Such subletting on the part of the Lessor will not in any sense constitute a breach of this contract on the part of the Lessor, but Lessor will act as agent for the Lessee to minimize the damage caused by Lessee's breach. These rights of the Lessor are cumulative and not restrictive of any other rights under the law, and failure on the part of the Lessor to avail himself of these privileges at any particular time shall not constitute a waiver of these rights.

SECTION 16. DAMAGE, DESTRUCTION OR CONDEMNATION OF LEASED PROPERTY:

If the building or improvements on the Leased Property are destroyed by fire or any other cause, or substantially damaged as to be unusable, Lessee shall have the option to either (a) terminate this Lease Agreement upon payment to Lessor of an amount equal to 1/20th of the insurance proceeds multiplied by the number of years the Lessee has been in possession under this Lease Agreement, which payment shall be made from the proceeds of insurance received by the Lessee and not from other assets of the Lessee; or (b) to rebuild as expeditiously as possible,

using insurance proceeds therefore and to treat this Lease Agreement as continuing in effect. Lessee shall notify Lessor in writing of which alternative it elects within thirty (30) days after date of determination of the amount of insurance proceeds owed to Lessor.

In the event that a part of the improvements are damaged by fire or other cause, this Lease Agreement shall be treated as continuing in effect, and Lessee shall rebuild and/or repair as expeditiously as possible, and, so long as Lessee is, in good faith, taking the action required to rebuild and/or repair such portion of the improvements as required herein, rent shall be reduced pro rata, based on the square footage of the affected improvements, until such improvements are rebuilt and/or repaired, such that they may be occupied safely and used for their intended purpose by Lessee.

A. Maintenance of Improvements. Lessee shall, throughout the term of this Lease Agreement, at its own cost, and without any expense to Lessor, keep and maintain the Leased Property, including buildings and improvements of every kind which may be a part thereof, and all appurtenances thereto, including sidewalks adjacent thereto, in good, sanitary and neat order, condition and repair, and, except as specifically provided herein, restore and rehabilitate any improvements of any kind which may be destroyed or damaged by fire, casualty or any other cause whatsoever. Lessor shall not be obligated to make any repairs, replacements or renewals of any kind, nature, or description, whatsoever to the demised Leased Property or any buildings or improvements thereon.

B. Condemnation.

1. Total Condemnation. In the event of condemnation, or any taking by eminent domain, by any governmental entity, Lessor and Lessee shall have no interest in the award to the other, it being the intent of this Lease Agreement that each shall negotiate and litigate according to their separate interests, and this Lease Agreement shall terminate on the date of initiation of action taken by such governmental entity.

2. Partial Taking. In the event of the condemnation, or taking by eminent domain of a portion of the Leased Property, if the remainder of the leasehold is in an economically viable operating unit, as agreed by Lessor and Lessee, rental payments shall abate according to the ratio of square footage so taken. Condemnation award for the taking of any structure on the Leased Property shall be divided between Lessee and Lessor on the basis that

Lessor shall receive an amount equal to the award divided by 20 and multiplied by the number of years remaining under this Lease Agreement.

If the remaining property is not an economically viable unit, as agreed by Lessor and Lessee, it shall be treated as a total condemnation as set forth in Subparagraph 1, Total Condemnation, above.

3. Temporary Taking. Should any portion of the Leased Property be condemned for any period, Lessor shall have no interest in such condemnation award, and the same shall go to Lessee, and the rent shall not abate to the extent that the award is equal to or in excess of the rent amount relating to such condemned portion of the Leased Property.

SECTION 17. INSPECTION OF LEASED PROPERTY:

A. Inspection of Leased Property: With twenty-four (24) hours notice to Lessee, Lessor or its duly authorized representatives may enter upon the Leased Property at any and all reasonable times during the term of this Lease Agreement for the purpose of determining whether or not Lessee is in compliance with the terms and conditions hereof or for any other purpose incidental to the rights of Lessor.

B. Inspection Report: Beginning on the fifth (5th) anniversary of the rent commencement date and each fifth (5th) anniversary thereafter, Lessee shall provide Lessor with an inspection report of the Leased Property prepared by an engineer or architect licensed to do business in the State of Georgia attesting to the condition of the Leased Property and addressing all repairs, replacements and renewals needed to maintain the required state of condition of the Leased Property. The cost of the inspection report shall be paid by Lessee. The inspection report shall be delivered to the Airport Director.

SECTION 18. TITLE:

A. Newly Constructed Buildings and/or Replacement Structures: During the term of this Lease Agreement and upon completion of any improvements, title to any and all newly constructed buildings, i.e. new and/or replacement structures placed on the Leased Property by Lessee shall remain in Lessee. Consequently, the Lessee shall be responsible for paying any and all property taxes and the like on these newly constructed buildings and/or replacement structures through the entire period of the Lease.

B. Existing Property and Structures: Title to all existing structures and facilities reverted to the ownership of the County on August 1, 2025. Hence, no payment of property taxes on County/Airport property and existing facilities are due or required at any time beginning August 1, 2025, exclusive of newly constructed buildings and/or replacement structures outlined above. However, final determination of property taxes due remains with the Tax Commissioner, DeKalb County.

C. Reversion of Title: Title to any and all new improvements (including newly constructed buildings and/or replacement structures) on the Leased Property shall revert to the ownership of Lessor at the termination of this Lease Agreement.

SECTION 19. TAXES:

During the term of the Lease Agreement, Lessee shall pay or cause to be paid, prior to delinquency, all taxes, including possessory interest taxes, ad valorem taxes, and any other assessments levied or assessed:

- (a) On the Leased Property;
- (b) On all possessory interests hereunder or in the Leased Property;
- (c) On any improvements, fixtures and equipment now or hereafter existing on the Leased Property and on any personal property situated in, on or about the Leased Property, or in, on or about any buildings or improvements thereon. Lessee shall obtain and deliver receipts or duplicate receipts for all taxes, assessments, and other items required hereunder to be paid by Lessee, promptly on payment thereof, if so required by Lessor, and;
- (d) On Lessee's aircraft based on the Airport.

It is understood, however, that Lessee may pay any such taxes and assessments under protest, and without liability, cost or expense to Lessor, and may in good faith contest the validity or amount thereof.

SECTION 20. EVENTS OF DEFAULT BY LESSEE:

Each of the following events shall constitute an "event of default by Lessee", provided, however, that Lessee shall have thirty (30) days, (except in the case of Subparagraph (a) below, ten (10) days) after the receipt of written notice from Lessor of any such "event of default by Lessee" to cure.

