C. COMMENTS FROM THE PUBLIC

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Each speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting. Cards turned in to the clerk from the time the general meeting is convened (generally 9 A.M.) and by the beginning of public comment portion generally following presentations on the agenda. The clerk will accept cards on a first-come, first-served basis. Prior to the clerk's call for public comment, speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak. Once the public comment portion of the meeting begins, speaker cards will no longer be accepted.

Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position.

D. 10:00 A.M. PUBLIC HEARING

Citizens may speak for or against an item that is considered by law to be a zoning ordinance and each side will have ten minutes to present its case. Citizens may also speak for or against an item that is placed on the public hearing agenda but is not a zoning ordinance. In that case, each side will have five minutes to present its case. In the event there is more than one speaker per side, speakers must divide their time in order to complete their full presentation within the ten-minute time allotment, or the five minute time allotment. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to leave the podium area. Prior to speaking, a speaker shall complete a speaker card and present it when approaching the podium. If a speaker has any documents for the commissioners, the speaker shall provide 10 copies when approaching the podium. Seven copies are for the commissioners and the remaining copies are for the planning director, the county attorney and the clerk. Applicants or citizens speaking in favor of an item shall speak first and applicants in zoning ordinance cases shall have the right to reserve time for rebuttal. Opponents of a zoning ordinance item shall have no right of rebuttal. Once the citizens have finished speaking, staff shall make a recommendation for action to the Commission. At this point, citizens are no longer allowed to speak unless called to the podium by an individual commissioner to answer questions or provide information. Speakers should always talk directly into the microphone and begin by stating their name, address and the name of any organization they represent. Abusive, profane or derogatory language will not be permitted. Holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position.

3. Commissioner Steve Bradshaw read the following comments:

Thank you Mr. Presiding Officer. Good Morning Everyone.

It was such a pleasure to attend the DeKalb Works Summer Youth Employment Celebration on July 15th. This program represents a great investment in our youth. This year, 400 young people were engaged in this program. Anything that keeps them gainfully occupied, off the street, and out of trouble is a good thing. I commend CEO Thurmond for his commitment to this program and I am honored to support him in this effort. Also, it was great to see our 2019 District 4 Office Intern, Raven Thurman and our 2018 Office Intern, Rodney Fobi who did an excellent job as the MC for the event. I know that they will both go on to do great things and make us all very proud.

It was great to re-visit the Little Creek Horse Farm on July 26th. In 2017, my office allocated \$215,000 for various improvements at the park. On my recent visit, they were eager to share with me how those funds had been put to great use. I have previously stated that Little Creek Horse Farm is a jewel in District 4 and DeKalb County. I want to thank our Parks Director, Chuck Ellis and his entire team for the work that they do there. I also want to thank all of the members of the Little Creek Conservancy for their commitment to this jewel. Their individual and collective efforts make a huge, positive difference. In particular, I want to thank Conservancy

President Tamara Dillard for presenting me with an awesome photo from my first visit there. On that particular day I was wearing a business suit, which was totally inappropriate attire for a visit to a horse farm. And my fashion faux pas from that day has been memorialized in this photo. For the record, on my most recent visit I had the good sense to wear jeans. Which means I do try to learn from my mistakes and I am trainable. At any rate, if you have not had the chance to visit Little Creek, I encourage you to do so.

On July 27th, we held our third Quarterly in the Fourth Community Breakfast meeting for this year. Given that it was in the middle of summer, right before school starting back up, we still had a great turn out and a great discussion on a number of issues. I want to thank Darren Eastall and Mike O'Shield from our Watershed Department for providing a very informative presentation on Fats, Oils and Grease known as FOG. I also want to thank all of the departments who were there to support us. Additionally, I want to thank Dr. Vincent Hinton, Principal of Stone Mountain Middle School and his staff for their professionalism. And as always, I want to thank the Clarkston High School Cook It Angoras for providing us with a great breakfast meal. I also want to thank my friend and colleague Commissioner Lorraine Cochran Johnson for being there to support us as well.

Later that day, I attended the Rockborough Sub Division Back-to-School Celebration. Rockborough is one of the great communities in District 4. At the event a great time was had by kids and adults. And I want to thank Stone Mountain City Councilwoman Shawnette Bryant for organizing the event and for the invitation. Likewise, I had a great time at the Hairston Crossing Community Day celebration. Hairston Crossing is also a great community in District 4. I had a wonderful time fellowshiping with several residents. And I want to thank Lurenia Phillips for organizing the event and for the invitation.

