*The Capital & Grants Division of Finance will only monitor from a compliance and financial perspective; it is imperative that your department should provide copies of financial, programmatic, reimbursement reports (drawdowns), and grant agreements for the above-mentioned award to Shona Rollins.*

*Please note that Capital & Grants must approve all grant-related requisitions and payments that require a POETA before being processed by the Accounting Division. In order to ensure compliance and maintain accounting procedures, please include Shona Rollins in the approval hierarchy for all purchases and the Department Head as the final approver. Note: Attach supporting documentation, i.e., invoices, to the requisition before submitting for approval.*
