

(REVISED)

ITB 23-101575, Traffic Signal Equipment - (Annual Contract With 2 Renewal Options)

User Department's Recommendation

Recommended Bidder(s): the 3 bidders below meet our approval:

1. Utilicom Supply Associates, LLC
2. Wavetronix, LLC
3. Control Technologies, Inc.

Amount Spent on Previous Contract: \$535,764.25

Name of Fund: 271 (Special Tax District)

Project Amount This Term: \$300,000.00

Justification:

PW-R&D recommends estimated awards to three (3) bidders below to supply traffic signal equipment to address emergency response and routine maintenance and repairs, 24 hours a day/seven days per week, for the county's inventory (600 traffic signals, 200 school flashers, 74 intersection beacons and 34 CCTV Cameras). Will ensure safe flow of traffic through DeKalb County.

*In addition, R&D recommends *dual-award* for both Wavetronix and Control Technologies, Inc. for four Item Nos. 315, 316, 317, 318 for Radar Detection equipment. The county's existing inventory in the field consists of both **Wavetronix®** and **TRUGRD®** brand equipment which is proprietary and not interchangeable.

R&D anticipates open-market purchase requests for 'No Bid' Line Items.
