Project Amount This Term: \$ 271,817.00

Funding: General Enterprise 3 Digit Fund Code 511

CIP Line Item No. (if applicable): _____

Justification:

The Department of Watershed Management (DWM) recommends Fortiline Waterworks as the recommended bidder based on the total from the bid tabulation form. The bidder is the lowest bidder according to the prices quoted. Valve Boxes and Risers are a staple part of the Water System program and are required in all residential and commercial installation projects and repairs. Over the past several months DWM has experienced a large increase in overall demand for Valve Boxes and Risers. The increased demand is from DWM's Meter Replacement and Cul-de-sac Renewal Contract work that is currently active. The department anticipates a modest increase over the prior years usage.
