THIS AGREEMENT, entered into as of the **1st day of October 2025**, by and between DEKALB COUNTY BOARD OF COMMISSIONERS on behalf of DeKalb County, Georgia (hereinafter referred to as the “Subgrantee”) and ATLANTA REGIONAL COMMISSION (hereinafter referred to as “ARC”).

WITNESSETH THAT:

WHEREAS, ARC desires to engage Subgrantee to render certain services hereinafter described in connection with an undertaking or project (hereinafter referred to as the “Project”) which is to be wholly or partially financed by a grant from the United States Department of Transportation (“USDOT”) and the Georgia Department of Human Services (“GDHS”) (hereinafter, along with the appropriate auditing agency of the entities making such grant, referred to as the “Funding Agencies”); and

WHEREAS, Subgrantee desires to render such services in connection with the Project.

NOW THEREFORE, in consideration of the promises and the mutual covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. Engagement of Subgrantee. ARC hereby agrees to engage Subgrantee and Subgrantee hereby agrees to perform the services hereinafter set forth in accordance with the terms and conditions herein.
2. Independent Contractors. No provision of this Agreement, nor act of Subgrantee or act of ARC in the performance of this Agreement shall be construed as constituting the Subgrantee as an agent, servant, or employee of ARC. Neither party to this Agreement shall have any authority to bind the other in any respect, it being intended that each shall remain an independent contractor.
3. Scope of Services. Subgrantee shall do, perform, and carry out in a satisfactory and proper manner, as determined by ARC, the work and services described in Attachment A, which is attached hereto and made a part hereof. Such services shall be provided within and respecting any or all of the Atlanta Region (Cherokee, Clayton, Cobb, DeKalb, Douglas, Fayette, Fulton, Gwinnett, Henry, and Rockdale Counties), as further specified in Attachment A hereto.
4. Time of Performance. The effective date of this Agreement is **October 1, 2025**. Work and services shall be undertaken and pursued in such sequence as to assure their expeditious completion and as may be required in Attachment A. All work and services required hereunder shall be completed on or before **September 30, 2026**. Due dates in this Agreement are based on calendar days. If any due date falls on Saturday, Sunday, or ARC holiday, then the due date shall be the next ARC business day. This Agreement shall be bound by the terms dictated in the Notice of Funding Availability.
5. Compensation and Method of Payment. Subgrantee shall be compensated for the work and services to be performed under this Agreement as set forth in Attachment B, attached hereto and made a part hereof. 6. Formal Communication. Formal communications regarding this Agreement shall include, but not necessarily be limited to correspondence, program performance reports and fiscal reports. All formal communication regarding this Agreement shall be in writing between the person executing this Agreement on behalf of Subgrantee (executor) and ARC’s Executive Director. However, Subgrantee’s executor and ARC’s Executive Director shall each have the right to designate, in writing to the other, an agent to act on his or her behalf regarding this Agreement. Any restrictions to such designation must be clearly defined in the written designation.
7. ARC’s Designated Agent. According to Paragraph 6 above, ARC’s Executive Director hereby designates the Chief Operating Officer as her agent for purposes of this Agreement only, except for amendments and terminations regarding this Agreement.

8. Approval of Subcontracts. None of the work or services to be performed under this Agreement by Subgrantee shall be subcontracted without the prior written of ARC's Executive Director or her authorized agent. If such approval is requested, all subcontract documents shall be submitted to ARC's Executive Director or her authorized agent for review and approval prior to the execution of such subcontract. Further, if requested by ARC's Executive Director or her authorized agent, Subgrantee shall provide ARC with such documentation as requested and required regarding the method Subgrantee used in selecting the subcontractor. Subgrantee acknowledges that if work or services performed pursuant to this Agreement is financed solely or partially with federal funds, the selection of subcontractors is governed by regulations requiring competition between potential subcontractors or adequate justification for sole source selection. Subgrantee agrees to abide by such regulations in its selection process.
9. Prompt Payment and Retainage. Subgrantee agrees to pay each subcontractor under this Agreement, for satisfactory performance of its contract, no later than thirty (30) days from the receipt of each payment Subgrantee receives from ARC. Subgrantee further agrees to return retainage payments to each subcontractor within thirty (30) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of ARC. This clause applies to both Disadvantaged Business Enterprises ("DBE") and non-DBE subcontracts.

