**Contract Award Amount:** \$392,979.60

**Justification**

Innovation & Technology would like to utilize OMNIA contract R200803 to upgrade to Efficient IP, a system that supports core network services by tracking IP addresses for every device on the network and ensuring they can communicate effectively. The system provides the following key functions to the County.

Directs network traffic so computers can find websites and other devices  
Automatically assigns IP addresses to devices when they connect  
Maintains a complete inventory of all IP addresses in use across the network

Request is funded through the DoIT maintenance and repair (522201), general fund (100).

If additional information is required, please contact Tiffany Davis at 404.276.4337.
