## **General Contract Information**

The objective of the Cloud Solutions and Services Statewide Contract is to provide Georgia access to technical capabilities in cloud environments consistent with the NIST (National Institute of Standards and Technology) essential characteristics. Categories in scope are the three NIST Cloud Service Models: Software as a Service (SaaS), Platform as a Service (PaaS), and Infrastructure as a Service (IaaS).

Georgia has elected to utilize the NASPO ValuePoint Cloud Solutions Master Agreement, through the execution of a Participating Addendum. The Participating Addendum (Cloud Solutions and Services Statewide Contract) features cloud-based providers offering a menu of cloud solutions consistent with NIST, at best value and favorable pricing.

## **Awarded Services:**

The Cloud Solutions and Services Statewide Contract will provide the State with numerous cloud choices. The contract offers companies of various types (Large Scale Consulting/Services, Distributors, OEMs, and Resellers).

Below is a list of services applicable to this contract:

- SaaS
- IaaS
- PaaS
- Value Added Services
- Additional Value-Added Services
  - Maintenance Services
  - Professional Services
    - Deployment Services
    - Consulting/Advisory Services
    - Architectural Design Services
    - Statement of Work Services

- Partner Services
- Training Deployment Services

### **Clarification Regarding Purchase of Professional Services**

**Under this Statewide Contract:** Professional Services must be purchased in conjunction with the direct purchase of Products, under this statewide contract.

According to Amendment #5 to this Statewide Contract, "13. PROFESSIONAL/TECHNICAL SERVICES ("P/T Services")  
**Professional/Technical Services shall not include consulting services or any other stand-alone services unrelated to a direct purchase of products, including but not limited to general problem solving such as "fit gap" analysis."**

Carahsoft serves as a cloud distributor for a variety of cloud-based providers. Cloud services may be obtained from the approved cloud-based providers listed in the attached Appendix A. All SaaS products offered under the Carahsoft Cloud Solutions agreement with NASPO are available for purchase under this PA. The most current product list can be found at <https://www.naspo.valuepoint.org/portfolio/cloud-solutions-2016-2026/carahsoft-technology-corporation/>. **See Appendix A for pre-negotiated IaaS and PaaS cloud providers.**

For your recommended Cloud Solutions and Services and best fit cloud-based provider, please check with your Carahsoft representative.

Note: Any documents presented by the cloud-based provider containing terms and conditions that conflict with the terms and conditions of this contract or that contain terms and conditions beyond the scope of this contract are not binding on the parties.
