C. COMMENTS FROM THE PUBLIC

The Public Comments portion of this meeting is reserved exclusively for comments from the public, and not for immediate reply. Statements made during the Public Comments portion do not necessarily reflect the Opinions of the Board or the Administration of DeKalb County Government.

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Each speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting. The clerk will accept cards on a first-come, first-served basis. Speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak. Once the public comment portion of the meeting begins, speaker cards will no longer be accepted.

Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping and yelling will not be permitted.