- (a) Lessee's failure to pay the rent and other fees herein provided at the time

fixed for payment thereof.

- (b) Lessee's failure to pay any taxes, including possessory interest taxes or assessments, agreed to be paid by Lessee in Section 21, Results of Lessee's Defaults, of this Lease Agreement in accordance with the terms of said Section. If the nature of any default by Lessee under this Subparagraph (b) is such that it cannot be cured within the thirty (30) day cure period provided above, Lessee shall be deemed to have cured such default if it shall, within such thirty (30) day period, commence performance and thereafter diligently prosecute the same to completion.
- (c) Lessee's failure to keep, perform or observe any term, covenant, or condition of this Lease Agreement to be kept, performed, or observed by Lessee.
- (d) Lessee's filing of a voluntary petition in bankruptcy or the assignment of all or substantially all of Lessee's assets for the benefit of Lessee's creditors or the institution of proceedings in bankruptcy against Lessee or the appointment of a receiver of the assets of Lessee; provided, however, that if any such proceedings or appointments are involuntary, then they shall not be considered an event of default by Lessee unless Lessee fails to procure a dismissal thereof within ninety (90) days after the institution of such involuntary bankruptcy proceedings or the appointment of such receiver.

SECTION 21. RESULTS OF LESSEE'S DEFAULT:

Upon the occurrence of an "event of default by Lessee", which is not cured within the time period given, Lessor, in addition to any other rights or remedies it may have, shall have the immediate right of re-entry and may remove all persons and property from the Leased Property with no liability to the Lessor therefore; such property may be removed and stored in a public warehouse or elsewhere at the expense of Lessee. Should Lessor elect to re-enter, as herein provided, or should it take possession pursuant to legal proceedings or pursuant to any notice required by law, it may either terminate this Lease, or relet the Leased Property and any improvements thereon or any part thereof for such term or terms (which may be for a term extending beyond the term of this Lease Agreement) and at such rental or rentals and upon such other terms and conditions as Lessor in its sole discretion may deem advisable, with the right to make alterations and repairs to improvements on the Leased Property. Upon such reletting:

- (a) Lessee shall be immediately liable to pay to Lessor, any indebtedness for the cost and expenses of such reletting and of such alterations and repairs incurred by Lessor, and the amounts, if any, by which the rent reserved in

this Lease Agreement for the period of such reletting (up to but not beyond the term of this Lease Agreement) is less than the amount agreed to be paid as rent for the Leased Property for the period of such reletting, or

- (b) At the option of the Lessor, rents received by Lessor from such re-letting shall be applied: first, to the payment of any indebtedness, other than rent, due hereunder from Lessee to Lessor; second, to the payment of any costs and expenses of such re-letting and of such alterations and repairs; third, to the payment of rent due and unpaid hereunder, and the balance, if any, shall be held by Lessor and applied in payment to future rent as the same may become due and payable hereunder.

If Lessee has been credited with any rent to be received by such reletting under option (a) and such rent shall not be promptly paid to Lessor by the new tenant, or if such rentals received from such reletting under option (b) during any month be less than that to be paid during that month by Lessee hereunder, Lessee shall immediately pay any such deficiency to Lessor. Such deficiency shall be calculated and paid monthly by Lessee. No such re-entry or taking possession of the Leased Property and any improvements thereon by Lessor shall be construed as an election on its part to terminate this Lease Agreement unless a written notice of such intention is given to Lessee. Notwithstanding any such reletting without termination, Lessor may, at any time thereafter, elect to terminate this Lease Agreement for any breach, in addition to any other remedy it may have, and in such event, Lessee's interest in any and all buildings and improvements on the Leased Property shall, at the option of the Lessor, automatically pass to Lessor; and Lessor may recover from Lessee all damages it may incur by reason of such breach, including the cost of recovering the Leased Property, and including the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent unpaid in this Lease Agreement for the remainder of the stated term, all of which amounts shall be immediately due and payable from Lessee to Lessor.

SECTION 22. NON-WAIVER OF DEFAULTS:

The waiver by Lessor or Lessee of any breach by Lessor or Lessee of any term, covenant, or condition hereof shall not operate as a waiver of any subsequent breach of same or any other term, covenant or condition of this Lease Agreement. No term, covenant, or condition hereof can be waived except by written consent of Lessor; and forbearance or indulgence by Lessor, in any regard whatsoever, shall not constitute a waiver of the term, covenant or condition to be

performed by Lessee to which the same may apply; and until complete performance by Lessee of the term, covenant or condition, Lessor shall be entitled to invoke any remedy available to it hereunder by law, despite such forbearance or indulgence.

SECTION 23. LESSEE'S ENCUMBRANCES:

A. Obligation. Lessee shall not encumber, mortgage or pledge or allow any lien upon Lessee's interest in the Leased Property or in any improvements Lessee places thereon by mortgage, deed of trust or other instrument without the prior written consent of Lessor. Any such mortgage, deed of trust or other instrument consented to by Lessor shall expressly provide therein that the trustee, mortgagee, or beneficiary in such instrument or payee in the note or other obligation secured by any such instrument shall provide Lessor with written notice of any event of default by Lessee or foreclosure action against Lessee, within ten (10) days of such event. In the event such encumbrance, pledge, mortgage, or lien is allowed, the trustee, mortgagee or beneficiary in said instrument or payee in the note or other obligation secured by any such instrument may deliver to Lessor written notice showing:

- (i) the amount of the obligation secured by such instrument and the date of maturity or maturities thereof; and
- (ii) the name and post office address of such mortgagee, beneficiary, payee, or trustee. Upon delivery of such notice to Lessor, Lessor shall thereafter serve on such mortgagee, beneficiary, payee or trustee, by registered or certified mail at the address given or at any subsequent address thereafter given, a copy of every notice thereafter served by Lessor upon Lessee under the terms of this Lease, during the existence of such mortgage, deed of trust, or instrument.

B. Cure of Default by Mortgagee. In the event that Lessee defaults in the performance of any covenant or provision of this Lease Agreement to be performed by Lessee during the existence of any such mortgage, lien, deed of trust, or other instrument, the beneficiary, mortgagee, payee, or trustee named in any such notice, or their nominee, shall have the right, within the time herein provided, plus an additional ten (10) days, to perform and comply with all the covenants and provisions of this Lease to be performed by Lessee and to make all payments required of Lessee by this Lease and, by so doing, to cure and remove any such default.

