Justification:

The Department of Police Services relies on the Motorola Radio Equipment, Installation, Maintenance, Repairs, and Removal Services contract for the servicing, repair, and installation of Motorola radio equipment in police vehicles. This contract is critical to ensuring that the County's public safety and operational communications systems remain functional, reliable, and compliant with manufacturer standards. A temporary extension of the existing contract is requested to allow continued support while a new solicitation and scope of work are developed. Extending the term will ensure there is no disruption in essential communication services for Police that rely on Motorola radio systems for emergency and daily operations.

Temporary extension until March 31, 2026.