Any subgrantee found to be not in compliance with this Paragraph 9 will be considered in breach of contract and any further payments will be withheld until corrective action is taken. If subgrantee does not take corrective action, subgrantee may be subject to contract termination.

10. Subgrantee's Personnel. Subgrantee represents that it has, or will secure at its own expense, adequate personnel required to perform the services under this Agreement. Such personnel shall not be employees of ARC, nor shall such personnel have been employees of ARC during any time within the previous twelve (12) months, except with the express prior written consent of ARC. Further, Subgrantee agrees that no such former ARC employees shall be involved in any way with the performance of this Agreement without the express prior written approval of ARC.
11. Rate of Employee Compensation. The rate of compensation for work performed under this Agreement by a staff member or employee of Subgrantee shall not exceed the compensation of such person that is applicable to his or her other work activities for Subgrantee. Charges for salaries and wages of individuals shall be supported by time and attendance and payroll distribution records.
12. Interest of Subgrantee. Subgrantee covenants that neither Subgrantee, nor anyone controlled by Subgrantee, controlling Subgrantee, or under common control with Subgrantee, nor its agents, employees or subcontractors, presently has an interest, nor shall acquire an interest, direct or indirect, which would conflict in any manner or degree with the performance of its service hereunder, or which would prevent, or tend to prevent, the satisfactory performance of Subgrantee's service hereunder in an impartial and unbiased manner. Subgrantee further covenants that in the performance of this Agreement no person having any such interest shall be employed by Subgrantee as an agent, subcontractor or otherwise. If Subgrantee contemplates taking some action which may constitute a violation of this Paragraph 12, Subgrantee shall request in writing the advice of ARC, and if ARC notifies Subgrantee in writing that Subgrantee's contemplated action will not constitute a violation hereof, then Subgrantee shall be authorized to take such action without being in violation of this Paragraph 12.
13. Interest of Members of ARC and Others. No officer, member or employee of ARC, and no public official of any local government which is affected in any way by the Project, who exercises any function or responsibilities in the review or approval of the Project or any component part thereof, shall participate in any decision relating to this Agreement which affects his or her personal interests or the interest of any corporation, partnership or association in which he or she is directly, or indirectly, interested; nor shall any such officer, member or employee of ARC, or public official of any local government affected by the Project, have an interest, direct or indirect, in this Agreement or the proceeds arising therefrom.

15. Assignability. Subgrantee shall not assign, sublet, or transfer all or any portion of its interest in this Agreement without the prior written approval of ARC.
16. Amendments. ARC may require changes to this Agreement. Such changes, including any increase or decrease in the amount of Subgrantee's compensation, shall be incorporated in written amendments to this Agreement. Amendments to this Agreement may be executed on behalf of ARC only by ARC's Executive Director and, if necessary, Chair, per ARC's Bylaws.
17. Insurance. Subgrantee shall have and maintain insurance coverage that complies with the laws of the state of Georgia, as well as reasonable and prudent business practices. Such insurance shall include, at least, Workers' Compensation, Public Officials Liability, and General Liability coverages.
18. Liability and Indemnification. With regard to Subgrantees which are governmental entities, ARC shall not be liable for the acts or omissions of Subgrantee or Subgrantee's agents, servants, employees, or subcontractors which arise from activities pursuant to this Agreement and cause a claim, demand, suit, or other action to be brought by any person, firm, or corporation.

Except for the above-mentioned governmental entities, all other Subgrantees agree to indemnify and hold harmless ARC against any and all liability, loss, damages, costs, or expenses which it may hereafter incur, suffer, or be required to pay by reason of any error or omission, misfeasance, malfeasance, or through the negligent or willful conduct of the Subgrantee or its employees or of any subcontractor of the Subgrantee. The indemnification obligations of this Paragraph 18 shall survive the termination of this Agreement.

If this Agreement includes provisions for transportation services by Subgrantee, then Subgrantee acknowledges that, as part of its due diligence in connection with the transportation program, ARC monitors and reviews inspection and safety reports and maintenance records generated by Subgrantee. Subgrantee acknowledges that in undertaking such activities, ARC assumes no liability or responsibility for the safe conduct of the transportation program, which responsibility is solely that of Subgrantee.