C. Cure by Commencement of Performance. If the nature of any default by Lessee is such that it cannot be cured within the additional ten (10) days, such beneficiary, mortgagee, payee, or trustee shall be deemed to have cured such default if it or its nominee shall, within such ten (10) day period, commence performance and thereafter diligently prosecute the same to completion.

D. Foreclosure of Liens. If, at any time, foreclosure proceedings are begun to any lien secured by any mortgage, deed of trust, or other similar instrument on the Leased Property, for a period of thirty (30) calendar days from the date Lessor receives notice of such foreclosure, Lessor shall have the first option of assuming or discharging said lien at its actual face value, according to the terms thereof, and thereupon to then terminate this Lease Agreement and all interest in it and relet the Leased Property under the provisions of Section 22, Non-Waiver of Defaults, hereof.

E. Non-Relief of Liability. The execution of any encumbrance under this Section, or the foreclosure thereof, or any sale thereunder, either by judicial proceeding or by virtue of any power reserved in such encumbrance, or conveyance by Lessee to the holder of such indebtedness or encumbrance or the exercising of any right, power, or privilege reserved in any encumbrance, shall not be held as a violation of any of the terms or conditions hereof, or as an assumption by the holder of such indebtedness personally of the obligations hereof. No such encumbrance, foreclosure, conveyance, or exercise of right shall relieve Lessee from its liability hereunder.

SECTION 24. TERMINATION BY LESSEE:

The Lessee may cancel this Lease Agreement at any time, without penalty, if the Airport ceases to be used for airport purposes, or if local/County/State/Federal/or FAA regulations, laws, ordinances prevent Lessee from using its aircraft at the airport, or restrict the size or noise from aircraft such that the aircraft cannot be used at the airport.

SECTION 25. RIGHTS PRIOR TO TERMINATION:

If Lessee is not in default hereunder, Lessee shall have the right to remove during the term hereof any and all fixtures which Lessee may have placed or installed upon the Leased Property; provided, however, that upon said removal, Lessee shall repair, at Lessee's own

expense, any damage resulting therefrom and leave the Leased Property in their original condition, normal wear and tear excepted.

SECTION 26. REDELIVERY OF LEASED PROPERTY:

Lessee shall, upon termination of this Lease in any manner, quit and deliver up the Leased Property to Lessor peaceably, quietly, and in as good order and condition as the same now are or may be hereafter improved by Lessee or Lessor, reasonable wear and tear thereof excepted.

SECTION 27. LESSOR'S LIEN:

If Lessee is in default under any covenant, term or provision of this Lease Agreement or has abandoned the Leased Property, in addition to the rights of Lessor under Section 12, Liability, hereof, Lessee hereby grants to Lessor a lien upon any improvements, personal property and trade fixtures of Lessee upon the Leased Property, which lien Lessor may satisfy by selling said improvements, personal property or trade fixtures at public or private sale without notice to Lessee and from the proceeds of said sale satisfy first any costs of storage, removal and sale, and any other debts due from Lessee to Lessor; and secondly, satisfy the total amount of unpaid rent due hereunder and hold any balance for the account of Lessee. This lien shall inure to Lessor's benefit whenever Lessee is in default hereunder and when Lessor exercises any right, which Lessor may have at law, in equity or under this Lease Agreement.

SECTION 28. QUIET ENJOYMENT:

Lessee, upon payment of the fees and all other payments and charges to be paid by Lessee under the terms of this Lease Agreement and upon observing and keeping the agreements and each of the covenants of this Lease Agreement on the part of Lessee to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Leased Property during the term of this Lease for the purposes and uses set out herein. Lessee covenants that it will not commit or allow to be committed by any other sub-tenant, any act on the Leased Property which may disturb the quiet enjoyment of any other adjoining tenants.

SECTION 29. SALE, ASSIGNMENT, TRANSFER AND SUBLETTING:

Lessee shall not, except as security as provided in Section 23, Lessee's Encumbrances, hereof, sell, assign, or transfer this Lease Agreement without the prior written consent of the

Lessor. Lessee shall not sublease the Leased Property or any portion thereof, nor shall Lessee sublet any privileges granted with respect to the operation of said Leased Property or any portion thereof, without the prior written consent of the Lessor. No assignee for the benefit of Lessee's creditors, and any trustee, receiver, or referee in bankruptcy shall acquire any rights under this Lease by virtue of this paragraph.

SECTION 30. WAIVERS:

Any waiver by Lessor or Lessee at any time of any of the terms, conditions, covenants or agreements of this Lease Agreement, or non-compliance therewith, shall not be deemed or taken as a future waiver at any time thereafter of the same or any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof required by Lessee. No delay, failure or omission of Lessor to re-enter the Leased Property or to exercise any right, power, privilege or option arising from any default, nor the subsequent acceptance of fees then or thereafter accrued, shall impair any future right, power, privilege or option, nor shall it be construed to be a waiver of any such default or acquiescence therein. No notice by Lessor shall be given to Lessee to restore or revive any "time is of the essence" clause after any waiver by Lessor. No option, right, power, remedy or privilege of Lessor shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options, or remedies given to Lessor by this Lease Agreement are cumulative and no one of them shall be exclusive of the other or exclusive of any remedies provided by law, and that the exercise of one right, power, option or remedy by Lessor shall not impair its right to any other right, power, option or remedy.

SECTION 31. SECURITY:

Lessor shall provide, or cause to be provided, during the term of this Lease Agreement, all proper and appropriate public fire and police protection similar to that afforded to other tenants at the Airport, and it will issue and enforce rules and regulations with respect thereto for all portions of the Airport. Lessee shall have the right but shall not be obligated, to provide such additional or supplemental public protection as it may desire, but such right, whether or not exercised by Lessee, shall not in any way be construed to limit or reduce the obligations of Lessor hereunder.

A. Access to Non-Movement Area / Ingress and Egress.

Lessee shall have right of ingress to, and egress from, the Airport over Airport roadways, including the use of common-use roadways, expressly subject to such rules and regulations as may be established by the Airport Director. Lessee is granted only that vehicular access which is reasonably necessary to allow Lessee access to the Leased Property once Lessee is on Airport property. Vehicular access to all movement areas, whether active or inactive, is expressly prohibited by this Lease. For the purpose of this Agreement, a movement area is any runway or taxiway utilized whether active or inactive for taxiing, takeoffs, and landings of aircraft, exclusive of aircraft loading ramps, taxilane(s), aircraft parking areas, and aircraft aprons and tie-down spaces.

