IMPORTANT NOTICE

You requested that Convergent provide you with certain security and safety products and services. By using these products and services, you acknowledge that:

- **Under no circumstances should Convergent-provided products and services be your sole method of security or safety.** Effective security and safety require a multi-layered approach involving people, processes, and technologies. Convergent-provided products and services do not guarantee security or safety, will not detect or prevent all threats or risks all the time (including threats they are designed to detect), and will not ensure overall safety and security. You are ultimately responsible for your people, premises, and property, including for maintaining an effective response plan and promptly implementing your response plan in response to alarms or threats.
- **All security products and services have limitations.** No product or service can guarantee safety or security. It is your responsibility to ensure you are informed about product or service limitations and that you regularly test and validate the products and safety plans. Reach out to your Convergent account executive to learn how our support services can help. And if you have a service plan, you are responsible for promptly notifying Convergent in the event of any defect, malfunction, or performance issue with the products and services.
- **Various factors can impact product performance.** Selecting products and settings may involve tradeoffs between the level of security and safety on the one hand and speed, convenience, and cost on the other hand. Convergent can give you guidance, but you are ultimately responsible for selecting products and settings based on your organization's risk profile and tolerance.
- **The products are made by third-party manufacturers, not Convergent.** You are bound by and must use, test, and maintain the products in accordance with the manufacturer's terms and instructions. Convergent does not independently validate the accuracy of claims or statements made by manufacturers, and makes no assurances regarding their accuracy. You are responsible for using the products and services in compliance with laws and regulations applicable to you or as permitted in your jurisdiction.
- **All products and services are governed exclusively by a final agreement.** No advertisement, literature, brochure, website, or statements made during the sale process or otherwise (whether orally or in writing) should be interpreted as a promise, warranty, or other assurance.
- **You have reviewed the "IMPORTANT PRODUCT SAFETY AND SERVICE INFORMATION" documentation, available at convergent.com/terms.**

Title

Throughout this Proposal, including these Terms and Conditions and any attachments, (together, "Agreement") the term "Convergent" refers to the Convergent Technologies affiliate operating in the state/province in which the Work is being performed and "Convergent Related Parties" means Convergent and its contractors, subcontractors, third party product manufacturers or providers.

SECTION 1. THE WORK

This Agreement takes precedence over and supersedes all prior proposals, correspondence, and oral or written agreements or representations relating to the work set forth in the attached scope of work ("Work"). This Work commences on the start date and will be performed pursuant to the schedule specified in the attached scope of work and, subject to any change orders or addendums, represents the entire agreement between Convergent and Customer. This Agreement applies to the exclusion of any other terms that the Customer seeks to impose or incorporate (such as Customer's purchase order form) which are in addition to or inconsistent with the terms and conditions of this Agreement, or which are implied by trade, custom, practice or course of dealing, all of which are deemed expressly rejected and will not be binding.

This Agreement is made without regard to compliance with any special sourcing and/or manufacturing requirements, minority or disadvantaged supplier requirements, or similar government procurement laws. Should such requirements be applicable to this Agreement, Convergent reserves the right to modify and/or withdraw its Agreement.

Customer understands that Convergent is an authorized distributor or reseller and not the manufacturer or developer ("OEM") of software, hardware and equipment (collectively, "Third Party Products") purchased by Customer and certain services are delivered to Customer by such OEM.

Convergent agrees in accordance with the mutually agreed project schedule:

- To submit shop drawings, product data, samples and similar submittals if required in performing the Work;
- To pay for all labor, materials, equipment, tools, supervision, programming, testing, startup and documentation required to perform the Work in accordance with the Agreement;
- Secure and pay for permits and governmental fees, licenses, and inspections necessary for proper execution and completion of the Work, unless local regulations provide otherwise; and
- Hire subcontractors and order material to perform part of the Work, if necessary, while remaining responsible for the completion of the Work.

Customer agrees in accordance with the mutually agreed project schedule, and at no cost to Convergent:

- To promptly approve submittals provided by Convergent;
- To provide access to all areas of the site which are necessary to complete the Work;
- To supply suitable electrical service as required by Convergent;
- To remove site obstacles and job safety hazards;
- To promptly participate and approve acceptance testing, if applicable;
- Upon completion of commissioning or agreed to acceptance criteria, to promptly provide sign-off establishing job closeout; and
- That in the event of any emergency or systems failure, reasonable safety precautions will be taken by Customer to protect life and property during the period from when Convergent is first notified of the emergency or failure and until such time that Convergent notifies the Customer that the systems are operational or that the emergency has cleared.

