The City further agrees to provide, at its own expense, citation books containing the printed Municipal Court information to the fire rescue officers working within the City.

ARTICLE 9 EMPLOYMENT STATUS

All County Fire and Rescue Department personnel operating in the City, as well as any other County personnel operating under this Agreement are and will continue to be employees of the County for all purposes, including but not limited to duties and responsibilities, employee benefits, grievance, payroll, pension, promotion, annual or sick leave, standards of performance, training, workers compensation and disciplinary functions. All County Fire and Rescue Department personnel operating in the City as well as any other sworn personnel assigned under this Agreement are and will continue to be part of the DeKalb County Fire and Rescue Department command structure. - b. The City shall issue the Certificate of Occupancy when the City is satisfied that the project has complied with all City requirements.
- c. The City shall be responsible for notifying utilities companies in connection with the issuance of Certificates of Occupancy.

10.5 Retaining walls, tents, signs, greenhouses, satellite dishes, Christmas tree lots, emission inspections stations, and similar projects or structures shall not be subject to the provisions of this Agreement, and the City shall continue to issue permits and/or approvals for such projects.

**INTERGOVERNMENTAL AGREEMENT
FOR THE PROVISION OF POLICE SERVICES
Between
DEKALB COUNTY, GEORGIA and
THE CITY OF STONECREST, GEORGIA**

THIS INTERGOVERNMENTAL AGREEMENT is entered into by and between DeKalb County, Georgia (“County”) and the City of Stonecrest, Georgia (“City”).

WHEREAS, DeKalb County, Georgia is a constitutionally created political subdivision of the State of Georgia; and

WHEREAS, the City of Stonecrest is a municipality created by the 2016 Georgia General Assembly pursuant to Senate Bill 208 (hereinafter referred to as “SB 208”); and

WHEREAS, the County and City desire to enter into an Intergovernmental Agreement for the County to provide Police Services within the boundaries of Stonecrest; and

WHEREAS, the County and the City desire to maintain a mutually beneficial, efficient and cooperative relationship that will promote the interests of the citizens of both jurisdictions.

NOW THEREFORE, in consideration of the following mutual obligations, the County and City agree as follows:

**ARTICLE 1
PURPOSE AND INTENT**

The purpose of this Agreement is to sustain public safety and protect life and property within the City through enforcement of local, state and federal laws through the use of County Police Services.

**ARTICLE 2
DEFINITIONS**

For the purposes of this Agreement, the following terms shall be defined as:

- 2.1 *Chief of Police* means the DeKalb County police chief or designee.
- 2.2 *City Police Chief* means the top police official in the City of Stonecrest who is not a DeKalb County employee.
- 2.3 *Police Services* all basic and non-basic services as directed and determined by the County for the purposes of enforcing the applicable laws, preventing and deterring crime, arresting criminal offenders, maintaining public order, and providing service to the community. Such services include, but are not limited to: (1) conducting criminal investigations of incidents of crime in order to arrest responsible persons for prosecution; (2) directing and enforcing laws,

(3) responding to emergency and non-emergency calls for service, (4) conducting field interviews, (5) arresting criminal offenders, (6) directing and controlling traffic, and (7) issuing citations, and appearing in court (collectively, "Police Services"). These Police Services constitute the comprehensive police services provided by the County each day of the year, on a continual 24-hour per day basis within the jurisdictional boundaries of the City. At a minimum, the County shall provide such services consistent with the level of service provided in the unincorporated areas of the County. The County reserves the right to charge for non-basic services (such as responses to act of God, exigent circumstances that require a larger than typical police presence, unusual service, and/or deployment of specialized police equipment ("Exigent Circumstance")). To the extent that an Exigent Circumstance occurs, the County will communicate with the City Manager, or their designee, regarding the non-basic police services being provided (i.e. police bomb squad).

ARTICLE 3 TERM OF AGREEMENT

The term of this Agreement is an annual contract renewable for a total of ten (10) calendar years, commencing at 0000 hours on January 1, 2019 and concluding at 2400 hours on December 31, 2029. This Agreement shall automatically renew for an additional ten (10) years without further action by the City or the County unless previously terminated in accordance with the termination provisions of this Agreement. At the conclusion of this term, the City will be solely responsible for providing all Police Services within its boundaries unless extended by mutual Agreement approved by both governing bodies. The City may request in writing a maximum twenty-four (24) month transition period subject to the terms herein. The parties agree that, upon termination, the County's obligation to provide Police Services (pursuant to this Agreement, O.C.G.A. 36-31-8 and SB 208) shall terminate.