B. Gate Combination and / or Access Code.

The Lessee acknowledges and agrees that he/she is totally responsible for the dissemination of any gate and/or access code given to provide access to the Airport through the use of Lessee's gate. If the Lessee gives this code to any other person for whatever reason, the Lessee will be responsible for any and all actions of such person(s) as if this were the Lessee him/herself.

C. Access Card.

If Lessee desires to use Airport's established proximity access control card system, or other Airport access control system not yet defined by, or in use by, the Airport at that time, Airport Administration will assign one (1) card to the Lessee only. A request by the Lessee for an additional card(s) shall be made in writing stating the reason(s) or rationale why an additional card(s) is/are required. Any request for an additional card may or may not be approved by the Airport Director at his/her sole discretion. The minimum information required for the issuance of any additional card will include the name, local address, and contact phone number of the individual. A Ten Dollar (\$10.00) fee, payable to DeKalb County, will be charged for the issuance of an access card to each individual. If a card is lost, stolen, or made unusable for any reasons, a Twenty-Five Dollar (\$25.00) replacement fee will be required before a new card is issued.

The control and monitoring of access is paramount to Airport security. Accordingly, only authorized users with access to the Airport granted pursuant to this Lease should hold a card to access the Airport. Lost or stolen Airport-issued access cards shall be reported immediately

by any means possible to Airport Administration, whereupon the loss and/or theft will be recorded, and the card will be made “inactive” by Airport Administration for the access control point. “Reported immediately” means within twenty-four (24) hours or the next business day, not including weekends or holidays. A new card may then be issued by Airport Administration bearing a number different from the one lost or stolen.

D. Fraud and Intentional Falsification of Records.

- (a) No person may make any fraudulent or intentionally false statement in any application for any security program, access medium, or identification medium.
- (b) No person may make any fraudulent or intentionally false entry in any record or report that is kept, made or used to show compliance or exercise any privileges.

E. Security Responsibilities of Employees and Other Persons.

No person may:

- (a) Tamper or interfere with, compromise, modify, attempt to circumvent, or cause a person to tamper or interfere with, compromise, modify, or attempt to circumvent any security system, measure, or procedure.
- (b) Enter, or be present within a secured area without complying with the systems, measures, or procedures being applied to control access to, or presence or movement in, such areas.
- (c) Use, allow to be used, or cause to be used, any airport-issued or airport-approved access medium or identification medium that authorizes the access, presence, or movement of persons or vehicles in secured areas in any other manner than that for which it was used by the appropriate authority.

F. “On Airport Driver’s Safety and Training Guide for the DeKalb Peachtree Airport”.

Any person given access to the Airport shall be required to read and acknowledge having read and understood the current edition of the above document provided by the Airport, to qualify for access to the Airport. A copy of the signature page acknowledgement will be kept in the Lessee’s Lease file.

G. Airport Safety and Security.

In the interest of Airport safety and security, in the event Lessee fails to abide by this Section 31 of this Lease Agreement and provided Lessee is given five (5) days written notice of

the violation with a ten (10) day period to cure, the Chief Executive Officer (CEO) of DeKalb County and his/her designee, is authorized by the County's Governing Authority, at the CEO's sole discretion, to immediately declare this Lease void, to cancel the same without any legal proceeding and to reenter and take possession of the Leased Property.

SECTION 32. PUBLIC USE AND FEDERAL GRANTS:

A. Grant Agreements. The Leased Property and the Airport are subject to the terms of those certain sponsors' assurances made to guarantee the public use of the Airport as incidental to grant agreements between Lessor and the United States of America, as amended ("Sponsor's Assurance Agreement"), and Lessor represents that none of the provisions of this Lease Agreement violate any of the provisions of the Sponsor's Assurance Agreement.

B. Non-Exclusive Rights. Nothing contained in this Lease Agreement shall be construed to grant or authorize the granting of an exclusive right within the meaning of 49 USC Section 40103(e) (formerly, Section 308 of the Federal Aviation Act of 1958).

C. Right to Develop Airport. Lessor reserves the right to further develop or improve the Airport and all roadways, parking areas, terminal facilities, landing areas, and taxiways as it may see fit, regardless of the desires or views of the Lessee.

D. Subordination of Lease. This Lease Agreement shall be subordinate to the provisions of any existing or future agreement between Lessor and the United States of America, its Boards, Agencies, or Commissions relative to the operation or maintenance of the Airport.

E. Right to Amend. In the event that the Federal Aviation Administration or its successors shall require any modifications or changes in this Lease Agreement as a condition precedent to the granting of funds for the improvement of the Airport, Lessee hereby consents to such amendments, modifications, revisions, supplements, or deletions of any of the terms, conditions or requirements of this Lease Agreement as may reasonably be required to obtain such funds; provided, however, that in no event will Lessee be required, pursuant to this paragraph, to accept an increase in fees or rent provided for hereunder or accept a change in the use of, accept a reduction in the size of the Leased Property, or to accept any change which would adversely affect the rights of any mortgagee, beneficiary, payee or trustee registered with Lessor as provided in Section 23, Lessee's Encumbrances.

SECTION 33. BONDS:

Lessee shall be required to furnish to Lessor:

(a) Prior to the commencement of any construction or alteration upon the Leased Property, a surety bond, satisfactory to Lessor, in a sum not less than 100% of the estimated cost of construction, guaranteeing the faithful performance and the completion of such construction, all in accordance with final plans and detailed specifications to be approved in advance by Lessor. Said bond shall guarantee Lessor against any losses and liability, damages and expenses (including attorney's fees), claims and judgments caused by or resulting from any failure of Lessee or Lessee's contractor to perform fully and faithfully the work in question within the time period herein provided for completion.

(b) Prior to the commencement of any construction work upon the Leased Property, a surety bond, satisfactory to Lessor, with Lessee's contractor or contractors as principal, in the sum equal to not less than 100% of the amount of the contract for the completion of such work guaranteeing the payments of wages for services engaged and of bills contracted for materials supplied and equipment used in the performance of such work, and protecting Lessor from any liability (including attorney's fees), loss or damage arising therefrom.

