

PRICE ANALYSIS ITB NO. 19-101165

Fire Hydrant Replacement

ITB NO. 19-101165 for Fire Hydrant Replacement, Repair Parts and Services (Annual Contract with Two Options to Renew) was opened in January 27, 2020. Two (2) bids were received and only the bid submitted by Georgia Hydrant Services, Inc was determined to be responsive and eligible for award. A price analysis is necessary to determine that the prices offered to the County are fair and reasonable. Although adequate competition is the preferred method of price analysis, in this instance, historical data on previous prices paid will be the basis for the analysis.

ITB NO. 15-100637 for Fire Hydrant Replacement, Repair Parts and Services (Annual Contract with Two Options to Renew) was awarded on April 26, 2016. The bid was awarded to lowest, responsive and responsible bidders on a line item basis.

Contracts were awarded to two contractors. In conducting the price analysis, the low bid for each line item was compared to the same or similar line items submitted by Georgia Hydrant Services, Inc. The total amount awarded for hydrant repair services on ITB 15-1006373 was \$1,162,060.00. The total amount of the prices submitted the current solicitations (ITB NO. 19-101165) is \$1,189,930.00. The prices submitted for the current ITB is \$27,870 more than the previous amount paid for the same items on the previous contract. It should be noted that ITB No. 19-101165 included 7 additional items that were not included in the previous ITB. Based on the comparison historical pricing data, the prices submitted by Georgia Hydrant Services, Inc. are deemed fair and reasonable. The spreadsheet with a line by line comparison is included with this analysis.