THE WORK AND/OR THIRD PARTY PRODUCTS ARE DESIGNED TO HELP REDUCE, BUT NOT ELIMINATE RISKS OF LOSS RELATING TO PEOPLE, PREMISES, OR PROPERTY. THE AMOUNTS BEING CHARGED BY CONVERGENT ARE NOT SUFFICIENT TO GUARANTEE THAT LOSS OR DAMAGE WILL DECREASE OR BE ELIMINATED. Customer acknowledges that proper safety and security requires a multi-layered approach of people, processes, safety, and technologies. The Work, including Third Party Products, provided by Convergent is not sufficient to ensure overall safety and security. Customer acknowledges and agrees that it is responsible for its overall safety and security, including testing and maintenance of the Third Party Products (except to the extent contracted to Convergent by written agreement) and training of its personnel. Customer acknowledges and agrees that it has a duty of care and is solely responsible for its compliance with applicable laws, rules, and regulations, including but not limited to export and re-export restrictions and regulations, privacy and data protection regulations, applicable OEM instructions, terms and conditions, EULAs, and proper product usage.

Risk of loss, including any Third Party Product comprising the Work, shall pass to Customer as the Work is completed and the materials are incorporated into the Work at Customer's site subject to any end user license agreements. If or Third Party Products are earlier stored on Customer's site pursuant to agreement between Customer and Convergent, risk of loss with respect to such or Third Party Product shall pass to Customer upon delivery to Customer's site.

Applicable to Monitoring Services Only: If Monitoring Services are identified in the Proposal, the parties agree that (a) these Terms and Conditions are not applicable, and (b) Monitoring Services are governed by the Monitoring Services Terms and Conditions effective on the Effective Date of the Proposal and available at <https://www.convergent.com/terms>, which is incorporated by reference as if set forth herein in full. "Monitoring Services" is defined as "Services" in the Monitoring Services Terms and Conditions.

SECTION 2. PRICING

Pricing and amounts proposed shall remain valid for 30 days unless otherwise specified. Price includes only the Third Party Products listed based on Convergent's interpretation of plans and specifications unless noted otherwise. Additional Third Party Products, unless negotiated prior to order placement, will be billed accordingly. Sales taxes (or as applicable GST, PST, VAT or similar tax) and any other taxes assessed on Customer shall be added to the price upon invoice to Customer.

SECTION 3. INVOICE REMITTANCE AND PAYMENT

Customer agrees to pay Convergent fifty (50%) percent of the total price as a mobilization fee at the time of executing this Agreement.

If the Work is performed over more than one month, Convergent will invoice Customer each month for the Work performed during the previous month. Customer agrees to pay the amount due to Convergent as invoiced, within thirty (30) days of the date of such invoice. If the Work is

completed in less than one month, Customer agrees to pay Convergent in full after the Work has been completed within thirty (30) days of the date of invoice. Invoices shall not be subject to a project retention percentage and payment to Convergent shall not be conditioned on payment by an upstream party. If Customer is overdue in any payment, Convergent shall be entitled to suspend the Work without liability until paid, charge Customer an interest rate 1 and 1/2% percent per month (or the maximum rate permitted by law, whichever is less), and may avail itself of any other legal or equitable remedy. Customer shall reimburse Convergent costs incurred in collecting any amounts that become overdue, including attorney fees, court costs and any other reasonable expenditure.

SECTION 4. WARRANTY

Warranties for Convergent's services and Third Party Products are described in the Limited Warranty for Products and Services available at <https://www.convergent.com/terms>, which is in effect as of the effective date of this Agreement and is incorporated by reference as if set forth herein in full.

SECTION 5. CHANGES

Without invalidating this Agreement or any bond given hereunder, Customer or Convergent may request changes in the Work with a change order signed by both parties. If Customer orders (i) any changes to the Work (e.g. change in objective, deliverables, tasks or hours), (ii) changes to schedule (extension or acceleration), or (iii) causes any material interference with Convergent's performance of the Work, Convergent shall be entitled to an equitable adjustment in the time for performance and in the Price, including a reasonable allowance for overhead and profit.

SECTION 6. FORCE MAJEURE

Neither Customer nor Convergent shall be liable for any delay or failure in the performance of their respective obligations pursuant to this Agreement due to circumstances beyond their reasonable control ("Force Majeure") and without the fault or negligence of the party experiencing such delay. A Force Majeure event shall include, but not be limited to: acts of God, pandemic or epidemic, diseases, quarantines, unavoidable casualties, concealed conditions, acts of any civil or military authority; riot, insurrections, and civil disturbances; war, invasion, act of foreign enemies, hostilities (regardless of whether or not war is declared), rebellion, revolution, terrorist activities; strikes, lockouts or other labor disputes; embargoes, shortage or unavailability of labor, supplies, materials, equipment or systems; accident, fire, storm, water, flooding, negligence of others, vandalism, power failure, installation of incompatible equipment, improper operating procedures, source current fluctuations or lighting, transportation contingencies; laws, statutes, regulations, and other legal requirements, orders or judgments, acts or order of any government or agency or official thereof, other catastrophes or any other similar occurrences. If performance by either party is delayed due to Force Majeure, the time for performance shall be extended for a period of time reasonably necessary to overcome the effect of the delay and Convergent shall be entitled to an equitable adjustment of the Price.

