PURPOSE:

To present the Recreation Parks and Cultural Affairs Master Plan for Longdale Park and request approval of the plan.

NEED/IMPACT:

The master plan consists of two phases. Phase I includes renovations to the existing facilities with current funds. Phase I of the master plan has been completed and includes upgrading site amenities, basketball court, pavilion, playground, landscaping and other general renovations. Phase II outlines the future plans for the park and includes a large shelter, nature trails, concrete trails, and fitness station. The cost of the project is estimated at \$522,000.

FISCAL IMPACT:

No fiscal impact to 2019 budget.

RECOMMENDATION:

To approve the RPCA master plan for Longdale Park; and authorize the Chief Executive Officer to execute all the necessary documents for the completion of the project.