19. Reports. Subgrantee shall furnish ARC with monthly report submissions, verifications, and signature forms, in such form as may be specified by ARC, describing the work accomplished by Subgrantee.
20. Financial Reports. In addition to other records required by this Agreement, Subgrantee agrees to provide to ARC such additional financial reports in such form and frequency as ARC may require in order to meet ARC's requirements for reporting to the Funding Agencies.
21. Program Fraud and False or Fraudulent Statements or Related Acts. Subgrantee acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq. and USDOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, Subgrantee certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the Federal Transit Administration (FTA) assisted project for which this Agreement work is being performed. In addition to other penalties that may be applicable, Subgrantee further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Subgrantee to the extent the Federal Government deems appropriate.

Subgrantee also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Federal Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on Subgrantee, to the extent the Federal Government deems appropriate.

Subgrantee agrees to include the above two clauses in each subcontract financed in whole or in part with federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

22. Review and Coordination. To ensure adequate assessment of Subgrantee's performance and proper coordination among interested parties, ARC shall be kept fully informed concerning the progress of the work and services performed hereunder. Subgrantee may be required to meet with designated representatives of ARC or the Funding Agencies to review such work and services. Reasonable notice of such review meetings shall be given to Subgrantee.
23. Inspections. Authorized representatives of ARC and the Funding Agencies may at all reasonable times review and inspect the Project activities and data collected pursuant to this Agreement. All reports, studies, records, and computations prepared by or for Subgrantee shall be made available to authorized representatives of ARC, the Funding Agencies, and the Comptroller General of the United States or any of their duly authorized representatives for inspection and review at all reasonable times in Subgrantee's office or site where data is normally accumulated. Approval and acceptance of such material shall not relieve Subgrantee of its professional obligation to correct, at its expense, any errors found in the work unless such errors can be shown to be caused by inaccurate or incorrect information provided by ARC. Subgrantee shall be bound by the provisions governing retention and custodial requirements of records of 2 CFR 200.334 or 45 CFR 75, or 45 CFR 92, as appropriate, and by GDHS's required five (5) year record retention from submission of final expenditure reports. If any litigation, claim, or audit is started before the expiration of the five (5) year period, records shall be retained until such litigation, claim or audit is resolved. Subgrantee shall include the provisions of this Paragraph 23 in any subcontract executed in connection with this Project.
24. Maintenance of Costs Records. Subgrantee maintains all books, documents, papers, accounting records and other evidence pertaining to costs incurred on the Project and shall make such material available at all reasonable times during the period of this Agreement, and for three (3) years from the date of final payment under this Agreement, for inspection by ARC, the Funding Agencies, and if the work and services to be performed under this Agreement is wholly or partially funded with federal funds, the Comptroller General of the United States, or any of their duly authorized representatives. Subgrantee shall include the provisions of this Paragraph 24 in any subcontract executed in connection with this Project.
25. No Obligation by the Federal Government. ARC and Subgrantee acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Agreement and shall not be subject to any obligations or liabilities to ARC, Subgrantee or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

Subgrantee agrees to include the above clause in each subcontract financed in whole or in part with federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontract who will be subject to its provisions.

26. Rights in Documents, Materials and Data Produced. Subgrantee agrees that all reports, studies, records, and other data prepared pursuant to the terms of this Agreement shall be the property of ARC upon termination or completion of the work. ARC and the Funding Agencies shall have the right to use the same without restriction or limitation and without compensation to Subgrantee other than that provided for in this Agreement. For purposes of this Agreement, "data" includes writings, sound recordings, photographs, films, videotapes, or other graphic representations and works of a similar nature. No documents, material or data produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of Subgrantee or its subcontractors. Subgrantee acknowledges that matters regarding the rights to inventions and materials generated by or arising out of this Agreement may be subject to certain regulations issued by the Funding Agencies. Information regarding the applicability of such regulations to a specific situation may be obtained by written request to ARC.
27. Data and Software Licensing. During performance of the work covered by this Agreement, ARC may provide certain data or software products such as aerial photography or commercially available planning data and software,

to Subgrantee that have been obtained from various sources under specific licensing agreements. Subgrantee acknowledges that any data or software that ARC may provide hereunder is provided as a non-exclusive, non-transferable, limited license for Subgrantee or its subcontractors to use the data or software for the work covered by this Agreement only. Subgrantee shall not redistribute, republish or otherwise make this data or software available to any not covered by this Agreement. Subgrantee or any subcontractor(s) shall not use this data or software for any work not covered by this Agreement. Subgrantee further acknowledges that upon completion of the Project covered by this Agreement all data and software provided by ARC, shall be returned to ARC and all copies of the data or software residing on Subgrantee's or its subcontractor's computer systems shall be removed.

