User Department Recommendation: Renew Bid

Amount Requested: \$16,223,265

Funds are needed to support the purchase of police pursuit vehicles throughout the 2026 Budget year. The manufacturer's 2026 model year order cycle window opened in January and will close at some undisclosed date. Our current request for \$16,233,265 supports the replacement of 123 vehicles across multiple departments, funding for the replacement of vehicles that will require early replacement, as well as 116 additional law enforcement units being added to the fleet. Currently, there are not enough funds remaining on the current contract to purchase this number of vehicles.
