Memorandum

TO: Talisa R Clark, Director/Chief Procurement Officer

FROM: M.G. Mooneyham, E-911 Director

SUBJECT: Motorola Radio Console Purchase

DATE: May 09, 2019

Director Clark,

The Motorola APX portable radios are proprietary and can only be purchased directly from Motorola.

These consoles are being purchased using the State of Georgia State contracting pricing, contract number 980-280008.

These radios are going to replace the current radio that are no longer being supported. This is necessary to be able to have interoperability with other agencies during emergencies and special operations.
