Dear MICHELLE D VERNON:

Enclosed is a Hewlett Packard Enterprise support service quote for your products. Review the services, support items, coverage dates, addresses, and company contacts for accuracy. Please advise Hewlett Packard Enterprise of any changes prior to submitting your purchase order or authorization. To order support services detailed in this package, please return billing authorization by choosing one of the following convenient options. Subject to HPE Customer Terms - Support or purchase agreement with Hewlett Packard Enterprise and if applicable, Exhibit E24.

Option 1: Provide an open-ended purchase order. An open-ended purchase order allows Hewlett Packard Enterprise to add products to your agreement as necessary, as well as renew your support from year to year. Cancellation of the support service agreement requires a 30-day written notice.

Option 2: Provide a PO for the coverage dates specified in the enclosed referenced proposal.
Your PO must note at least one of the following, along with the support coverage period:

1. Hewlett Packard Enterprise Reference (quote) number(s),
2. Support Account Reference(s) (SAR)
3. Service Agreement ID(s) (SAID)
4. AMP ID(s)

* If there is an approval signature section on your PO then it should be signed/approved before sending to Hewlett Packard Enterprise. Please indicate if you are taxable or tax exempt. If your organization is Tax Exempt, please send a copy of your Tax Exemption Certificate with your PO. Include your billing frequency and current invoice-to address.

Option 3: Sign and return the attached Signature Authorization Form (SAM).

* If you provide authorization via the SAM form (Signature Authorization Method), please insure that all of the applicable boxes are checked on the form, along with the printed name and signature of the authorizing party.

Note: If the information in Options 1 through 3 is not included in your PO or SAM Form then Hewlett Packard Enterprise will need to contact you to collect this missing data, which will cause a delay in activating your support contract(s). Hewlett Packard Enterprise requires these details for audit purposes.

Hewlett Packard Enterprise values your business and looks forward to providing you with continued support. If you require further assistance, please contact your HPE Representative at 916 5401056 . You can send your PO or SAM to your HPE Representative, or FAX it to .

Sincerely,
Janelle Roberson
HPE Representative
