A. Rent. Lessee agrees to pay Lessor, as Basic Rent for the Leased Property an annual amount of Twenty-One Thousand Dollars (\$21,000.00). These rights of the Lessor are cumulative and not restrictive of any other rights under the law, and failure on the part of the Lessor to avail himself of these privileges at any particular time shall not constitute a waiver of these rights.

SECTION 17. EVENTS OF DEFAULT BY LESSEE:

Each of the following events shall constitute an "event of default by Lessee", provided, however, that Lessee shall have thirty (30) days, (except in the case of Subparagraph (a) below, ten (10) days) after the receipt of written notice from Lessor of any such "event of default by Lessee" to cure.

SECTION 18. RESULTS OF LESSEE'S DEFAULT:

Upon the occurrence of an "event of default by Lessee", which is not cured within the time period given, Lessor, in addition to any other rights or remedies it may have, shall have the immediate right of re-entry and may remove all persons and property from the Leased Property with no liability to the Lessor therefore; such property may be removed and stored in a public warehouse or elsewhere at the expense of Lessee. Should Lessor elect to re-enter, as herein provided, or should it take possession pursuant to legal proceedings or pursuant to any notice required by law, it may either terminate this Lease, or relet the Leased Property and any improvements thereon or any part thereof for such term or terms (which may be for a term extending beyond the term of this Lease Agreement) and at such rental or rentals and upon such other terms and conditions as Lessor in its sole discretion may deem advisable, with the right to make alterations and repairs to improvements on the Leased Property. - (b) At the option of the Lessor, rents received by Lessor from such re-letting shall be applied: first, to the payment of any indebtedness, other than rent, due hereunder from Lessee to Lessor; second, to the payment of any costs and expenses of such re-letting and of such alterations and repairs; third, to the payment of rent due and unpaid hereunder, and the balance, if any, shall be held by Lessor and applied in payment to future rent as the same

may become due and payable hereunder.

If Lessee has been credited with any rent to be received by such reletting under option (a) and such rent shall not be promptly paid to Lessor by the new tenant, or if such rentals received from such reletting under option (b) during any month be less than that to be paid during that month by Lessee hereunder, Lessee shall immediately pay any such deficiency to Lessor. Such deficiency shall be calculated and paid monthly by Lessee. No such re-entry or taking possession of the Leased Property and any improvements thereon by Lessor shall be construed as an election on its part to terminate this Lease Agreement unless a written notice of such intention is given to Lessee. Notwithstanding any such reletting without termination, Lessor may, at any time thereafter, elect to terminate this Lease Agreement for any breach, in addition to any other remedy it may have, and in such event, Lessee's interest in any and all buildings and improvements on the Leased Property shall, at the option of the Lessor, automatically pass to Lessor; and Lessor may recover from Lessee all damages it may incur by reason of such breach, including the cost of recovering the Leased Property, and including the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent unpaid in this Lease Agreement for the remainder of the stated term, all of which amounts shall be immediately due and payable from Lessee to Lessor.

SECTION 19. NON-WAIVER OF DEFAULTS:

The waiver by Lessor or Lessee of any breach by Lessor or Lessee of any term, covenant, or condition hereof shall not operate as a waiver of any subsequent breach of same or any other term, covenant or condition of this Lease Agreement. No term, covenant, or condition hereof can be waived except by written consent of Lessor; and forbearance or indulgence by Lessor, in any regard whatsoever, shall not constitute a waiver of the term, covenant or condition to be performed by Lessee to which the same may apply; and until complete performance by Lessee of the term, covenant or condition, Lessor shall be entitled to invoke any remedy available to it hereunder by law, despite such forbearance or indulgence.