In the event that Lessee initially furnishes such bonds as required by Section 33(a) and 33(b), above, and thereafter obtains from its contractor or contractors such bonds in like amount which are satisfactory to Lessor, and which provide the same protection, as aforesaid, Lessor, upon application by Lessee and upon naming Lessor as an additional obligee of Lessee's principal and contractor under such bonds, shall release Lessee from and consent to the cancellation of the bond or bonds originally furnished by Lessee under Section 33(a) and 33(b) hereof; it being understood and agreed that nothing herein contained shall prevent Lessee's compliance with the provisions of Section 33(a) and 33(b) hereof by initially obtaining such bonds from its contractor or contractors prior to the commencement of any construction hereunder. Said bonds shall be with good and sufficient surety satisfactory to Lessor.

SECTION 34. CONSENT NOT TO BE UNREASONABLY WITHHELD:

Whenever consent or approval is required hereunder by either party, such consent is not to be unreasonably withheld, nor to be delayed for any unreasonable period of time.

SECTION 35. PREVENTION OF TRESPASS:

Lessee agrees to use Lessee's reasonable efforts to prevent unauthorized persons from gaining access to the Airport restricted areas through the Leased Property.

SECTION 36. SIGNS AND ADVERTISING:

Lessee is granted the right to install identification signs on and about the Leased Property, subject to the Airport's prior written approval with regard to the size, design, text and location of such sign and the approval of applicable local government authority. Those signs currently erected on the property are exempt from this requirement.

SECTION 37. RELATIONSHIP BETWEEN THE PARTIES:

Lessor is neither a joint venture with, nor a partner or associate of the Lessee with respect to any matter provided for in this Lease Agreement. Nothing herein contained shall be construed to create any such relationship between the parties other than that of Lessor and Lessee or to subject Lessor to any obligation of the Lessee whatsoever.

SECTION 38. TIME OF THE ESSENCE:

Time is of the essence in this Lease Agreement.

SECTION 39. LEASE MADE IN GEORGIA:

This Lease Agreement has been made in and shall be construed in accordance with the laws of the State of Georgia.

approval by the Lessor, be signed by Lessee and delivered to the Airport Director.

SECTION 46. AIRPORT DIRECTOR:

The Lessor, through an Airport Director shall have the exclusive right and responsibility during the term of this Lease Agreement of managing and operating said Airport for civilian flying adjacent to the Leased Property, including the promulgating of such rules and regulations, including traffic rules, so that said Airport may be operated safely, efficiently and to the further end that all take offs, landings, taxiing and flying in the immediate vicinity of the field shall be performed with maximum safety.

SECTION 47. MAINTENANCE OF RUNWAYS AND TAXIWAYS:

The Lessor will maintain runways and taxiways in useable and safe condition, considering the type and nature of the initial construction, except those portions which may be closed to air traffic during periods of repair or construction, or for any other purpose deemed necessary by the Lessor.

SECTION 48. TRASH AND REFUSE:

A. Removal and Disposal. It is hereby agreed that the quick and efficient removal and disposal of trash, clippings, refuse, garbage and other debris from the Leased Property is essential, and Lessee shall arrange for such removal and disposal of trash, clippings, refuse, garbage and other debris from the Leased Property at Lessee's own expense in accordance with all applicable laws and ordinances.

B. Storage. SECTION 56. STORM WATER COMPLIANCE:

(A) Acknowledgements.

(1) Notwithstanding any other provisions or terms of this Lease Agreement, Lessee acknowledges that the Airport is subject to Federal Storm Water regulations 40 C.F.R. Part 122, for vehicle maintenance (including vehicle rehabilitation, mechanical repairs, painting, fueling and lubrication), equipment cleaning operations and/or deicing operations that occur at the Airport as defined in these regulations and in the Georgia Water

Quality Control Act, O.C.G.A. § 12-5-20 et. seq., as amended. Lessee further acknowledges that it is familiar with these Storm Water regulations; that it may conduct or operate “vehicle maintenance” (including vehicle rehabilitation, mechanical repairs, painting, fueling and lubrication), equipment cleaning operations and/or deicing activities as defined in the Federal and state Storm Water regulations if the Lessee submits a Notice of Intent (NOI) to EPD and participates in Storm Water Pollution Plan (SWPPP) coordination with DeKalb Peachtree Airport; and that it is aware that there are significant penalties for submitting false information, including fines and imprisonment for knowing violations.

(3) Notwithstanding any other provisions or terms of this Lease Agreement, including the Lessee’s right to quiet enjoyment, Lessor and Lessee both acknowledge that close cooperation is necessary to ensure compliance with any Storm Water discharge permit terms and conditions, as well as to ensure safety and to minimize costs. Lessee acknowledges that, as discussed more fully below, it will minimize the pollution potential of storm water by implementing and maintaining the “Best Management Practices” listed in the DeKalb Peachtree Airport Storm Water Pollution Prevention Plan.

(4) Lessee acknowledges that the Airport’s Storm Water discharge permit is incorporated by reference into this Lease and made a part hereof.

(5) Lessee acknowledges that DeKalb County and the Airport will pass all storm water fees as related to the Leased Property to the Lessee.

(B) Permit Compliance.

(1) When industrial activities are being performed by the Lessee, the Lessor will provide Lessee with written notice of those Storm Water discharge permit requirements, that are in the Airport’s Storm Water permit, that Lessee will be obligated to perform from time to time, including, but not limited to: certification of non-Storm Water discharges; submission of a NOI to EPD, coordination with Lessor in ensuring SWPPP adequately (to the extent mandated by Federal and state law) and perpetually encompasses all industrial activities conducted by the Lessee at DeKalb Peachtree Airport; implementation of Storm Water pollution prevention or similar plans; implementation of Best Management Practices and maintenance of necessary records. Such written notice shall include applicable deadlines. Lessee, within fifteen (15) days of receipt of such written notice, shall notify Lessor

in writing if it disputes any of the Storm Water discharge permit requirements it is being directed to undertake. If Lessee does not provide such timely notice, it is deemed assent to undertake such requirements. If Lessee provides Lessor with timely written notice that it disputes such Storm Water discharge permit requirements, Lessor and Lessee agree to negotiate a prompt resolution of their differences. Lessee warrants that it will not object to written notice from the Lessor for purposes of delay or avoiding compliance.

(2) Lessee agrees to undertake, at its sole expense unless otherwise agreed to in writing between Lessor and Lessee, those Storm Water discharge permit requirements for which it has received written notice from the Lessor. Lessee warrants that it shall meet any and all deadlines that may be imposed on or agreed to by Lessor and Lessee.