On a slightly different note, I have to say that swinging a sledge hammer is a lot of fun. This is what I got to do on July 29th at the Renovation Kick-Off Event for the Stone Mountain – Sue Kellogg Library. Now, I am not going to say whose face I was picturing in my mind as I slammed that sledge hammer into the wall. But, it sure felt good. More importantly, it felt good to be getting this project underway. As you know I allocated \$1.2 million to this endeavor in June of 2017. I want to commend our Library Director, Alison Weissinger for her leadership on this front. We're all looking forward to seeing what the transformed Sue Kellogg Library looks like when this project is completed. I also want thank our CEO, Michael Thurmond and District 7 Commissioner Lorraine Cochran Johnson for being there to support us as well.

Later that day, I hosted my quarterly District 4 Mayor's Roundtable meeting. This is an initiative that I started in 2018 for the purpose of maintaining lines of communication and building relationships with the leaders of the municipalities in District 4. As usual, we engaged in a productive dialogue about a number of issues of mutual concern. Our most recent meeting was in the clubhouse by the lake in the City of Pine Lake, which was a wonderful setting. I want to thank Mayor Melanie Hammet for her gracious hospitality. And I want to thank Avondale Estates Mayor Jonathan Elmore for attending as well.

That evening I attended the Fountainhead Community's Public Safety meeting at Antioch AME Church. Tucker Police Precinct Commander Major Craig Medlin did an excellent job in answering the community's questions and providing them with useful information. I would like to thank him and his team for being there. I also want thank Pastor Vandy Simmons and his staff for hosting us in his wonderful sanctuary, and Fountainhead Community President Jarvis Walker for organizing the event. And I thank my friend and colleague

Commissioner Lorraine Cochran Johnson for lending her support as well.

It was a tremendous honor for me to be interviewed on the radio program A Closer Look with Rose Scott on WABE 90.1 on July 31st to discuss our plans for Memorial Drive. Ms. Scott was very gracious to afford me that opportunity and we engaged in a very productive dialogue. Also, her production staff was both professional and friendly. Overall, it was a great experience. I look forward to returning at some point in the future as our plans evolve.

Simply stated, I will seize upon any opportunity to highlight what we are trying to get accomplished on that vital commercial corridor. To that end, our next public engagement meeting will be on August 21st at Georgia Piedmont Technical College. Additional details will be available across our various communications platforms.

Of course August 6th was National Night Out, which highlights the wonderful work of our public safety personnel. That evening I was able to attend four community gatherings in District 4. Respectively, I would like to thank Sandra Taylor in Avonridge, Wendy Collins in Dial Heights, Lance Hammond in Water's Edge, and Jo Handy in Mountain Oaks for the invitations to attend. And I want to thank the residents of each of these wonderful communities for their hospitality.

If you have any questions or concerns, please feel free to call my office at 404-371-4749. And as always I want to thank the citizens of District 4 for affording me this opportunity to serve. Thank you Mr. Presiding Officer.

4. Commissioner Mereda Davis Johnson read the following comments:

Thank You, Mr. Presiding Officer, and Good morning everyone again.

I would like to begin my comments by thanking all of the communities from District 5 and all-around DeKalb who hosted National Night Celebrations on last Tuesday and this past weekend.

Hank and I had a chance to travel around the 5th and throughout DeKalb:

City of Stonecrest Parks

Stonecrest Preserves

Beacon Mountain Subdivision

Also, President Fran Mohr of the Dial Heights HOA made me an honorary member of their association.

My office had a chance to stop by the Greater Towers Community Associations presentation of National Night Out this past Saturday. They had Police, Code Enforcement, and gave out school supplies for students in the community. Thank you to all of our Police officers and public safety officials who continue to keep us safe. National Night Out each year reminds us of the many great people that are in DeKalb.

This past weekend, I also had the opportunity to join the Congressional Black Caucus Institute for the 2019 Annual Legislative Conference. I had an opportunity to sit in many Policy Seminars; one in particular to include Congresswoman Maxine Waters and my husband Congressman Hank Johnson. The Congressional Black

Caucus continues to educate us on policy, finances and racism in America. We MUST vote to change policy on a local, state & national level... and once we VOTE, OUR VOTE MUST BE COUNTED!

I would like to invite all Homeowner's Association Presidents to join us next Thursday, August 22nd for the District 5 HOA President's Roundtable. This is an opportunity for HOA President's to learn more about important resources that are available to them. We will have presentations from our Public Safety Director, Director Lumpkin and Ms. Meredith Lilly from the CEO's Office. If you have not already RSVP'd to attend, please email my office at dmccoy@dekalbcountyga.gov or you may call 404-371-2410.

