Justification:

The request for Contract renewal is to allow the contractors to continue with Water Meter Upgrade and Replacement program per the CEO's Initiative. Water Meter Upgrade and Replacement Contract is used to support Water Meter Exchange and Upgrade Initiative. The goal is to replace outdated water meter and upgrade all residential water meter in DeKalb County to Advanced Metering Infrastructure (AMI) system in order to remotely read the meter and provide hourly water usage consumption. In addition, new water meter installation contract is being used to fulfill the demand of new development to install water meter for new construction. Additionally due to the current back log and high demand, Water Service line replacement will also be completed under these contract as some of the galvanized service line need to be replaced to copper service line according to the standard.
