GBM Instruction	678-668-1775	YES	YES	jg@jammiegray.com	Could not provide the scope of work required.	YES

Summary: The market was very interested in this project, but some did not submit bids due to various reasons, such as one vendor only showed interest as a sub-contractor, and others did not have enough time to complete the solicitation due to competing priorities, or they were unable to provide the scope of work required. All vendors would be interested in the opportunity to bid in the future.
