**STATE OF GEORGIA
STATEWIDE CONTRACT
Attachment 1**

Contract Terms and Conditions for Products and Ancillary Services

A. DEFINITIONS AND GENERAL INFORMATION

1. **Definitions.** The following words shall be defined as set forth below:

- (i) **"Agency"** means the Department of Administrative Services of the State of Georgia.
- (ii) **"Awarded Item Schedule"** means the summarizing document, if any, listing the software, products and services as awarded to the Contractor and any other awarded companies.
- (iii) **"Contract"** or **"Statewide Contract"** means the agreement between the Agency and the Contractor as defined by the Statewide Contract Form and its incorporated documents.
- (iv) **"Contractor"** means the provider(s) of the software, products and services under the Statewide Contract as identified in the Statewide Contract Form.
- (v) **"Purchase Instrument"** means the documentation issued by the User Agencies to the Contractor for a purchase of software, products and/or services in accordance with the terms and conditions of the Statewide Contract. The Purchase Instrument should reference the Statewide Contract and may include an identification of the items to be purchased, the delivery date and location, the address where the Contractor should submit the invoices, and any other requirements deemed necessary by the Agency or User Agencies.
- (vi) **"Response", "Contractor's Response" or "Final Response"** means the Contractor's submitted response to the RFX, including any modifications or clarifications accepted by the Agency.
- (vii) **"RFX"** means the Request for Proposal, Request for Bid, or other solicitation document (and any amendments or addenda thereto) specifically identified in the Statewide Contract Form that was issued to solicit the software, products and/or services that are subject to the Statewide Contract.
- (viii) **"State"** means the State of Georgia, the Agency, User Agencies, and any other authorized entities as identified by the RFX issuing Purchase Instruments against the Statewide Contract.
- (ix) **"Statewide Contract Form"** means the document that contains basic information about the Statewide Contract and incorporates by reference the applicable Contract Terms and Conditions, the RFX, Contractor's Response to the RFX, the final pricing documentation and any mutually agreed clarifications, modifications, additions and deletions resulting from final contract negotiations. No objection or amendment by a Contractor to the RFX requirements or the Statewide Contract shall be incorporated by reference into this Statewide Contract unless the Agency has accepted the Contractor's objection or amendment in writing. The Statewide Contract Form is defined separately and referred to separately throughout the Statewide Contract Terms and Conditions as a means of

identifying the location of certain information. For example, the initial term of the Statewide Contract is defined by the dates in the Statewide Contract Form.

(x) **"User Agency" or "User Agencies"** means any offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the State of Georgia entitled to make purchases from this Statewide Contract.

2. **Certified Source of Supply and Ancillary Services.** Pursuant to Section 50-5-57 of the Official Code of Georgia Annotated (O.C.G.A.), the Agency hereby certifies the Contractor as a source of supply to the User Agencies of the equipment and the services identified in this Statewide Contract. Orders shall be placed individually and from time to time by the User Agencies. The execution of this Statewide Contract only establishes the Contractor as an authorized source of supply by the Agency and creates no financial obligation on the part of the Agency.
3. **Priority of Contract Provisions.** Any pre-printed contract terms and conditions included on Contractor's forms or invoices shall be null and void. The terms of this Statewide Contract shall supersede any contract terms and conditions included as part of delivered software, products and services including, but not limited to, license terms for any Contractor-branded software provided by Contractor pursuant to this Statewide Contract. Notwithstanding anything to the contrary in this Statewide Contract, Contractor as a reseller of third-party software is not authorized to modify the third-party license agreement or to directly license such software. All software will be licensed subject to the terms of the applicable license agreement provided with the software.
4. **Reporting Requirements.** Contractor shall provide all reports required by the RFX. In addition, unless otherwise provided in the RFX, Contractor shall keep a record of the purchases made pursuant to the Statewide Contract and shall submit a quarterly written report to the Agency.

B. DURATION OF CONTRACT

1. **Contract Term.** The Statewide Contract shall begin and end on the dates specified in the Statewide Contract Form unless terminated earlier in accordance with the applicable terms and conditions. Pursuant to O.C.G.A. Section 50-5-64, this Statewide Contract shall not be deemed to create a debt of the State for the payment of any sum beyond the fiscal year of execution or, in the event of a renewal, beyond the fiscal year of such renewal.
2. **Contract Renewal.** The Agency shall have the option, in its sole discretion, to renew the Statewide Contract for additional terms on a year-to-year basis by giving the Contractor written notice of the renewal decision at least sixty (60) days prior to the expiration of the initial term or renewal term. Renewal will depend upon the best interests of the State, funding, and Contractor's performance. Renewal will be accomplished through the issuance of a Notice of Award Amendment. Upon the Agency's election, in its sole discretion, to renew any part of this Statewide Contract, Contractor shall remain obligated to perform in strict accordance with this Statewide Contract unless otherwise agreed by the Agency and the Contractor.
3. **Contract Extension.** In the event that this Statewide Contract shall terminate or be likely to terminate prior to the making of an award for a new contract for the identified software, products and services, the Agency may, with the written consent of Contractor, extend this Statewide Contract for such period as may be necessary to afford the State a continuous supply of the identified products, software, and services.

