IMPORTANT NOTICE

THIS IS AN ELECTRONIC PROCUREMENT (eBID)

**SUBMISSIONS WILL ONLY BE ACCEPTED ELECTRONICALLY VIA THE BONFIRE PORTAL
(<https://fairfaxcounty.bonfirehub.com>)**

Fairfax County Government uses a procurement portal powered by Bonfire Interactive for accepting and evaluating bids. To register, visit <https://fairfaxcounty.bonfirehub.com>. Additional assistance is also available at Support@GoBonfire.com.

Submitting bids via the Bonfire portal is **Mandatory**. Fairfax County will not accept bids submitted by paper, telephone, facsimile ("FAX") transmission, or electronic mail (e-mail) in response to this IFB. Reference Special Provisions, Section 9, Submission of Bids, for additional information.

Bidders are responsible for the consequences of any failure to plan ahead in the submission of its Bid.

SPECIAL PROVISIONS

1. SCOPE:

1.1. The purpose of this solicitation is to establish a term contract(s) with a qualified vendor(s) for safety shoes on a Percentage Discount Basis for all departments and activities of the County of Fairfax for the requirements listed in this solicitation.

1.2. SAFETY SHOES:

A. The Contractor shall be required to take individual measurements at a time and place designated by the using department during normal business hours or agreed upon time for the duration of the contract period.

C. **Exception: Under no circumstances will Park Authority employees be issued any type of Western Style boots.**

1.3. MOBILE UNIT/SHOE MOBILE SERVICES:

A. A mobile unit or "shoe mobile" service shall be readily available for several departments within Fairfax County. **FAILURE TO PROVIDE A SHOE MOBILE WILL RESULT IN THE DISQUALIFICATION OF THE BIDDERS' BID IN ITS ENTIRETY.**

B. Shoe Mobile services must be available at least twelve (12) times a year (one time each month) per agency and must have on-site shoe fittings.

C. A mobile unit or "shoe mobile" service may be required for specific departments for certain types of shoes. Upon request of the Department, the Contractor will be responsible for providing various types, styles, make and manufacturers at any location within Fairfax County.

D. Departments will indicate if a shoe mobile is required when the orders are placed.

E. Each department will coordinate the shoe mobile schedule with the contractor.

1.4. Bidders must submit all documents marked "required" in Bonfire through the Fairfax County Bonfire portal for their bid to be deemed responsive. Bonfire will not allow bids to be submitted unless all required items are uploaded. Documents include:

- 2.2. Automatic contract renewals are prohibited. Contract renewals must be authorized by and coordinated through the County's purchasing department. The County reserves the right to renew the contract for two (2) additional (1) year periods based on satisfactory contractor performance and if agreeable to all parties.
- 2.3. The obligation of the County to pay compensation due the Contractor under the contract or any other payment obligations under any contract awarded pursuant to this Invitation for Bid is subject to appropriations by the Fairfax County Board of Supervisors to satisfy payment of such obligations. The County's obligations to make payments during subsequent fiscal years are dependent upon the same action. If such an appropriation is not made for any fiscal year, the contract shall terminate effective at the end of the fiscal year for which funds were appropriated and the County will not be obligated to make any payments under the contract beyond the amount appropriated for payment obligations under the contract. The County will provide the Contractor with written notice of non-appropriation of funds within thirty (30) calendar days after action is completed by the Board of Supervisors. However, the County's failure to provide such notice will not extend the contract into a fiscal year in which sufficient funds have not been appropriated.

3. PRICES AND PRICE ADJUSTMENT:

- 3.1. All prices/discounts shall be F.O.B. Destination and shall include all charges that may be imposed in fulfilling the terms of this contract.

- 3.4. The Contractor agrees that for unit price contracts, prices shall remain firm for 365 days. Contractor shall give not less than 30 days advance notice of any price increase to the purchasing office. A copy of the record/bid tabulation shall be made available in the DPMM website at <http://fairfaxcounty.gov/procurement/bid-tab/>.

12. **BID EVALUATION/CONTRACT AWARD:**

- 12.1. Bids will be evaluated, and an award(s) will be made to the bidder(s) who provide the lowest Unit Price after Discount for the Sample Items listed in Part 2 of the Pricing Schedule. The sample items are for evaluation purposes only.

For Example:

The Manufacturer's Price List/Retail Price Sheet for a sample item is \$5.00 and the bidder is bidding a percentage discount of 15%. The price the bidder would enter on the pricing schedule for the unit price of the sample item after the discount would be \$4.25.

To arrive at this price, take the price list amount of \$5.00 and subtract the discount amount (15%) or \$0.75.

