**PURPOSE:**

Application of the Director of Planning & Sustainability to modify the 2026-27 Zoning, SLUP, and Land Use Amendment Calendar to reflect the public hearing date change for the July Board of Commissioners' Zoning meeting from July 23, 2026 to August 13, 2026.

**A RESOLUTION TO UPDATE THE DEKALB COUNTY,  
GEORGIA 2026-27 ZONING AND LAND USE  
CALENDAR**

**WHEREAS**, DeKalb County has increasingly become one of the most densely populated counties in the State of Georgia since 1970, due in part to social, political and economic factors; and

**WHEREAS**, DeKalb County's rapid residential growth and development has outpaced the County's ability to attract commercial and business development; and

**WHEREAS**, DeKalb County wants to encourage commercial and business development in order to increase the commercial property tax base and increase the services and amenities that are available to DeKalb County citizens; and

**WHEREAS**, DeKalb County wants to encourage its commercial ventures in DeKalb County and the creation and improvement of such ventures will encourage DeKalb County citizens to frequent DeKalb County businesses; and

**WHEREAS**, the rezoning of property to residential zoning districts, including those of increased density has adversely affected the ability of DeKalb County to protect the health, safety and welfare of the citizens of DeKalb County in various areas including, but not limited to: (1) adequate infrastructure; (2) sewage disposal; (3) watershed protection; and (4) storm water runoff; and

**WHEREAS**, the DeKalb County Board of Commissioners recognizes the need to provide opportunities for the involvement of citizens in the development and re-development of their communities and neighborhoods in order that they may fully participate as stakeholders in the land use planning and rezoning process; and

**WHEREAS**, past experience has established that the involvement of the County’s Planning and Sustainability staff prior to the filing of a land use plan amendment application or an application for an amendment to the official zoning map or special land use permit can be beneficial to the applicant and the Board and ultimately produce a better development and a more desirable outcome for the community; and

**WHEREAS**, the involvement of the County’s Planning and Sustainability staff prior to the filing of a land use plan amendment application, an application for an amendment to the official zoning map or a special land use permit has the potential to eliminate the numerous deferrals that currently arise where the applicant has filed an application but said application has deficiencies and the applicant is not ready to present a coherent application to the Board of Commissioners; and

**WHEREAS**, the involvement of the residents of communities surrounding property that is the subject of a land use plan amendment application, an application for an amendment to the official zoning map or a special land use permit prior to the filing of said application will eliminate the numerous deferrals that currently arise where the applicant has filed an application and has not engaged the community in a meaningful manner prior to the Board of Commissioners’ exercise of its legislative power; and

**WHEREAS**, the DeKalb County Board of Commissioners believes that the 2026 zoning calendar is necessary to protect the interests of DeKalb County and that it is in the best interests of the public health, safety and welfare of the citizens of DeKalb County that this calendar be established; and

**WHEREAS**, in order to achieve the aforementioned goals and purposes and to advance the policy reflected above, the Board of Commissioners proposes the 2026 Zoning and Land Use Calendar with specific processing requirements that must be satisfied in order for an applicant to be placed upon the annual zoning calendar schedule; and

14. The County shall provide the applicant/agent with a sign template for announcing the date and time of the Community Council meeting. The applicant shall be responsible for purchasing and posting the sign(s) on the subject property at least fifteen (15) days prior to community council meeting.
