Dear GRPA BOOST 2.0 Contract Applicant

We received over 42 applications for GRPA BOOST 2.0 for Building Opportunities in Out-of-School Time (BOOST) Afterschool & Summer Programs, which seeks to leverage out-of-school time and whole child supports to address learning loss in Georgia. As the primary subgrantee with the Georgia Department of Education (GaDOE), the Georgia Recreation and Park (GRPA) is pleased to inform you that your organization has been selected to receive a contract to assist in operating a comprehensive Afterschool and/or Summer Programming in your community (depending on your application requests). GRPA appreciates you taking the time to submit a contract application for consideration. **GRPA received requests for \$4,045,433.50 and our available funds were \$1,400,000.00.** The Agencies requested overall amounts had to be significantly reduced. **Your approved contract amount for BOOST 2.0 can be found above.** Due to the requested funds needed versus available funds *all Contract Amounts* are different than your Requests.

Congratulations, as this was a highly competitive contractor selection process, and we celebrate with you your success. Please **submit a revised budget** on the GRPA Budget / Drawdown Request Form. With GRPA's overall mission to serve as many communities and participants as possible through the available funding provided, cuts had to be made. The BOOST funding recommendations are based on your application's overall percentile score in comparison to all other applicants on each required element of the application, the GRPA Boost Funding Matrix, FRPL percentages and your organization's dosage of programming, number of children served, past funds requested vs utilized funds and agency reporting. Each application was fully read and scored by qualified evaluators.

All funded organizations must be prepared to comply with all **GaDOE Conflict of Interest**-, **Program Assurances/Memorandum of Understanding** and all other requirements and expectations set forth in writing by GRPA.

In addition, ***before accepting a BOOST contract***, organizations should self-assess and affirm their capacity to:

- Carry out their programming within available financial resources,
 - **Note: Your contract amount is less than you requested** - consider carefully if the awarded funds are sufficient to operate programming. GRPA will work with you to adjust your original

submitted budget as requested. Please complete and indicate how you plan to split the funding between Afterschool (ASP) and Summer (SE) if Year Round

As a condition of this MOU, the parties agree as follows:

Grantees must draw down a minimum percentage of funds for incurred or proposed expenses based on the outlined schedule above. While grantees must draw down a minimum of 25% at each drawdown deadline, grantees may draw down a higher percentage with adequate justification in expense narratives. The Contractor shall establish persons to be accountable at the local level for all funds paid under this MOU and communicate regularly and in a timely manner with the appropriate GRPA Staff. Failure to communicate and provide required reporting in a timely manner may jeopardize current and/or future funding under the GRPA Statewide BOOST Program.

Required reporting shall include financial reporting for the period covered; narrative description of provided activities, dosage, duration and detailed information on Program objectives and outcomes.