(3) Lessor agrees to provide Lessee, at its request, with any non-privileged information collected and submitted to any governmental entity(ies) pursuant to applicable Storm Water regulations.

(4) Lessee agrees that the terms and conditions of the Airport's Storm Water discharge permit may change from time to time and hereby appoints Lessor as its agent to negotiate with the appropriate governmental entity(ies) any such permit modifications.

(5) Lessor will give Lessee written notice of any breach by Lessee of the Airport's Storm Water discharge permit or the provisions of this section. If such breach is material, and, if of a continuing nature, Lessor may seek to terminate the lease pursuant to the terms of this Lease Agreement. Lessee agrees to cure promptly any breach.

(6) Lessee agrees to participate on the Airport's Pollution Prevention Team established to coordinate Storm Water activities at the Airport.

(C) Indemnification.

(1) Notwithstanding any other provisions of this Lease, Lessee agrees to indemnify and hold harmless Lessor for any and all claims, demands, costs (including attorneys fees), fees, fines, penalties, charges and demands by and liability directly or indirectly arising from Lessee's actions or omissions, including failure to comply with Lessee's obligations under this Section, the applicable Storm Water regulations, and Storm Water discharge permit, unless the result of Lessor's sole negligence. This indemnification shall survive any terminations

or non-renewal of this Lease.

(D) Definitions.

(1) **Storm Water** means: storm water runoff, snow melt runoff, and surface runoff and drainage.

(2) **Storm Water discharge associated with industrial activity** means the discharge from any conveyance which is used for collecting and conveying stormwater and that is directly related to manufacturing, processing or raw materials storage areas at an industrial plant. The term does not include discharges from facilities or activities excluded from the NPDES program. For the categories of industries identified in Appendix D of the 2017 Industrial General Permit, the term includes, but is not limited to, stormwater discharges from industrial plant yards; immediate access roads and rail lines used or traveled by carriers of raw materials, manufactured products, waste material, or by-products used or created by the facility; material handling sites; refuse sites; sites used for the application or disposal of process waste waters (as defined at 40 CFR 401); sites used for the storage and maintenance of material handling equipment; sites used for residual treatment, storage, or disposal; shipping and receiving areas; manufacturing buildings; storage areas (including tank farms) for raw materials, and intermediate and finished products; and areas where industrial activity has taken place in the past and significant materials remain and are exposed to stormwater. For the purposes of this paragraph, material handling activities include the storage, loading and unloading, transportation, or conveyance of any raw material, intermediate product, finished product, by-product or waste product. The term excludes areas located on plant lands separate from the plant's industrial activities, such as office buildings and accompanying parking lots as long as the drainage from the excluded areas is not mixed with stormwater drained from the above described areas. Industrial facilities (including industrial facilities that are Federally, State or municipally owned or operated that meet the description of the facilities listed in Appendix D of 2017 Industrial General Permit) include those facilities designated under 40 CFR 122.26(b)(14)(i)-(ix) and (xi). See Appendix D of 2017 Industrial General Permit for categories of facilities considered to be engaging in "industrial activity" for purposes of this permit.

(3) **Significant Materials** means: raw materials; fuels; materials such as solvents, detergents and plastic pellets; finished materials such as metallic products, raw

materials used in food processing or production; hazardous substances designated under § 9601(14) of CERCLA (42 U.S. Code § 9601 et. seq.); any chemical the facility is required to report pursuant to Section 313 of Title III of the federal Superfund Amendments and Reauthorization Act of 1986 (SARA); fertilizers; pesticides; and waste products such as ashes, slag and sludge that have a potential to be released with Storm Water discharges.

(4) **Best Management Practices (BMP)** means: schedules of

activities, prohibitions of practices, maintenance procedures, and other management practices to prevent or reduce the pollution of waters of the State of Georgia. BMPs also include treatment requirements, operating procedures, and practices to control facility site runoff, spillage or leaks, sludge or waste disposal, or drainage from raw material storage.

SECTION 57. NO CLAIMS ON AIRCRAFT:

Notwithstanding Section 12, Liability; Section 23, Lessee's Encumbrances; Section 29, Sale, Assignment, Transfer and Subletting; and Section 55, Environmental Laws, hereof, and any other provisions of this Lease Agreement granting to Lessor rights to take, proceed against, or file liens on Lessee, Lessor shall not have any rights in, or any rights to take, proceed against or file liens upon any aircraft, personal property, or vehicles of Lessee located at any time on the Leased Property.

SECTION 58. EXCLUSIVE USE AREA:

A. Designation. The entire Leased Property as identified and defined is further designated as an "Exclusive Use Area" for use by the Lessee. As such, this designation provides that, in the event the Airport is assessed a fine or penalty by the FAA for breach of security regulations or a movement area incursion as a result of the acts or omissions of the Lessee or any of its assigns, officers, agents, representatives, contractors, or invitees, the Lessee shall be required to reimburse the County promptly the full amount of any such fine or penalty paid by the County. In any proceeding by the FAA to investigate and assess such a fine or penalty involving the acts or omissions of the Lessee, the County shall provide the Lessee with reasonable notice of such proceedings and an opportunity to participate in any written submissions or hearings in connection with such proceedings.

B. Access to Non-Movement Area Only. Under this Lease Agreement, vehicular access is granted onto the Leased Property only, and to no other areas on the Airport. Vehicular access to any movement area, i.e., runway or taxiway, whether active or inactive, through the Leased Property area is not granted by virtue of this Lease Agreement, regardless of the circumstances, except for those towing (tug) operations for which the Lessee's employee(s) are completely and fully trained and are properly equipped with a communication radio and other equipment for coordinating access to and movement on any airport movement area (taxiway and/or runway, whether closed or open) with the PDK FAA Airport Traffic Control Tower (ATCT). Lessee accepts full and total responsibility for all such actions, and any fines or actions taken against the Lessee and/or Lessee's employee(s) under any and all circumstances.

C. Gate Combination and/or Access Code. The Lessee is totally responsible for the dissemination of the gate combination and/or access code and/or access card to any and all others. Any person given permanent access to the Leased Property by the Lessee shall read and be required to sign acknowledgement of having read and understood the current edition of the DeKalb Peachtree Airport (PDK) On Airport Driver's Safety and Training Guide for the DeKalb Peachtree Airport to qualify for "unescorted access" to the Leased Property. A copy of the signature page acknowledgement will be kept in the Lessee's Lease Agreement file. Any person granted temporary access to the Leased Property area shall be "escorted" at all times by the Lessee or by such person that has previously acknowledged having read and understood the above Airport training publication, and has been granted unescorted access. The access code and/or gate and/or access card combination will only be given to Airport Staff. Additionally, the access code and/or gate and/or access card combination will be provided such media and/or information to Airport Staff so that such information and/or material can be relayed to the DeKalb County Fire & Rescue Service for emergency access only.