SECTION 20. LESSEE'S ENCUMBRANCES:

A. Obligation. Lessee shall not encumber, mortgage or pledge or allow any lien upon Lessee's interest in the Leased Property or in any improvements Lessee places thereon by mortgage, deed of trust or other instrument without the prior written consent of Lessor, except

in connection with any financing for the adjacent shopping center. Any such mortgage, deed of trust or other instrument consented to by Lessor shall expressly provide therein that the trustee, mortgagee, or beneficiary in such instrument or payee in the note or other obligation secured by any such instrument shall provide Lessor with written notice of any event of default by Lessee or foreclosure action against Lessee, within ten (10) days of such event. In the event such encumbrance, pledge, mortgage, or lien is allowed, the trustee, mortgagee or beneficiary in said instrument or payee in the note or other obligation secured by any such instrument may deliver to Lessor written notice showing:

- (i) the amount of the obligation secured by such instrument and the date of maturity or maturities thereof; and
- (ii) the name and post office address of such mortgagee, beneficiary, payee, or trustee. Upon delivery of such notice to Lessor, Lessor shall thereafter serve on such mortgagee, beneficiary, payee or trustee, by registered or certified mail at the address given or at any subsequent address thereafter given, a copy of every notice thereafter served by Lessor upon Lessee under the terms of this Lease, during the existence of such mortgage, deed of trust, or instrument.

B. Cure of Default by Mortgagee. In the event that Lessee defaults in the performance of any covenant or provision of this Lease Agreement to be performed by Lessee during the existence of any such mortgage, lien, deed of trust, or other instrument, the beneficiary, mortgagee, payee, or trustee named in any such notice, or their nominee, shall have the right, within the time herein provided, plus an additional ten (10) days, to perform and comply with all the covenants and provisions of this Lease to be performed by Lessee and to make all payments required of Lessee by this Lease and, by so doing, to cure and remove any such default.

C. Cure by Commencement of Performance. If the nature of any default by Lessee is such that it cannot be cured within the additional ten (10) days, such beneficiary, mortgagee, payee, or trustee shall be deemed to have cured such default if it or its nominee shall, within such ten (10) day period, commence performance and thereafter diligently prosecute the same to completion.

D. Foreclosure of Liens. If, at any time, foreclosure proceedings are begun to

any lien secured by any mortgage, deed of trust, or other similar instrument on the Leased Property, for a period of thirty (30) calendar days from the date Lessor receives notice of such foreclosure, Lessor shall have the first option of assuming or discharging said lien at its actual face value, according to the terms thereof, and thereupon to then terminate this Lease Agreement and all interest in it and relet the Leased Property under the provisions of Section 22, Non-Waiver of Defaults, hereof.

E. Non-Relief of Liability. The execution of any encumbrance under this Section, or the foreclosure thereof, or any sale thereunder, either by judicial proceeding or by virtue of any power reserved in such encumbrance, or conveyance by Lessee to the holder of such indebtedness or encumbrance or the exercising of any right, power, or privilege reserved in any encumbrance, shall not be held as a violation of any of the terms or conditions hereof, or as an assumption by the holder of such indebtedness personally of the obligations hereof. No such encumbrance, foreclosure, conveyance, or exercise of right shall relieve Lessee from its liability hereunder.

SECTION 21. TERMINATION BY LESSEE:

The Lessee may cancel this Lease Agreement at any time, without penalty, if the Airport ceases to be used for airport purposes pursuant to local/County/State/Federal/or FAA regulations or laws.

SECTION 22. RIGHTS PRIOR TO TERMINATION:

If Lessee is not in default hereunder, Lessee shall have the right to remove during the term hereof any and all fixtures which Lessee may have placed or installed upon the Leased Property; provided, however, that upon said removal, Lessee shall repair, at Lessee's own expense, any damage resulting therefrom and leave the Leased Property in their original condition, normal wear and tear excepted.

SECTION 23. REDELIVERY OF LEASED PROPERTY:

Lessee shall, upon termination of this Lease in any manner, quit and deliver up the Leased Property to Lessor peaceably, quietly, and in as good order and condition as the same now are or may be hereafter improved by Lessee or Lessor, reasonable wear and tear thereof excepted.

