Company	Contact #	Contact Person	Receive bid? Yes/No	Non-Response Justification
Mansfield Clean Energy Partner	678-450-2309	Mr. McMahon	Yes	Company is a Clean Energy's partner.
Results Summary	Due to the requirement of the fueling stations being no more than a 20-mile radius from CNG vehicle sites, the market research indicated only six (6) companies could meet this requirement. Agent reached out to all six (6) companies. Two (2) companies, Trillium CNG and Premier Transportation CNG, did not respond after numerous attempts by the agent to contact them. One company (Mansfield) is a partner of Clean Energy, one of the Prime bidders of this solicitation.
