This pricing example is provided for evaluation purposes. This quote is intended to further our discussions, it is not eligible for acceptance by you and is not a part of a binding contract between us for the products and/or services specified. User minimums and licensing rules may apply to the products specified. If you would like to purchase the products and/or services specified in this draft quotation, please ask Oracle to issue you a formal Quote (which may include an Oracle agreement if you do not already have an agreement with Oracle) for your acceptance and execution and return to Oracle. Your order will be effective only upon Oracle's acceptance of the formal Quote (and the Oracle agreement, if required).
