CIP Line Item No. (if applicable):

Award Amount(s):

Vendor 1: F.M. Shelton/
Name/Amount

Vendor 2: Name/Amount

Vendor 3: Name/Amount

Vendor 4: Name/Amount

Justification:

The aforementioned contract is set to expire October 31, 2018 and requires a renewal for utilization by the Department of Watershed Management for the period of November 1, 2018 – October 31, 2019. Quick Insertion valves are used as a part of our Fire Hydrant Replacement and Rehabilitation Program which currently supports three installers. The projected usage of this contract largely depends on the pressure per square inch of the line being tapped and is used when the pressure of a line does not exceed 150 PSI. DWM projects 100 or more valves of this type at a cost of \$318,000.00 will be required over the next term. *WJK 7/24/18*