SECTION 59. SEVERABILITY:

In the event any provision of this Lease Agreement is held to be unenforceable for any reason, the remainder of the Lease Agreement shall be in full force and effect and enforceable in accordance with its terms.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed in four (4) counterparts, each to be considered as an original by their authorized representatives this _____ day of _____, 20__.

OWNERSHIP HISTORY

The subject leasehold is governed by a Lease Agreement with DeKalb County, which is disregarded in this analysis. The purpose of the assignment is to estimate Market Rent in conjunction with a new lease agreement.

DEFINITION OF MARKET RENT

The primary value estimate herein conforms with the definition of "Market Rent" per **The Dictionary of Real Estate Appraisal** (Fifth Edition, page 121-122), specifically defined as "The most probable rent that a property should bring in a competitive and open market under all conditions requisite to a fair lease transaction, the lessee and lessor each acting prudently and knowledgeably, and assuming the rent is not affected by undue stimulus. Implicit in this definition is the execution of a lease as of a specified date under conditions whereby:

- Lessee and lessor are typically motivated;
- Both parties are well informed or well advised, and acting in what they consider their best interests;
- Payment is made in terms of cash or in terms of financial arrangements comparable thereto; and
- The rent reflects specified terms and conditions, such as permitted uses, use restrictions, expense obligations, duration, concessions, rental adjustments and revaluations, renewal and purchase options, and tenant improvements (TIs)."

NEIGHBORHOOD/COMMUNITY ANALYSIS

Given the scope of this analysis, a detailed area assessment has been omitted herein. However, the following is a brief overview of the area.

The DeKalb-Peachtree Airport is located within the boundaries of DeKalb County in the State of Georgia. DeKalb County is Georgia's third largest county relative to population with 762,820 residents according to the 2022 census data. DeKalb County is bordered to the west by Fulton County and contains roughly 10% of the City of Atlanta. (The other 90% lies in Fulton County).

The County is included in the five-county core of the Atlanta-Sandy Springs-Marietta, Georgia, metropolitan statistical area (MSA). It is recognized as one of the most diverse counties in Georgia, and is the home to Emory University, the Centers for Disease Control (CDC), Philips Consumer Electronics, and numerous other large businesses and industries. The County's labor base is extremely diverse, and the transportation options offered by ground, air, and rail are highly desirable and contribute to economic growth.

In summary, the diversity of DeKalb County and the entire Atlanta MSA bodes extremely well for the Airport. Its businesses and tenants, and the community it serves. However, as with other parts of the country, the current economy is having a negative impact on the short-term growth and stability of the local community and Airport. Fortunately, it appears that the long-term prospectus is positive.

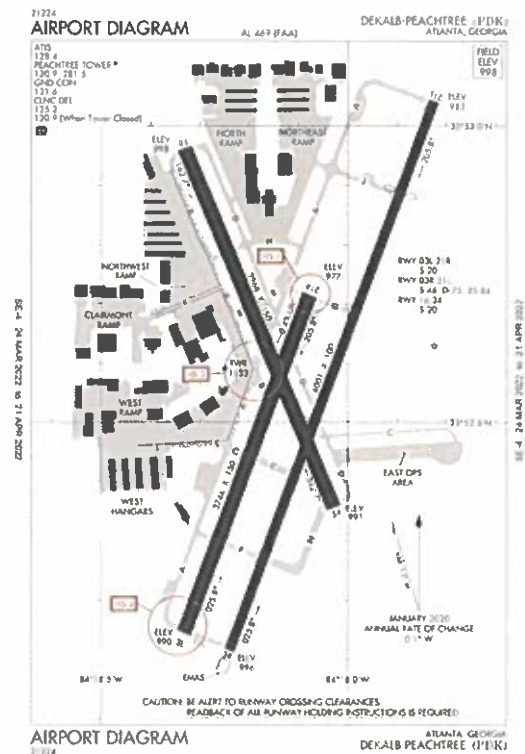

DEKALB-PEACHTREE AIRPORT

DeKalb-Peachtree Airport (FAA Identifier PDK) encompasses 700+ acres and is one of the busiest general aviation airports in the country. The high number of corporate operations is primarily due to its proximity to the City of Atlanta, which lies only 8 miles to the southwest. The Airport is owned and operated by DeKalb County and is home to three fixed base operators (FBOs), Signature Flight Support, Atlantic Aviation, and Aero Center Epps Atlanta. In addition, PDK offers several specialized aviation businesses and private hangars. DeKalb-Peachtree Airport is a designated reliever airport for the Hartsfield-Jackson Atlanta International Airport by the Federal Aviation Administration.

The Airport lies at an elevation of 1,003 feet and contains four active runways and one helipad. Runway 2R/20L is 6,001 feet in length and 100 feet wide with a concrete grooved surface in good condition. Weight bearing capacity is 46,000 pounds single wheel and 75,000 pounds dual wheel. This runway has high intensity runway edge lights, a 4-box VASI on 2R, and a 2-light PAPI, medium

intensity approach lighting, and instrument landing system (ILS) on Runway 20L. Runway 16/34 is 3,967 feet long and 150 feet wide with an asphalt surface, medium intensity runway edge lights, and 4-box VASIs on each end. Runway 2L/20R is 3,746 feet in length by 150 feet wide and is also an asphalt surface runway with medium intensity runway edge lights and 2-light PAPIs on each end. Runway 9/27 is 3,383 feet long and 150 feet wide with high intensity runway lights and VASIs on each runway end.

PDK ANNUAL OPERATIONS	
YEAR	OPERATIONS
2010	160,948
2011	155,189
2012	144,912
2013	144,555
2014	140,548
2015	138,251
2016	158,441
2017	159,066
2018	151,132
2019	161,367
2020	138,420
2021	158,014
2022	176,895
2023	188,509

The airfield is served by several active taxiways which are strategically designed to maximize safety and access to all areas. Based upon available statistics from DeKalb County through the end of 2023, the Airport offers approximately 335 based fixed wing aircraft and helicopters. With regards to operations, 2023 reflected the greatest number of operations over the past 14-year period at PDK, an approximate 6.6% increase over 2022.

