Hosting / Hosting	\$235,115.21
Training / Annual User Conference	\$2,190.00
Total	\$446,754.71 USD

FASTER Asset Solutions strives to provide our customers with superior service and the highest value for their fleet management software investment. We are pleased to let you know that we are able to limit the annual increase for support and software maintenance to 3% for the next twelve months. This increase allows us to maintain the level of quality support we have demonstrated for more than four decades.

Please note this quote does not reflect any changes to your account after the date noted in the quote, and any changes could affect your Annual Support
