ITEM No.	COMMODITIES AND SERVICES FOR ALL PARTS									
Recommended Awarded Vendors: All 59										
All Vendors were awarded because of the diversity and size of Fleet.										
Some Parts are used more than others and those vendors have been awarded										
more as a result. All vendors historically have been used throughout										
the year so there is typically a need for all parts and there needs to be several										
vendors that can provide the same parts in case the lowest priced vendor										
cannot provide the parts at the necessary time. Fleet cannot allow vehicles										
to go down for any length of time so it is vital that all parts can be obtained										
in case of emergency situations.										
Amount Not To Exceed: \$4,014,000.00										
Procurement Agent:										
Witness:
