COMPANY			P & H SUPPLY Company	
ITEM	DESCRIPTION	Estimated Number of Units	Unit Price	Amount
1	Rods, sewer, 5/16" x 36", in accordance with attached Minimum Technical Specifications, Serco-Flexible.	1500	\$11.00	\$16,500.00
2	Rods, sewer, 1/4" x 6', Hex Coupling in accordance with attached Minimum Technical Specification, Coupling made from 14L40 high Carbon Aircraft Alloy Steel.	1500	\$12.00	\$18,000.00
3	Tool Adaptor Rod, for fastening cleaning tool to rod coupling, for use with Rod Size 5/16-inch, with nuts having different threads and thread directions; Serco-Flexible No. SBC-1-3SS "Super Short".	40	\$65.00	\$280.00
4	Assembly Wrench for 5/16" Rods Southland Tool Part No: SLT1-1	20	\$26.50	\$530.00
5	Assembly Turning Handle for 5/16" Rods Southland Tool Part No: SLT2-1	20	\$55.00	\$1,100.00
6	1/4" Auger, for 2-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 5/16-inch Adaptor Rod)	30 Shaft	\$52.00	\$1,560.00
7	1/4" Auger, for 2-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 5/16-inch Coiled Spring Shaft)	30 Spring	\$70.00	\$2,100.00
8	1/4" Auger, for 2-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 1/4-inch Adaptor Rod) (FOR 1/4" RODS).	30 Shaft	\$52.00	\$1,560.00
9	1/4" Auger, for 3-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 5/16-inch Adaptor Rod) Southland Tool PN SLA3-ISS-P5 (Rod)	50 Spring	\$53.00	\$2,650.00
10	1/4" Auger, for 3-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 5/16" Coiled Spring Shaft)	30 Spring	\$74.00	\$2,220.00
11	1/4" Auger, for 3-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 1/4 - inch Adaptor Rod) (For 1/4" RODS).	30 Shaft	\$53.00	\$1,590.00
12	1/4" Auger, for 4-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 5/16-inch Adaptor Rod).	30 Shaft	\$69.00	\$2,070.00
13	1/4" Auger, for 4-inch pipe, flexible flat and spiral blade with cutting edges front and back (With 1/4" coiled spring shaft) Southland Tool PN SLP5-5-4 (Spring)	25 Spring	\$77.00	\$1,925.00
14	1/4" Auger, for 4-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 1/4 - inch Adaptor Rod), (FOR 1/4" RODS)	25 Shaft	\$69.00	\$1,725.00

COMPANY			P & H SUPPLY Company	
ITEM	DESCRIPTION	Estimated Number of Units	Unit Price	Amount
15	5/16" Auger, for 5-inch pipe, flexible flat and spiral blade with cutting edges front and back (W 5/16-inch Adaptor Rod) (For 5/16" Rod) Southland Tool PN SLA5-1SS-P5 (Rod)	50 Spring	\$985.00	\$4,750.00
16	5/16" Auger, for 5-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 5/16-inch Adaptor Rod). Southland Tool PN SLA5-1SS-P5 (Rod);	30	\$95.00	\$4,750.00
17	5/16" Auger, for 5-inch pipe, flexible flat and spiral blade with cutting edges front and back (with 5/16 Coiled Spring Shaft) Southland Tool PN SLP5-5-5 (Spring)	50 Spring5 (Reg.)	\$98.00	\$4,900.00
18	5/16" Auger, for 6-inch pipe size, flexible flat and spiral blade with cutting edges front and back (with 5/16-inch Adaptor Rod Regular Shaft)	50 Shaft	\$124.00	\$6,200.00
19	50 Shaft	50 Spring	\$124.00	\$6,200.00
20	Frame, rod, Southland Tool PN SLP5-1 Bidding On:	30	\$70.00	\$2,100.00
21	Corkscrew, for 2-inch pipe; (for 1/4" rods) 7" long coiled spring with super short threaded straight end pig tail for 1/4" rods.	30	\$45.09	\$1,350.00
22	Tool, assembly, for coupling or uncoupling; (1/4" rods) Southland Tool PN SLP5-8.	30	\$29.00	\$870.00
23	Nozzle, for Sand and Grease, cast aluminum, with eight rear and one forward replaceable orifices, with rear jets at 15 angles, for use with 3/4" hose; Serco-Flexible No. SSN-1.	30	\$290.00	\$870.00
24	Nozzle, stainless steel, penetrator small openings, with five rear orifices angled at 35 degrees for blast effect and one front orifice, for use with 3/4" inch hose size; Serco-Flexible	30	\$600.00	\$18,000.00
25	Nozzle, "Un-Stopper", stainless steel penetration, with 3 ten-degree thruster jets at rear of body, front tip having multiple	30	\$260.00	\$7,800.00
26	Nozzle Rotating Blade Spinner Penetrates and Cuts Hard Obstructions, Grease and Hairline Roots for 3/4" hose, 50 GPM @3000PSI	25	\$365.00	\$9,125.00
27	Nozzle, Minnie Missile, solid one piece construction, 3 rear and 1 forward jet, for 3/4" hose, 50 GPM @3000PSI Part Number SECA 52118-00-F	25	\$420.00	\$10,515.75
28	Tool, pull-out, slotted for rod size 5/16-inch; Southland Tool Part No. SLT3-1 ONLY.	15	\$37.00	\$555.00