SECTION 24. LESSOR'S LIEN:

If Lessee is in default under any covenant, term or provision of this Lease Agreement or has abandoned the Leased Property, in addition to the rights of Lessor under Section 11, Liability, hereof, Lessee hereby grants to Lessor a lien upon any improvements, personal property and trade fixtures of Lessee upon the Leased Property, which lien Lessor may satisfy by selling said improvements, personal property or trade fixtures at public or private sale without notice to Lessee and from the proceeds of said sale satisfy first any costs of storage, removal and sale, and any other debts due from Lessee to Lessor; and secondly, satisfy the total amount of unpaid rent due hereunder and hold any balance for the account of Lessee. This lien shall inure to Lessor's benefit whenever Lessee is in default hereunder and when Lessor exercises any right, which Lessor may have at law, in equity or under this Lease Agreement.

SECTION 25. QUIET ENJOYMENT:

Lessee, upon payment of the fees and all other payments and charges to be paid by Lessee under the terms of this Lease Agreement and upon observing and keeping the agreements and each of the covenants of this Lease Agreement on the part of Lessee to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Leased Property during the term of this Lease for the purposes and uses set out herein. Lessee covenants that it will not commit or allow to be committed by any other sub-tenant, any act on the Leased Property which may disturb the quiet enjoyment of any other adjoining tenants.

SECTION 26. SALE, ASSIGNMENT, TRANSFER AND SUBLETTING:

Lessee shall not, except as security as provided in Section 20, Lessee's Encumbrances, hereof, sell, assign, or transfer this Lease Agreement without the prior written consent of the Lessor. Lessee shall not sublease the Leased Property or any portion thereof, nor shall Lessee sublet any privileges granted with respect to the operation of said Leased Property or any portion thereof, without the prior written consent of the Lessor (but nothing herein shall limit Lessee's right, without Lessor consent, to allow Lessee to permit its tenants licenses, customers and invitees of the shopping center to use the parking on the Leased Property as long as it is in compliance with the terms of this Lease Agreement.) Lessee may also provide equipment storage space and/or office space to any such sublessee without Lessor's prior written consent.

No assignee for the benefit of Lessee's creditors, and any trustee, receiver, or referee in bankruptcy shall acquire any rights under this Lease by virtue of this paragraph.

SECTION 27. WAIVERS:

Any waiver by Lessor or Lessee at any time of any of the terms, conditions, covenants or agreements of this Lease Agreement, or non-compliance therewith, shall not be deemed or taken as a future waiver at any time thereafter of the same or any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof required by Lessee. No delay, failure or omission of Lessor to re-enter the Leased Property or to exercise any right, power, privilege or option arising from any default, nor the subsequent acceptance of fees then or thereafter accrued, shall impair any future right, power, privilege or option, nor shall it be construed to be a waiver of any such default or acquiescence therein. No notice by Lessor shall be given to Lessee to restore or revive any "time is of the essence" clause after any waiver by Lessor. No option, right, power, remedy or privilege of Lessor shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options, or remedies given to Lessor by this Lease Agreement are cumulative and no one of them shall be exclusive of the other or exclusive of any remedies provided by law, and that the exercise of one right, power, option or remedy by Lessor shall not impair its right to any other right, power, option or remedy.

SECTION 28. PUBLIC USE AND FEDERAL GRANTS:

A. Grant Agreements. The Leased Property and the Airport are subject to the terms of those certain sponsors' assurances made to guarantee the public use of the Airport as incidental to grant agreements between Lessor and the United States of America, as amended ("Sponsor's Assurance Agreement"), and Lessor represents that none of the provisions of this Lease Agreement violate any of the provisions of the Sponsor's Assurance Agreement.

B. Non-Exclusive Rights. Nothing contained in this Lease Agreement shall be construed to grant or authorize the granting of an exclusive right within the meaning of 49 USC Section 40103(e) (formerly, Section 308 of the Federal Aviation Act of 1958).