28. Publication and Publicity. Articles, papers, bulletins, presentations, reports, or other material reporting the plans, progress, analysis or results and findings of the work conducted under this Agreement shall not be presented to the governing authority of Subgrantee, or a committee thereof, for official action by such body without first submitting the same to ARC for review and comment. No such presentation shall be made until comments have been received from ARC regarding such review; provided, however, if such comments have not been received by Subgrantee within thirty (30) calendar days after such submission, it shall be presumed that ARC has no objection thereto. ARC's comments, objections, reservations, or disagreements regarding such material, shall accompany the material presented in such form as ARC shall specify.
29. Identification of Documents. All reports, surveys, and other documents completed under this Agreement shall bear on the title page of such report, survey or document, the following legend: "Prepared by (insert name of Subgrantee) under contract with the Atlanta Regional Commission. The preparation of this (insert either "report or document," as appropriate) was financed in part by funds provided by the United States Government through the Georgia Department of Human Services.", along with the date (month and year) in which the document was prepared.
30. Compliance with Requirements of the Funding Agencies. Subgrantee shall be bound by the applicable terms and condition of the grant contract between ARC and the Funding Agencies which said grant contract is on file in the offices of ARC and is hereby made a part of this Agreement as fully as if the same were attached hereto. ARC will notify Subgrantee in writing of any applicable changes within a reasonable time after ARC has received appropriate notice of such changes from the Funding Agencies.
31. Incorporation of Federal Transit Administration (FTA) Terms. The preceding provisions include, in part, certain Standard Terms and Conditions required by USDOT, whether or not expressly set forth in the preceding Agreement provisions. All contractual provisions required by USDOT, as set forth in FTA Circular 4220.1E, are hereby incorporated by reference. Anything to the contrary herein, notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. Subgrantee shall not perform any act, fail to perform any act, or refuse to comply with any ARC requests which would cause ARC to be in violation of the FTA terms and conditions.
32. Federal Changes. Subgrantee shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the master agreement between ARC and FTA, as they may be amended or promulgated from time to time during the term of this Agreement. Subgrantee's failure to so comply shall constitute a material breach of this Agreement.

Subgrantee hereby assures and certifies that it will comply with the appropriate regulations, policies, guidelines and requirements (as applicable), including, but not limited to, 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," 23 CFR 450, "FHA Planning Assistance and Standards," 49 CFR 23, "Participation of Disadvantaged Business Enterprise in Airport Concessions," or 49 CFR 26, "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs," 48 CFR 31, "Contract Cost Principles and Procedures," Executive Order 12372, "Intergovernmental review of Federal programs," or other requirements imposed by ARC or the Funding Agencies concerning requirements of law or Project matters as expressly made applicable by ARC herein, as they relate to the application, acceptance, use and audit of federal funds for this federally assisted Project. 40. Termination for ARC's Convenience. ARC may terminate this Agreement at any time by giving written notice to Subgrantee of such termination and specifying the effective date thereof, at least fifteen (15) days before the effective date of such termination. In that event, all information and material produced or collected under this Agreement and/or used in the performance of the scope of services shall, at the option of ARC, become its property. If this Agreement is terminated by ARC as provided in this Paragraph 40, Subgrantee will be reimbursed for the otherwise allowable actual expenses incurred by Subgrantee up to and including the effective date of such termination, as authorized in Attachment B. Subgrantee shall not incur new obligations for the terminated portion after the effective date and shall cancel as many outstanding obligations as possible. ARC shall evaluate each non-cancelable obligation to determine its eligibility for include in Project costs.

