To Whom It May Concern:

At U.S. LBM, we believe that being a good neighbor means giving back to the communities that we serve. We created The U.S. LBM Foundation to partner with, and support organizations that help our communities grow and prosper. The dollars donated by The U.S. LBM Foundation include contributions from U.S. LBM, our vendors, customers, and associates.

As you may know, the month of October was Fire Prevention Month. In support of our brave firefighters and first responders, the U.S. LBM Foundation is making various donations across the country to local volunteer firefighting organizations and/or organizations that support our first responders on behalf of our local operating companies. Your organization has been chosen by Brand Vaughn Lumber Company, a wholly owned subsidiary of U.S. LBM, as an organization to receive a donation from our Foundation in honor of Fire Prevention Month. On behalf of The U.S. LBM Foundation, Brand Vaughn Lumber Company, and the entire organization of U.S. LBM, thank you for the outstanding work you do in your local community.

Enclosed you will find a check in the amount of \$1,000.00 to support your organizations causes. If you have any questions relating to this donation, please contact Jim Hooper, Treasurer of The U.S. LBM Foundation at jim.hooper@uslbn.com.

Thank you again for your outstanding work in support those in need in our communities!

Sincerely,