C. Right to Develop Airport. Lessor reserves the right to further develop or improve the Airport and all roadways, parking areas, terminal facilities, landing areas, and

taxiways as it may see fit, regardless of the desires or views of the Lessee.

D. Subordination of Lease. This Lease Agreement shall be subordinate to the provisions of any existing or future agreement between Lessor and the United States of America, its Boards, Agencies, or Commissions relative to the operation or maintenance of the Airport.

E. Right to Amend. In the event that the Federal Aviation Administration or its successors shall require any modifications or changes in this Lease Agreement as a condition precedent to the granting of funds for the improvement of the Airport, Lessee hereby consents to such amendments, modifications, revisions, supplements, or deletions of any of the terms, conditions or requirements of this Lease Agreement as may reasonably be required to obtain such funds; provided, however, that in no event will Lessee be required, pursuant to this paragraph, to accept an increase in fees or rent provided for hereunder or accept a change in the use of, accept a reduction in the size of the Leased Property, or to accept any change which would adversely affect the rights of any mortgagee, beneficiary, payee or trustee registered with Lessor as provided in Section 20, Lessee's Encumbrances.

SECTION 29. CONSENT NOT TO BE UNREASONABLY WITHHELD:

Whenever consent or approval is required hereunder by either party, such consent is not to be unreasonably withheld, nor to be delayed for any unreasonable period of time.

SECTION 30. PREVENTION OF TRESPASS:

Reserved.

SECTION 31. SIGNS AND ADVERTISING:

Lessee is granted the right to install identification signs on and about the Leased Property, subject to the Airport's prior written approval with regard to the size, design, text and location of such sign and the approval of applicable local government authority. Those signs currently erected on the property are exempt from this requirement.

SECTION 32. RELATIONSHIP BETWEEN THE PARTIES:

Lessor is neither a joint venture with, nor a partner or associate of the Lessee with respect to any matter provided for in this Lease Agreement. Nothing herein contained shall be construed to create any such relationship between the parties other than that of Lessor and Lessee or to

subject Lessor to any obligation of the Lessee whatsoever.

SECTION 33. TIME OF THE ESSENCE:

Time is of the essence in this Lease Agreement.

SECTION 34. LEASE MADE IN GEORGIA:

This Lease Agreement has been made in and shall be construed in accordance with the laws of the State of Georgia.

SECTION 35. HEADINGS:

The headings contained herein, including the Title Page and the Table of Contents, are for convenience in reference and are not intended to define or limit the scope of any provisions of this Lease Agreement.

SECTION 36. NOTICES:

The voluntary or other surrender or termination of this Lease Agreement by Lessee, or a

mutual cancellation thereof, shall not work as a merger, and shall, at the option of Lessor, terminate all or any existing subleases, or subtenancies, or may, at the option of Lessor, operate as an assignment to Lessor of any or all such subleases or subtenancies.

SECTION 38. SUCCESSORS AND ASSIGNS:

Subject to the terms and conditions of Section 26, Sale, Assignment, Transfer, and Subletting, hereof, the provisions of this Lease Agreement shall bind and inure to the benefit of the successors and assigns of the parties hereto.

All necessary permits, licenses, or permissions from the Airport Director shall be obtained in writing, and shall not be valid or binding upon any person unless and until said writing is obtained.

SECTION 40. AIRPORT DIRECTOR:

The Lessor, through an Airport Director shall have the exclusive right and responsibility during the term of this Lease Agreement of managing and operating said Airport for civilian flying adjacent to the Leased Property, including the promulgating of such rules and regulations, including traffic rules, so that said Airport may be operated safely, efficiently and to the further end that all take offs, landings, taxiing and flying in the immediate vicinity of the field shall be performed with maximum safety.

SECTION 41. TRASH AND REFUSE:

A. Removal and Disposal. It is hereby agreed that the quick and efficient removal and disposal of trash, clippings, refuse, garbage and other debris from the Leased Property is essential, and Lessee shall arrange for such removal and disposal of trash, clippings, refuse, garbage and other debris from the Leased Property at Lessee's own expense in accordance with all applicable laws and ordinances.