SECTION 7. INSURANCE

In lieu of any Customer insurance requirements, for Services performed in the United States, Convergent shall maintain the following insurance coverages during the term of this Agreement and upon request, shall provide certificates of insurance to the Customer:

Worker's Compensation	Statutory Limits
Employer's Liability	\$1,000,000 per occurrence/aggregate
Commercial General Liability	\$1,000,000 per occurrence
	\$2,000,000 general aggregate
Automobile Liability	\$1,000,000 per occurrence/aggregate
Excess/Umbrella Liability	\$3,000,000 per occurrence/aggregate

Commercial General Liability policy shall name the Customer as "additional insured" on a primary/noncontributory basis with respect to liability arising out of the Services, as applicable, but only to the extent of liabilities falling within the indemnity obligations of Convergent pursuant to the terms of this Agreement. Convergent shall not provide loss runs or copies of its insurance policies. Convergent shall provide to the Customer no less than thirty (30) days' notice prior to the termination or cancellation of any such insurance policy. For services performed in Canada, Convergent shall maintain similar insurance coverage dependent upon the local requirements in Canada and upon the insurance available under Convergent's insurance program. All required insurance coverage shall be reasonable in the circumstances and compliant with local regulations.

SECTION 8. INDEMNIFICATION

To the fullest extent allowed by law, Convergent shall indemnify and hold Customer harmless from and against claims, damages, losses, and expenses (excluding loss of use) attributable to bodily injury, sickness, disease or death, or to destruction of tangible property, but only to the extent caused by the negligent acts or omissions of Convergent or Convergent's employees or subcontractors while on Customer's site.

If Convergent is providing products or services for intrusion detection, detection of specific threats to people or property (including gunshot, or drone detection), mass notification, ballistics or explosives protection, or processing of biometric, health, financial, or government identifier data (collectively, "Special Offerings"), then to the fullest extent allowed by law (i) Convergent's indemnification obligations under the Agreement do not apply whatsoever and Convergent Related Parties have no liability to Customer for any losses or damages caused by any Special Offerings; and (ii) Customer shall indemnify, defend, and hold harmless Convergent Related Parties, from and against all claims, demands, actions, liabilities, damages, and costs (including reasonable attorneys' fees) relating to Special Offerings provided by Convergent, except to the extent of Convergent's gross negligence installing such Special Offerings. Any waiver of damages or limitation of liability contained in the Agreement and as modified herein shall not apply to Customer's indemnification, hold harmless and defense obligations herein.

Applicable to Weapons Detection Only: If Convergent provides Weapons Detection Systems or Services, then such Systems and Services are further governed by the Weapons Detection Addendum effective on the Effective Date of this Proposal and available at <https://www.convergent.com/terms>, which is incorporated by reference as if set forth herein in full. "Weapons Detection Systems or Services" means any "Systems" and/or "Services" as each are defined in the Weapons Detection Addendum.

SECTION 9. LIMITATION OF LIABILITY

EXCEPT AS PROVIDED HEREIN, TO THE FULLEST EXTENT ALLOWED BY LAW: (A) IN NO EVENT SHALL EITHER CONVERGINT RELATED PARTIES, OR CUSTOMER BE LIABLE UNDER OR IN CONNECTION WITH THIS PROPOSAL FOR SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, LIQUIDATED OR CONSEQUENTIAL DAMAGES, INCLUDING COMMERCIAL LOSS, LOSS OF USE OR LOST PROFITS, EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND (B) THE AGGREGATE LIABILITY OF CONVERGINT RELATED PARTIES ARISING OUT OF OR RELATED TO THIS AGREEMENT SHALL NOT EXCEED THE AMOUNTS PAID BY CUSTOMER TO CONVERGINT UNDER THIS AGREEMENT. Convergent in its sole discretion shall determine when it is "safe" to return to perform the Work at Customer's site. To the fullest extent allowed by law, Customer shall indemnify and hold harmless Convergent from and against claims, damages, losses and expenses, including but not limited to, reasonable attorney's fees, arising out of or resulting from undisclosed hazardous materials or unsafe working conditions at Customer's site.

Notices shall be in writing and addressed to the other party, in accordance with the names and addresses of the parties as shown above. All notices shall be effective upon receipt by the party to whom the notice was sent.

In no event will Convergent be obligated to comply with any project labor agreements or other collective bargaining agreements.

A waiver of the terms hereunder by one party to the other party shall not be effective unless in writing and signed by a person with authority to commit the Customer and Convergent. No waiver by Customer or Convergent shall operate as a continuous waiver, unless the written waiver specifically states that it is a continuous waiver of the terms stated in that waiver.
