Georgia, requests that the Chief Operating Officer develop a competitive procurement process to hire a consultant to research whether a police civilian review board would be beneficial for DeKalb County's law enforcement and community relations goals, and if so, perform research and make recommendations regarding the following:

- a. What powers and functions should the DeKalb County governing authority consider granting to a police civilian review board?
- b. How should the members of a police civilian review board be chosen, and what criteria and/or qualifications should be required for such members?
- c. What training should be provided to members of a police civilian review board?

The consultant should also obtain input from the DeKalb County community, consider the work done by the City of Atlanta and the Unified Government of Athens-Clarke County, Georgia in developing their Public Safety Civilian Oversight Board, and consider any and all other information deemed relevant by the consultant.