B. Storage. Trash, clippings, refuse, garbage and other debris shall be stored in closed containers suitably screened and protected from public view, pending their removal and disposal, and such storage shall at no time, be allowed to generate odors, attract rodents or insects, or become offensive in any manner. The containers shall have paved access for the service providing their removal and disposal. The storage area shall be kept neat and clean at all

times.

C. Waste Products. Lessee shall not cause the entrance from the Leased Property of quantities of petroleum products and other harmful wastes in excess of amounts permitted by applicable laws and regulations in the sewerage and storm water drainage systems serving the County, and shall treat the same in accordance and in full compliance with all applicable local, State and Federal laws and regulations.

SECTION 42. LATE PAYMENT CHARGE:

Lessee agrees to pay a penalty charge to Lessor in an amount equal to five percent (5%) of each monthly payment not received by Lessor within ten (10) days of date of which payment is due.

SECTION 43. VENUE:

This Lease Agreement has been executed and is to be wholly performed in DeKalb County, Georgia, and for the purposes of venue, all suits or causes of action arising out of this Lease Agreement shall be brought in the courts of DeKalb County, Georgia.

SECTION 44. AMENDMENT OF LEASE AGREEMENT:

All duties, obligations, and liability of Lessor and Lessee may only be amended in writing. No amendment or modification of this agreement shall be enforceable unless in writing and approved by action of the Board of Commissioners of DeKalb County.”

SECTION 45. POSSESSION OF LEASED PROPERTY:

Possession and title to all Leased Property including all capital improvements and facilities shall be vested in Lessor and is deemed to begin on the start date of this Lease, February 1, 1018. From this date forward throughout the term of the agreement, the Lease Agreement is considered to be a “triple-net” lease whereas the Lessee is responsible for the all maintenance, routine and/or emergency, of all facilities and capital improvements, maintenance of insurance, regular and unscheduled / unforeseen / emergency maintenance on any part of the facility, capital improvements, ramps, parking areas, access control gates, etc.

SECTION 46. ENVIRONMENTAL LAWS:

Environmental laws means all laws relating to environmental matters, including without

limitation, those relating to fines, orders, injunctions, penalties damages, contribution, cost recovery compensation, losses, or injuries resulting from the release or threatened release of Hazardous Materials and to the generation, use, storage, transportation, or disposal of Hazardous Materials, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. § 9601 et seq.), the Hazardous Material Transportation Act (49 U.S.C. §5101 et seq.), the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6901 et seq.), the Clean Water Act (33 U.S.C. §1251 et seq.), the Clean Air Act (41 U.S.C. § 7401 et seq.), the Toxic Substances Control Act of 1976 (15 U.S.C. § 2601 et seq.), the Safe Drinking Water Act (42 U.S.C. § 300f et seq.) , the Occupational Safety and Health Act of 1970 (29 U.S.C. § 651 et seq.), the Emergency Planning and Community Right-to-Know Act (42U.S.C. § 11001 et seq.), the Georgia Underground Storage Tank Act (O.C.G.A. § 12-13-1 et seq.), Georgia Water Quality Control Act, (Georgia Laws 1964, p.416, as amended), each as heretofore and hereafter amended or supplemented, and any analogous future or present local, state, or Federal statutes, rules and regulations promulgated thereunder or pursuant thereto, and any other present or future law, ordinance, rule, regulation, permit or permit condition, order or directive regulating, relating to or imposing liability standards of conduct concerning any Hazardous Material by the Federal government, any government, any state or any political subdivision thereof, exercising executive, legislative judicial, regulatory or administrative functions.

SECTION 47. STORM WATER COMPLIANCE:

(A) Acknowledgements.

