Subject: RE: Mattress Donations for Dekalb County Fire Department

Good Afternoon Jason,
We are happy to donate 254 twin mattresses. We ask for 6 weeks lead time on donation requests, so the tentative delivery date is 6/2/23. Closer to the delivery date, you will receive a call from our carrier(s) to schedule a delivery window.

Please note: The recipient is responsible for unloading the mattresses from the trailer; having a team of volunteers is recommended. The recipient is also responsible for disposal of old beds and trash (bags/boxes) from the delivery. This particular delivery will arrive in two 53' trailers.

Let me know if you have any questions between now and your delivery.

Good Morning,
This will depend on what size of bed. I am assuming for fire houses you will want twins or Twin XL. The Fair Market Value for these is below

Twin: \$1245.34 each
Twin XL: 1757.69 each

Ms. Howie,

Good afternoon. I have received your document and will return it to you shortly. I need to know what the associated value of the donation is? We need to seek Board of Commissioners approval in order to formally accept the donation.