ARTICLE 4 COMPENSATION AND CONSIDERATION

4.1 As part of this Agreement, the City agrees to remain within the DeKalb special service tax district for Police Services and nothing in this Agreement shall preclude the County's right to continue to collect the DeKalb special service tax district taxes from the residents of the City for all Police Services originating within the City of Stonecrest and under this Agreement. The County reserves the right to charge the City the actual cost of any specific non-basic services performed due to Exigent Circumstances or at the request of the City. The County will communicate with the City Manager, or their designee, regarding the cost of the non-basic police services being provided. The County and City shall retain the right to jointly or individually seek joint jurisdictional, state or federal funding to the extent permitted by law.

4.2 The City agrees that the County remains entitled to impose, collect and retain all the false alarm fees. The City may set the amount of false alarm fees by requesting the same in writing, subject to County approval. Nothing in this Agreement shall preclude the County's right to continue to collect such fees for false alarm calls originating from within the City of Stonecrest.

4.3 The parties acknowledge that precinct boundaries shall be determined by the County and input from the City Manager shall be included when practicable. Should the County locate a precinct within the boundaries of the City, such precinct shall be named the Stonecrest Precinct. A map of the precinct boundaries shall be provided to the City within six (6) months after the date of this Agreement and on an annual basis thereafter. Any future significant change to the precinct boundaries shall include input from the City Manager. However, the parties acknowledge that precinct boundaries shall be determined by the County, at the sole discretion of the County, and input from the City Manager shall be included when practicable under the circumstances.

ARTICLE 5 CHIEF OF POLICE

The DeKalb County Chief of Police will direct and manage the daily police operations in the City and supervise the delivery of Police Services contracted for in this Agreement. While the Chief of Police shall retain control and direction of the Police Services hereunder, the City may request meetings or provide input regarding police operations for the County's consideration.

ARTICLE 6 SERVICES

6.1 The division of labor and workforce within the Police Department will remain the sole discretion of the County and shall be based on, but is not limited to, call volumes, incident reports, pending cases, crime statistics, crime trends, land area, and population or any other factors, as determined by the County. During the term of this Agreement, the level of Police Services provided by the County to the City shall be consistent with those provided in all other portions of unincorporated DeKalb County; however, such level of Police Services shall not fall below the 2018 level of Police Services provided in unincorporated DeKalb County. By December 31st of each year this Agreement is in effect, the County shall provide an annual report to the City reflecting the number of police officers assigned to the City and their respective assignments or positions during the course of that year. The County and the City intend to enter into separate mutual aid agreements which shall govern the parties in case of emergencies requiring assistance from neighboring law enforcement departments.

6.2 Response times in the City shall remain consistent with those response times in all other parts of unincorporated DeKalb County. County-wide response time reports will be provided by the Chief of Police if requested by the City Manager.

6.3 Assignment of the County precinct commander to the City will be at the discretion of the County with input from the Stonecrest City Manager. The parties acknowledge that input from the City Manager for the assignment of the County precinct commander to the City shall be included whenever practicable under the circumstances.

6.4 The parties acknowledge that, in the event that the City of Stonecrest appoints a City Police Chief, such official is not in the chain of command of any DeKalb County Police Department Employee and does not have the authority to direct the activities of any employee of

the DeKalb County Police Department. The City Manager and/or the City Police Chief will contact and communicate with the DeKalb County Chief of Police to resolve any concerns regarding the scope of work contemplated under this Agreement.

6.5 The parties acknowledge and agree that, once sworn in, one (1) on-duty sworn police officer assigned to the City shall attend all scheduled Stonecrest city council meetings. Additionally, a sworn police officer assigned to the City shall attend such other Stonecrest meetings (other than scheduled Stonecrest city council meetings) as requested by the City. The City shall compensate such sworn police officer(s) for attendance at such other Stonecrest meetings at their standard hourly rate with the County.