(1) Notwithstanding any other provisions or terms of this Lease Agreement, Lessee acknowledges that the Airport is subject to Federal Storm Water regulations 40 C.F.R. Part 122, for vehicle maintenance (including vehicle rehabilitation, mechanical repairs, painting, fueling and lubrication), equipment cleaning operations and/or deicing operations that occur at the Airport as defined in these regulations and in the Georgia Water Quality Control Act, Georgia Laws 1964, page 416, as amended. Lessee further acknowledges that it is familiar with these Storm Water regulations; that it may conduct or operate "vehicle maintenance" (including vehicle rehabilitation, mechanical repairs, painting, fueling and lubrication), equipment cleaning operations and/or deicing activities as defined in the Federal

and state Storm Water regulations if the Lessee submits a Notice of Intent (NOI) to EPD and participates in Storm Water Pollution Plan (SWPPP) coordination with DeKalb Peachtree Airport; and that it is aware that there are significant penalties for submitting false information, including fines and imprisonment for knowing violations.

(2) Notwithstanding any other provisions or terms of this Lease Agreement, Lessee acknowledges that it will obtain coverage under the NPDES General Permit GAR050000 by filing a NOI with EPD before conducting industrial activities at DeKalb Peachtree Airport as required by the applicable regulations for the Airport, including the Property occupied or operated by the Lessee. Lessee acknowledges that the Storm Water discharge permit issued to the Airport may name the Lessee as a co-permittee. If no industrial activities are being performed by the Lessee, then applying for NOI coverage and implementing Stormwater BMPs may not be necessary. However, if at any time industrial activities are performed on the property, coverage shall be obtained at that time. If Airport downstream sampling shows issues with pollutants in Stormwater from Lessee, Lessor shall inspect site and Lessee shall implement necessary BMPs to comply with the Permit and other applicable local, state and federal regulations.

(3) Notwithstanding any other provisions or terms of this Lease Agreement, including the Lessee's right to quiet enjoyment, Lessor and Lessee both acknowledge that close cooperation is necessary to ensure compliance with any Storm Water discharge permit terms and conditions, as well as to ensure safety and to minimize costs. Lessee acknowledges that, as discussed more fully below, it will minimize the pollution potential of storm water by implementing and maintaining the "Best Management Practices" listed in the DeKalb Peachtree Airport Storm Water Pollution Prevention Plan.

(4) Lessee acknowledges that the Airport's Storm Water discharge permit is incorporated by reference into this Lease and made a part hereof.

(5) Lessee acknowledges that DeKalb County and the Airport will pass all storm water fees as related to the Leased Property to the Lessee.

(B) Permit Compliance.

(1) When industrial activities are being performed by the Lessee, the

Lessor will provide Lessee with written notice of those Storm Water discharge permit requirements, that are in the Airport's Storm Water permit, that Lessee will be obligated to perform from time to time, including, but not limited to: certification of non-Storm Water discharges; submission of a NOI to EPD, coordination with Lessor in ensuring SWPPP adequately (to the extent mandated by Federal and state law) and perpetually encompasses all industrial activities conducted by the Lessee at DeKalb Peachtree Airport; implementation of Storm Water pollution prevention or similar plans; implementation of Best Management Practices and maintenance of necessary records. Such written notice shall include applicable deadlines. Lessee, within fifteen (15) days of receipt of such written notice, shall notify Lessor in writing if it disputes any of the Storm Water discharge permit requirements it is being directed to undertake. If Lessee does not provide such timely notice, it is deemed assent to undertake such requirements. If Lessee provides Lessor with timely written notice that it disputes such Storm Water discharge permit requirements, Lessor and Lessee agree to negotiate a prompt resolution of their differences. Lessee warrants that it will not object to written notice from the Lessor for purposes of delay or avoiding compliance.

(2) Lessee agrees to undertake, at its sole expense unless otherwise agreed to in writing between Lessor and Lessee, those Storm Water discharge permit requirements for which it has received written notice from the Lessor. Lessee warrants that it shall meet any and all deadlines that may be imposed on or agreed to by Lessor and Lessee.

