Kristin,

When you or Chenay get a chance, could you load the attached approved conditions into Legistar for CZ-20-1243605, 2019-4708? The Legistar record only has the conditions that went to the Planning Commission, which don't have the conditional site plan as these do.

Thanks,
Melora

See the attached. The first attachment are the original Approved Minutes with the conditions (1986). The second attachment are the Denied Minutes for the request to alter conditions (1994).
