Original Contract Term and Dollar Amount:

January 24, 2017 to January 31, 2017; \$450,000.00

Previous Extension of the Term: No

Previous Changes to the Dollar Amount: No

Current Cumulative Contract Term Dollar Amount:

January 24, 2017 to January 31, 2017; \$450,000.00

Proposed Cumulative Contract Term Dollar Amount:

January 24, 2017 to January 31, 2017; \$450,000.00

Detailed Description of Requested Changes:

The Department of Watershed Management is requesting that High Visibility Safety Apparel items be added to the existing Rental Uniform contract for the department due to the lack of performance by the previous vendor and recent changes in the uniform requirements.

Justification for the Proposed Changes and an Explanation of why the County should not consider a Competitive Bid:

Suitable items and quantities can be provided by our current Rental Uniform Supplier at comparable pricing with a much faster delivery time (two weeks). The Department of Watershed Management has recently initiated a new Rental Uniform contract and High Visibility Safety Apparel items are in line with other items currently being supplied. The vendor has all of the required items, sizes and logos necessary to supply our department along with the rest of the department uniform needs.