(3) Lessor agrees to provide Lessee, at its request, with any non-privileged information collected and submitted to any governmental entity(ies) pursuant to applicable Storm Water regulations.

(4) Lessee agrees that the terms and conditions of the Airport's Storm Water discharge permit may change from time to time and hereby appoints Lessor as its agent to negotiate with the appropriate governmental entity(ies) any such permit modifications.

(5) Lessor will give Lessee written notice of any breach by Lessee of the Airport's Storm Water discharge permit or the provisions of this section. If such breach is material, and, if of a continuing nature, Lessor may seek to terminate the lease pursuant to the terms of this Lease Agreement. Lessee agrees to cure promptly any breach.

(6) Lessee agrees to participate on the Airport's Pollution Prevention

Team established to coordinate Storm Water activities at the Airport.

(C) Indemnification.

(1) Notwithstanding any other provisions of this Lease, Lessee agrees to indemnify and hold harmless Lessor for any and all claims, demands, costs (including attorneys fees), fees, fines, penalties, charges and demands by and liability directly or indirectly arising from Lessee's actions or omissions, including failure to comply with Lessee's obligations under this Section, the applicable Storm Water regulations, and Storm Water discharge permit, unless the result of Lessor's sole negligence. This indemnification shall survive any terminations or non-renewal of this Lease.

(D) Definitions.

(1) **Storm Water** means: storm water runoff, snow melt runoff, and surface runoff and drainage.

(2) **Storm Water discharge associated with industrial activity** means the discharge from any conveyance which is used for collecting and conveying stormwater and that is directly related to manufacturing, processing or raw materials storage areas at an industrial plant. The term does not include discharges from facilities or activities excluded from the NPDES program. For the categories of industries identified in Appendix D of the 2017 Industrial General Permit, the term includes, but is not limited to, stormwater discharges from industrial plant yards; immediate access roads and rail lines used or traveled by carriers of raw materials, manufactured products, waste material, or by-products used or created by the facility; material handling sites; refuse sites; sites used for the application or disposal of process waste waters (as defined at 40 CFR 401); sites used for the storage and maintenance of material handling equipment; sites used for residual treatment, storage, or disposal; shipping and receiving areas; manufacturing buildings; storage areas (including tank farms) for raw materials, and intermediate and finished products; and areas where industrial activity has taken place in the past and significant materials remain and are exposed to stormwater. For the purposes of this paragraph, material handling activities include the storage, loading and unloading, transportation, or conveyance of any raw material, intermediate product, finished product, by-product or waste product. The term excludes areas located on plant lands separate from the plant's industrial activities, such as office buildings and accompanying parking lots as long as the drainage from

the excluded areas is not mixed with stormwater drained from the above described areas. Industrial facilities (including industrial facilities that are Federally, State or municipally owned or operated that meet the description of the facilities listed in Appendix D of 2017 Industrial General Permit) include those facilities designated under 40 CFR 122.26(b)(14)(i)-(ix) and (xi). See Appendix D of 2017 Industrial General Permit for categories of facilities considered to be engaging in "industrial activity" for purposes of this permit.

(3) **Significant Materials** means: raw materials; fuels; materials such as solvents, detergents and plastic pellets; finished materials such as metallic products, raw materials used in food processing or production; hazardous substances designated under section 101(14) of CERCLA; any chemical the facility is required to report pursuant to section 313 of title III of SARA; fertilizers; pesticides; and waste products such as ashes, slag and sludge that have a potential to be released with Storm Water discharges.

(4) **Best Management Practices (BMP)** means: schedules of activities, prohibitions of practices, maintenance procedures, and other management practices to prevent or reduce the pollution of waters of the State of Georgia. BMPs also include treatment requirements, operating procedures, and practices to control facility site runoff, spillage or leaks, sludge or waste disposal, or drainage from raw material storage.

SECTION 48. SEVERABILITY:
