NOTE: The User Dept. required the Pre-Bid and Site visit be mandatory. The bid opening date was extended to ensure the 5 bid minimum. Five (5) bids were expected due to the Mandatory LSBE meetings attendance and mandatory site visit attendance. The two vendors that met both mandatory meeting requirements and did not bid offered the following reasons. 1. Court Makers – They did not have time to actually “chase” down a LSBE due to their work volume. 2. Andy Meeks Tennis Courts – Stated they did not have enough work to give to the LSBE.