Calculation: \$5.00 – (\$5.00 X 15%) = \$4.25

- 12.2. When an award is made, the Contractor shall furnish current price lists/sheets which shall become a part of the contract. The Contractor's name and address shall appear on all price lists/sheets. Where a price list shows more than one column of prices, the Contractor shall clearly mark the column, which represents the gross prices, charged to the County, and those prices must agree with the bidder's original bid. The Contractor shall provide the URL for any internet catalogs and/or pricing list provided.
- 12.3. Bidders do not have to bid on all line items in Part 2. Part 1 and Part 3 will not be evaluated; however, Bidders must receive an award in Part 2 in order to be considered for an award on other parts. The percentage discount offered will remain firm for the duration of the contract.
- 12.4. The County reserves the right to award the contract in the aggregate, by line item, by section, or by Manufacturer and to make a Primary and Secondary award, based on what the County determines to be in its best interest.

13. BID ACCEPTANCE PERIOD:

- 13.1. Any bid in response to this solicitation shall be valid for (90) days. At the end of the days the bid may be withdrawn at the written request of the bidder. If the bid is not withdrawn at that time it remains in effect until an award is made or the solicitation is cancelled.

14. CONTRACT INSURANCE PROVISIONS

- 14.1. The Contractor is responsible for its work and every part thereof, and for all materials, tools, equipment, appliances, and property of any and all description used in connection therewith. - l. Contractors waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against the County and other additional insureds for losses paid under the insurance policies required by this Contract or other insurance applicable to the Contractor or its subcontractors. - 15.1. General Indemnification. Contractor must indemnify, keep and save harmless, and defend the County its agents, officials, employees and volunteers against Claims that may accrue or arise against the County as a result of the granting a contract, if the Claim was caused by the negligence or error, or omission of the Contractor, its employees, its subcontractor, or its subcontractor's employees. As use in this Section, a Claim includes

injuries, death, damage to property, breach of data security, suits, liabilities, judgments, or costs and expenses. Upon request by the County, the Contractor must at its own expense: appear, defend, and pay all attorney's fees and all costs and other expenses related to the Claim. If, related to a Claim, any judgment is rendered against the County or a settlement reached that requires the County to pay money, the Contractor must at its own expense satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this Contract, or otherwise provided by the Contractor, does not limit the Contractor's responsibility to indemnify, keep and save harmless, and defend the County as provided in this Contract.

- 15.2. Intellectual Property Indemnification. In addition, the General Indemnification, Contractor will indemnify the County for and defend the County against third-party claims for infringement of any valid United States patent, trademark or copyright by the Contractor's products, software, services, or deliverables. Contractor must indemnify the County for any loss, damage, expense or liability, including costs and reasonable attorney's fees that may result by reason of any such claim.

In the event of a claim covered by this subparagraph, and in addition to all other obligations of Contractor in this Paragraph, Contractor must at its expense and within a reasonable time: (a) obtain a right for the County to continue using such products and software, or all Contractor to continue performing the Services; (b) modify such products, software, services or deliverables to make them non-infringing, or (c) replace such products or software with a non-infringing equivalent. If, in the Contractor's reasonable opinion, none of the foregoing options is feasible Contractor must immediately notify the County and accept the return of the products, software, services, or deliverables, along with any other components rendered unusable as a result of the infringement or claimed infringement, and refund to the County the price paid to Contractor for such components as well as any pre-paid fees for the allegedly infringing services, including license, subscription fees, or both. Nothing in this Paragraph (Indemnification), however, relieves the Contractor liability to the County for damages sustained by the County by virtue of any breach of contract related to a third-party infringement claim.

- 15.3. Right to Participate in Defense. The County may, at its sole expense, participate in the defense or resolution of a Claim. Contractor will have primary control of the defense and resolution of the Claim, except when such defense or resolution requires the County to (i) admit liability or wrongdoing; or (ii) to pay money. In either of these cases Contractor must obtain the County's prior written consent before raising such defense or entering into such resolution.
- 15.4. **No Indemnification by the County.** The parties agree that under applicable law the County cannot indemnify or defend the Contractor. Th the extent any promise or term contained in this Contract, including any exhibits, attachments, or other documents incorporated by reference therein, includes an indemnification or obligation to defend by the County, that promise or term is stricken from this contract and of no effect.

- 16.4. Regardless of the method of ordering used, solely the contract and any modification determine performance time and dates.
- 16.5. Performance under this contract is not to begin until receipt of the purchase order, Procurement Card order, or other notification to proceed by the County Purchasing Agent and/or County agency to proceed. Purchase requisitions shall not be used for placing orders.