41. Termination for Cause. If through any cause, Subgrantee shall fail to fulfill in a timely and proper manner its obligations under this Agreement, or if Subgrantee has or shall violate any of the covenants, representations or

stipulations of this Agreement, ARC shall thereupon have the right to terminate this Agreement by giving at least five (5) days written notice to Subgrantee of such termination and specifying the effective date thereof. In such an event, all information and materials produced under this Agreement and/or used in the performance of the scope of services shall, at the option of ARC, become its property. Subgrantee shall be entitled to receive just and equitable compensation for allowable costs incurred in the performance of the scope of service up to and including the effective date of termination as authorized in Attachment B. Notwithstanding the foregoing, Subgrantee shall not be relieved of liability to ARC for damages sustained by ARC caused by Subgrantee's breach. 42. Termination Due to Non-Availability of Funds. Notwithstanding any other provision of this Agreement, in the event that any of the funds for carrying out the functions to which this Agreement relates do not become available, then, upon written notice to Subgrantee, this Agreement may be immediately terminated without further obligation of ARC.
43. Suspension Due to Non-Availability of Funds. The Funding Agencies have the right to suspend financial assistance for this Project. Consequently, ARC reserves the same right regarding this Agreement. Such suspension would cause the withholding of further payments and/or prohibiting Subgrantee from incurring additional obligations during the suspension period. However, unless notified in writing to the contrary, such suspension would not invalidate obligations otherwise properly incurred by Subgrantee prior to the date of suspension to the extent that they are non-cancelable.
44. Disputes and Appeals. Any dispute concerning a question of fact arising under this Agreement shall be decided by ARC's Chief Operating Officer who shall promptly reduce such decision to writing and mail or otherwise furnish a copy thereof to Subgrantee.

Subgrantee agrees that the decision of ARC's Chief Operating Officer shall be final and conclusive unless, within ten (10) days of receipt of such copy, Subgrantee mails or otherwise furnishes a written request for appeal concerning the question of fact to ARC's Executive Director, who shall arrange a formal hearing within twenty (20) days after receipt of the appeal request. Both Subgrantee and ARC Chief Operating Officer shall have the right to present witnesses and give evidence concerning the question of fact at such a hearing. Within twenty (20) days after the hearing, the ARC Executive Director shall make her decision concerning the question of fact in writing to Subgrantee and to ARC's Chief Operating Officer.

Pending final decision of an appeal to the ARC Executive Director, Subgrantee shall proceed diligently with the performance of this Agreement and in accordance with the decision of ARC's Chief Operating Officer.

Subgrantee agrees that the decision of the ARC Executive Director concerning the disputed question of fact shall be final and conclusive unless determined by the Funding Agencies, the Comptroller General of the United States, or a court of competent jurisdiction to have been arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with the law.

Subgrantee shall have written procedures through which its subcontractors (fourth party) may dispute and/or appeal a decision made by Subgrantee. Written notice of such procedures shall be provided by Subgrantee to each of its subcontractors.

45. Force Majeure. In no event shall either party be responsible or liable for any failure or delay in the performance of its obligations hereunder upon the occurrence of any circumstance beyond the control of either party, such as acts of God, war, acts of terrorism, government regulations, disaster, strikes, work stoppages, accidents, mandatory quarantines, pandemics, curfews, or other restrictions of movements, or civil disorder, to the extent that such circumstances make it illegal or impossible for either party to fulfill the terms of this Agreement. Any termination or delay in the performance of this Agreement without liability is conditioned upon delivery of written notice to the other party setting forth the basis for such termination as soon as reasonably practical, but in no event longer than ten (10) days, after learning of such basis. It is understood that both parties shall use reasonable efforts which are consistent

with industry standard to fulfill the performance of this Agreement to the extent feasible. Nothing in this Paragraph 45 shall be deemed to relieve Subgrantee from its liability for work performed by any subcontractor.

46. Severability. Any section, subsection, paragraph, term, condition, provision or other part of this Agreement that is judged, held, found, or declared to be voidable, void, invalid, illegal or otherwise not fully enforceable shall not affect any other part of this Agreement, and the remainder of this Agreement shall continue to be of full force and effect.
47. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
48. Applicable Law. This Agreement shall be deemed to have been executed and performed in the State of Georgia and all questions of interpretations and construction shall be construed by the laws of the State of Georgia.
