 CIP Line Item No. (if applicable):

Justification: As we anticipate a significant increase in voter turnout during the 2024 Presidential Election year, it is crucial that we proactively invest in modernizing our equipment to ensure a smooth and expedited voting process. By acquiring new scanners and related equipment for advance voting, DeKalb VRE can streamline the voter registration identification, and ballot counting procedures, ultimately improving the overall experience for our voters. By investing in reliable and durable technology, we can minimize maintenance and repair expenses associated with aging equipment.
