

User Department's Recommendation SUBJECT: SWC No. 99999-SPD-SPD0000155-0001 -
SWC for 2026 Intl Truck with Telescopic Terex Hi Ranger & Line Body

Recommended Bidder: Rush truck Center meets our approval.

Funding: Vehicle replacement Fund

General Enterprise 3 Digit Fund Code #622
CIP Line Item No. (if applicable): _____

Disbarment and Suspension checks completed-Yes

Project Amount This Term: \$910,833.00

Justification:

It is recommended that Rush Truck Center of Atlanta be approved as the vendor for this Truck Chassis with Bucket Lift, as to they have been awarded the bid through State of Georgia Contract #9999-SPD-SPD0000155-0001. Since it's already gone through the bidding process, buying off State of Georgia Contract Award is more economical.

The Signals & Traffic Engineering Department needs this equipment (Bucket Truck) to install and maintain traffic signals, ensuring safe access to high poles for maintenance, and performing pole work throughout DeKalb County. Bucket trucks are a key component in traffic engineering, contributing to the safety and functionality of traffic signals and infrastructure.