ARTICLE 7 EQUIPMENT

The County agrees to provide DeKalb County police personnel assigned to work within the City with all necessary equipment and motor vehicles in connection with this Agreement in order to perform the agreed upon Police Services, in accordance with DeKalb County Police policies and procedures. The County agrees to add a County approved, removable Stonecrest precinct identifier on applicable police vehicles assigned primarily in the City of Stonecrest. However, the parties acknowledge that the use of any such identifier shall be determined by the County, at the sole discretion of the County, when practicable under the circumstances. The County agrees to maintain said equipment and vehicles and to provide replacements as necessary during the term of the Agreement. All DeKalb County Police Officers assigned hereunder shall wear the uniform and insignia as issued and ordered by the DeKalb County Police Department.

ARTICLE 8 AUTHORITY TO ENFORCE THE LAW IN STONECREST

8.1 Sworn police officers assigned to the City shall take an oath administered by an official authorized by the City of Stonecrest to administer oaths, as prescribed by O.C.G.A. §§ 45-3-1 and 45-3-10.1 prior to enforcing the ordinances of the City of Stonecrest.

8.2 Every sworn police officer of the County assigned to the City shall still be deemed to be a sworn officer of the County while performing the services, duties and responsibilities hereunder and is vested with the police powers of the County that are necessary to provide the Police Services within the scope of this Agreement.

8.3 Sworn police officers shall be and hereby are vested with the additional power to enforce the applicable ordinances of the City or the County, to make arrests or issue citations incident to the enforcement of the applicable County and City ordinances, and to perform other tasks as are reasonable and necessary in the exercise of their powers. This vesting of additional powers to enforce the applicable ordinances of the City and the County is made for the sole and limited purpose of giving official and lawful status to the performance of law enforcement services provided by sworn officers within the City of Stonecrest.

8.4 Sworn police officers shall enforce applicable City and County ordinances and violations of City traffic ordinances and shall appear in the Municipal Court of the City of

Stonecrest or the DeKalb State Court, where applicable and as necessary to prosecute cases made therein. The City further agrees to provide, at its own expense, training, citation books or electronic methods containing the Municipal Court information to the uniform patrol officers working within the City. County police officers must continue to comply with all County policies governing off-duty employment.

ARTICLE 9 EMPLOYMENT STATUS

9.1 All sworn officers, as well as any other County personnel assigned under this Agreement are and will continue to be employees of the County for all purposes, including but not limited to: duties and responsibilities, employee benefits, grievance, payroll, pension, promotion, annual or sick leave, standards of performance, training, workers compensation and disciplinary functions.

ARTICLE 10 RECORDKEEPING AND REPORTING

10.1 The County Police Department Records Section is the central repository for all departmental records and makes available public records as defined by the Georgia Open Records Act, O.C.G.A. § 50-18-70, *et seq.* During the term of this Agreement, the County will continue to maintain Initial Incident Reports, Supplemental Reports and other reports relating to police department activity in the City, consistent with the County's records retention policies.

10.2 During the term of this Agreement, the County will continue to compile, maintain and submit all law enforcement data for the City, including NIBRS and UCR statistics, to state and federal authorities in the form and manner required of police agencies in Georgia. The City shall be responsible for the creation of any necessary User Agreements with the Georgia Crime Information Center ("GCIC") and the establishment of a unique *ORI* in order for the County to comply with this paragraph. In addition, the City shall be responsible for any costs incurred with the County's software vendor if software modifications are necessary in order to comply with this paragraph. Otherwise, the DeKalb County Police Department will continue to report the required crime statistics to the State and Federal governments as a part of unincorporated DeKalb County for the duration of this Agreement.

10.3 Except as limited by any provision of state or federal law, the City may request, review and access data and County records at a mutually agreed upon time to ensure compliance with this Agreement.

**ARTICLE 11
CITY-COUNTY RELATIONS**

11.1 The County Chief of Police or the County precinct commander assigned to the City will notify and communicate with the City Manager and the City Police Chief in the event of a significant criminal occurrence, Exigent Circumstance, or emergency situation within the City, as determined by the County Chief of Police or County precinct commander assigned to the City. In the event the City determines additional City officials should be included, the City Manager may designate additional City officials to participate in the discussion related to the definition of such events. Notices of such designated individuals shall be sent by the City in writing to the County Police Chief and the County Executive Assistant/COO.

11.2 The County shall be the sole provider of services that require sworn law enforcement personnel within the City during the term of this Agreement.

**ARTICLE 13

13.1 Unless mutual termination is otherwise reached, the City may terminate this Agreement with or without cause by giving twenty-four (24) months prior written notice to the County.
