Project Amount This Term: \$232,880.94

Justification:

It is recommended that Atlantic & Southern Equipment be approved as the vendor for this tractor with boom mower attachment, as to they have been awarded the bid through State of Georgia Contract #9999-001-SPD0000177-0016. Since it's already gone through the bidding process, buying off State of Georgia Contract Award is more economical.

The Airport Department needs this equipment (tractor/boom mower) with its long reach arm, to mow large areas around retention ponds, ditches, steep banks, and maintain them, at the DeKalb County Airport.
