Ted Terry
Commissioner Super District 6, DeKalb County
1300 Commerce Drive
Decatur, GA 30030

Dear Commissioner Terry:

I am writing to express my interest in serving as the Super District 6 PDK Airport Advisory Board appointee, which would end December 31, 2028. I live in the City of Chamblee about 2 miles from PDK, and have been going to AAB meetings since 2015.

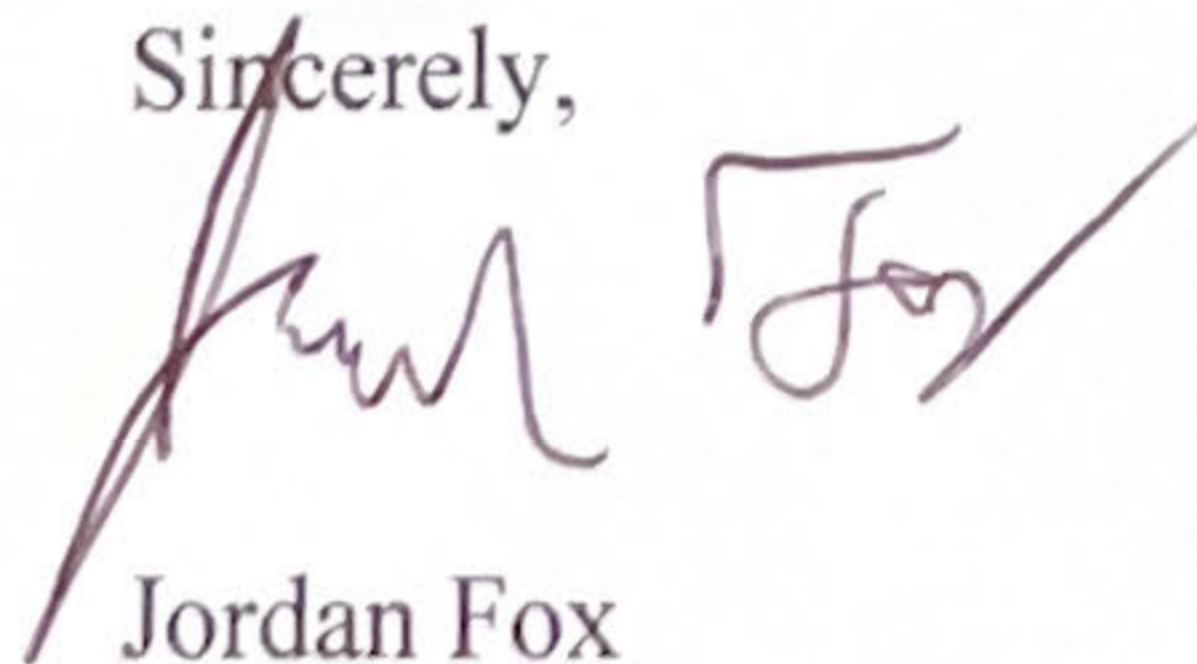

As you may know, I am a past President of the now defunct Dresden East Civic Association (DECA). I was also the DECA PR Committee Chair leading communications through our quarterly newsletter, social media, website, and related activities.

I served as a DeKalb County District 2 representative on the Citizen Advisory Committee for the PDK Master Plan from late 2018 through the summer of 2020. The Citizen Advisory Committee (CAC) served as an advisory body for overall direction and guidance in the development of the Master Plan for DeKalb Peachtree Airport (PDK). The CAC met regularly to discuss plan developments and to provide input at decision-making milestones.

In 2023 I worked with other citizens to create a PDK Community Engagement group on both Facebook and Nextdoor. The group was established to provide a place for citizens in the neighborhoods surrounding and/or affected by PDK activity to come together. Our goal is to raise awareness and capture community input on the impacts of airspace/PDK activity to ensure our collective interests and concerns are heard.

Having gone to many PDK AAB meetings and living so close to PDK, I have a keen insight as to how PDK airport how it fits into the north DeKalb area. Attached please find my resume. If you have any questions, please feel free to reach out to me. I'm excited about the possibility of serving Super District 6 on this important Board!

Sincerely,

Jordan Fox
