Gloves, Inc.	989901	Yes

User Department Recommendation / Justification: Fire Rescue Services is requesting \$100,000.00 for the renewal of this contract through October 2018. In December 2016 approximately 75% of the department's firefighting gear was replaced. The gear that was replaced is being cleaned, inspected, repaired, and if re-certified placed back in service as a second set of firefighting gear to allow for maintenance and cleaning of the new gear. This has caused an increase in the amount of gear normally sent in for cleaning, repair, and inspection. The requested \$100,000.00 will enable the department to maintain and clean gear for the duration of 2017 and through October 2018.