In summary, the DeKalb-Peachtree Airport is one of 278 reliever airports in the United States and offers all of the amenities necessary for general aviation activities. The Airport is poised for growth consistent with trends in both the local economy and national general aviation environment.

SITE AND IMPROVEMENT DESCRIPTION

The Maintenance Group, LLC dba Elliott Aviation of Atlanta, LLC office/hangar development is located at 1961 Sixth Street at the DeKalb Peachtree Airport. The development is comprised of 1.708 acres (74,400 square feet) on the west side of the DeKalb Peachtree Airport (FAA Identifier PDK) on the south side of Sixth Street just east of Clairmont Road.

The site is level to the grade of the ramp, falling from north to south to Sixth Street, and is improved with a 31,829 square foot metal office/hangar. The facility includes a 13,271 square foot hangar to the west and 12,258 square foot hangar to the east, connected by a two-story office/administrative/shop area. The two open bay hangars offer concrete floors without floor drains, insulated metal walls and ceilings, high intensity LED lighting, Big Ass fans, and suspended gas tube heaters. Door height on the hangars is approximately 26 feet, with the interior of the hangar being about 28 feet high. The hangars do not offer sprinklers. Hangar doors are insulated track-style with openers. Quality and condition is rated good.

The connecting two-story office/administrative/shop areas area contains a total area of 5,400 square feet (2,700 square feet per floor) separated by a concrete block demising wall. Access between the levels is via stairways. These areas reflect average to good quality finish and include a lobby on each floor, conference rooms, several private offices, a kitchen, storage rooms, and restrooms. General finish reflects carpeting, wood or tile floors, painted drywall or concrete block walls, exposed bar-joist or acoustical tile ceilings with recessed fluorescent or incandescent lighting and central heating and cooling. In addition, there is a 900 square foot shop/storage area on the lower level at the lower parking lot. Overall condition is rated average to good.

The building was originally constructed in 2007 and the current utilization of the facility is for aircraft maintenance and associated administrative areas. In addition, the development includes a 30,200 square foot asphalt aircraft ramp/apron on the south side of the building, asphalt paved vehicle parking on the north and east sides of the hangar, and miscellaneous site improvements such as landscaping and perimeter security fencing.

MARKET RENT ANALYSIS

The focus of a Market Rent Analysis is the derivation of a market rental rate for pertinent land and facilities. Given the current use of the property for aircraft maintenance and associated administrative areas, rents are based upon an assessment of rental rates of comparable office/hangar leaseholds utilized for commercial aeronautical services such as an aircraft maintenance facility. All data and comparisons are derived from similar airports throughout the region, as well as on a national basis, with special attention to airports offering similar locational, physical, and operational characteristics to the DeKalb Peachtree Airport (PDK) where available. Detailed comparable data and analyses have been retained in the consultant's files and will be made available upon request. On the following page is a summary of surveyed information, and a brief synopsis of the consultant's conclusions based upon the available data, consideration of the physical and locational characteristics of the subject property, and the infrastructure and amenities offered at PDK. The focus of this analysis is predicated upon the prospective use as a commercial aeronautical business such as an aircraft maintenance facility. For this analysis, the development will be broken down between the underlying land and improvements as separate components. The following is a summary of data utilized for the assessment of the facility as a commercial aeronautical business development.

All comparable lease data utilized in this analysis reflects information on facilities *leased directly from the ownership entity of their airport*. Subleases have been disregarded, to include leases from an FBO, in that they typically reflect additional considerations in the form of profit to the sublessor, as well as often including ancillary services such as discount fueling, etc.

The consultant evaluated both Atlanta area airports and major reliever airports throughout the country to assess the appropriate ground lease rate for aeronautical land at PDK. Based upon the foregoing, a ground lease rate of \$0.60 per square foot per annum is deemed appropriate on a triple net lease basis.

With regard to the improvements, the following is a summary of data relevant to commercial aeronautical hangar facilities in the region that are deemed appropriate for comparison.

STORAGE & MAINTENANCE OFFICE/HANGAR COMPARABLES	
Airport	Office/Hangar Rent (Per S.F. Per Year)
Fayetteville Regional (FAY)	\$3.00 - \$4.50
Newport News-Williamsburg International (PHF)	\$3.00 - \$5.15
Lunken Field (LUK)	\$3.00 - \$7.00

Northeast Florida Regional (SGJ)	\$3.84 - \$4.40
Allegheny County (AGC)	\$4.20
Lakeland Linder Regional (LAL)	\$4.25 - \$6.00
Bluegrass Airport (LEX)	\$4.67
Charlotte Executive (EQY)	\$5.00 - \$8.00
McKinney National (TKI)	\$5.50
Orlando Executive (ORL)	\$5.50

The consultant's survey of commercial aeronautical hangars in the region reflects a wide range from \$3.00 to \$8.00 per square foot per annum. The focus was on lease data at other reliever airports, although some commercial service airports are included given the comparability of the facilities to the subject.

It is the consultant's opinion that there is sufficient data to derive a reasonable conclusion of market rent for the subject facility. The selection of a current market-based rental rate is based upon the information contained herein, with consideration to the excellent utility of the facility with two large hangars, overall current condition, and the location and amenities of PDK as compared to the airports surveyed herein. Given the foregoing, it is our opinion that a current annual "as-is" rental rate of \$6.50 per square foot of building area is appropriate for The Maintenance Group, LLC dba Elliott Aviation of Atlanta, LLC structure at 1961 Sixth Street in the current market as an aircraft maintenance hangar project. The following is a summary of the concluded rent for the subject facility as an aircraft maintenance facility.

THE MAINTENANCE GROUP, LLC DBA ELLIOTT AVIATION OF ATLANTA, LLC OFFICE/HANGAR DEVELOPMENT			
Component	Land/Building Area (Sq. Ft.)	Rent Per Square Foot	Annual Rent
Land	74,400	\$0.60	\$44,640
Building	31,829	\$6.50	\$206,889
TOTAL ANNUAL RENT			\$251,529

As previously noted, the selected rental rates herein represent “net” rents with the tenant responsible for utilities, insurance, taxes, and all repairs and maintenance. Net rents also provide for a tenant’s responsibility for ongoing repairs and maintenance, as well as any capital improvements specifically required by the Lessor.

RECONCILIATION AND FINAL RENT ESTIMATE

As discussed herein, the analysis requested by the Client is predicated upon an “as-is” condition predicated upon use of the facility.