I recently had lunch with the President of The Task Force for Global Health, Dr. Dave Ross. I would like to thank Dr. Ross for his continued commitment to DeKalb and for continuing to work on ensuring a healthy world. I am looking forward to working with Dr. Ross to improve the quality of life in District 5 and all of DeKalb.

My office had the opportunity to join Pastor John Smith's 48th Pastor & Wife Anniversary. We presented Pastor and Mrs. Smith with a proclamation. I would like to publicly acknowledge and congratulate them on many years of service and a job well done.

I would like to give a huge shout out to Rev. Dr. Cynthia Hale, the Pastor of Ray of Hope Christian Church located in District 5. This past Sunday, Dr. Hale celebrated 40 years of trailblazing ministry – 40th Ordination Anniversary. DeKalb is made better because of you. Thank you for your service.

I recently had the opportunity to join the 4th Congressional Federation of Democratic women as their newly elected officers were sworn in. I was asked to give the charge and I was so honored to see women who are leading on the front lines during these uncertain times in our nation. I am both proud and humbled and I believe that we must be involved in the civic engagement process, now more than ever!

A big shout out to New Birth Missionary Baptist Church and Dr. Jamal – Harrison Bryant for hosting a Back-To-School "Soles for Souls" bash where they gave out over 4,500 pair of shoes to deserving students in DeKalb. It was wonderful to give an inspiring message to the young ladies and gentlemen who were in the audience. I am wishing all of our students, teachers, and support staff a safe and successful year. Our prayers are with you.

Finally, I would like to invite all HOA's Community Associations and Churches to join us this Saturday from 8:00 a.m.- 10:00 a.m. as we clean up Snapfinger Woods Drive. We are still seeking more volunteers who will assist us with the clean-up. Please call my office at 404-371-2159 if you would like to participate. We will meet at East Wesley Chapel Way right next to the Utility Source One (the Old Malcolm Cunningham Ford location).

5. Commissioner Kathie Gannon mentioned the following comments:

- By now most are probably aware of the passing of Richard Stogner, who worked in DeKalb County during both CEO Jones' and the CEO Ellis administrations. His recent passing was compared, in the AJC, to... "one of Georgia's tallest trees that has fallen"... Although no longer here in body, his legacy will be a forever piece of DeKalb County and a benefit to metro-Atlanta. My continued condolences and wishes for healing and peace, I send to his wife, family, colleagues, and friends. I sincerely thank Richard for his service! And although gone from our sight, but his memory is forever in our hearts

6. Commissioner Lorraine Cochran- Johnson read the following comments:

- District 7 welcomes all DeKalb County students back to school for the 2019-2020 school year, which began last Monday, August 5th. My Constituent Liaison JP Phillips and I visited several schools and wished teachers and students a successful and productive school year. - I was extremely honored to have been invited to speak at the Council for Quality Growth's DeKalb Advisory Committee meeting on Thursday, August 1, 2019, where I discussed economic and community development in District 7 and the changing landscape for DeKalb County. We heard from developers across the state and look forward to working with them in the County. I thank the Council for Quality Growth for this opportunity and everyone who attended and participated in the discussion

- Also, on Thursday, August 1, 2019, I attended former Congresswoman Gabrielle Gifford's Courage to Fight Gun Violence Special Reception & Conversation along with fellow officials from DeKalb and neighboring counties. This event came at an interesting time with the recent gun violence. The conversation focused on tackling America's gun violence crisis. If you can recall, Gifford is a gun violence survivor who was shot seven years ago in a terrible and horrific attack which left her partially paralyzed and reduced her ability to speak. A total of six people died and twelve were injured. This tragedy has given her the courage and purpose to save lives and craft meaningful legislation that combats gun violence. I wholeheartedly support her efforts

Important issues will be discussed that include gentrification and displacement, property taxes and home values, affordable housing, crime and violence reform, small business survival, traffic, and infrastructure. The Town Hall will begin at 6:00 p.m. and doors open at 5:30 p.m.

- District 7 will be holding its second installment of the Books & More Women's Empowerment Club Series on Saturday, August 24, 2019, from 12 noon to 2 p.m. at the Smoke Rise Country Club, 4900 Chedworth Dr., Stone Mountain, GA 30087

Admission is \$5 per dog to swim and all proceeds will fund enhancements for the Brookside and Mason Mill dog parks. Owners must arrive with their dogs on a leash and provide proof of current vaccinations and rabies tag