C. DESCRIPTION OF SOFTWARE, PRODUCTS AND SERVICES

1. **Specifications in Bidding Documents.** Contractor shall provide all software, products, services, and other deliverables in compliance with the specifications contained in the RFX and the terms of the Statewide Contract, plus those software, products, services and deliverables as may additionally be described in the Response.
2. **Software Licenses.** For all Contractor-branded software and, to the extent allowed by applicable publisher's end user license agreement, all third party software, Contractor shall provide software licenses in compliance with the specifications contained in the RFX and the terms of the Statewide Contract. Subject to User Agency's compliance with the payment provisions of this Statewide Contract, Contractor shall grant User Agency a non-exclusive, non-assignable, royalty free license and/or sublicense to use, execute, maintain, reproduce, display, and perform copies of software and accompanying documentation in accordance with the licensing capacity (if any) and for the period of time specified in the Statewide Contract and/or applicable Purchase Instrument. If no time period is stated, then User Agency shall be granted a perpetual license. Without limiting the generality of the foregoing, such rights shall include copying rights granted to "owners of copies" under federal copyright laws of the United States, plus copying:
 - (i) For backup, archive or emergency restart purposes;
 - (ii) For disaster recovery and disaster recovery testing purposes;
 - (iii) To migrate the software for use on other computers and/or hardware;
 - (iv) In order to facilitate installation and distribution of the software; and
 - (v) To store the software at any off premise location which the User Agencies use for storage purposes.

As a reseller of third party software, Contractor is not authorized to modify the third party license agreement or to directly license such software. All third party software will be licensed subject to the terms of the applicable license agreement provided with the third party software.

3. **Exclusions.** Except as expressly permitted by this Statewide Contract, the User Agencies agree that they will not:
 - (i) Lease, loan, resell, sublicense or otherwise distribute the software to parties who are not State of Georgia government entities;
 - (ii) Create derivative works based on the software;
 - (iii) Reverse engineer, disassemble, or decompile the software; or
 - (iv) Remove any identification or notices contained on the software.

4. Bankruptcy.

- (i) **Notice of Insolvency.** Contractor shall provide DOAS and, if requested by DOAS, User Agencies, with written notice within five (5) business days of Contractor or Contractor's knowledge of a third-party licensor's petition in bankruptcy or insolvency or upon any other proceeding or action by or against a third-party licensor under the relevant law on

insolvency or bankruptcy, or after the making by third-party licensor of any assignment or attempted assignment for the benefit of creditors or upon or after the institution of any proceedings for the liquidation or winding up of third-party licensor's business or for the termination of its corporate charter.

(ii) **Rejection of Executory License.** The Parties agree that the Software is "intellectual property" as defined in Section § 101(35A) of the U.S. Bankruptcy Code. Upon the filing by Contractor or a third-party licensor of a petition in bankruptcy or insolvency or upon any other proceeding or action by or against the third-party licensor under the relevant law on insolvency or bankruptcy, this Statewide Contract shall be governed by Section 365(n) of the U.S. Bankruptcy Code. If any person seeks to reject this Statewide Contract pursuant to bankruptcy law, User Agencies shall have the option of using the Contractor-branded Software and, to the extent permitted by the applicable third-party software licensing terms, such third-party software, for either the original term of the applicable software license or a period of five years after rejection is requested.

5. **Ordering and Technical Assistance.** User Agencies may place orders individually from time to time in any manner permitted by applicable state purchasing policy and the terms of this Statewide Contract. Contractor shall provide technical assistance as reasonably required for the User Agencies to make purchases if online purchases are made utilizing the Contractor's website.

6. **Delivery and Acceptance.** Unless the RFX requires otherwise, all products shall be shipped F.O.B. destination Freight Prepaid. Destination shall be the location(s) specified in the RFX or any provided Purchase Instrument. All shipped items shall be at the Contractor's risk until they have been delivered and accepted by the User Agency. All items shall be subject to inspection on delivery. Hidden damage will remain the responsibility of the Contractor to remedy without cost to the User Agencies, regardless of when the hidden damage is discovered.

(i) **Fixed Pricing Services.** Certain services as defined by Contractor's Response will be provided on a fixed price basis and will be delivered to User Agency in accordance with the schedule for delivering milestones as defined by the Purchase Instrument or such other written document mutually agreeable to User Agency and Contractor. Upon Contractor's completion and User Agency's acceptance of an identified milestone, Contractor may submit an invoice for payment in accordance with Section D "Compensation" of this Statewide Contract.

(ii) **Time and Materials Services.** Certain deliverables and services as defined by Contractor's Response may be provided on a time and materials basis in accordance with the hourly rates and fees identified in Contractor's Response. Such deliverables and services may be requested by User Agency on an "as needed" and "as budgeted" basis and must include a defined maximum pricing threshold that cannot be exceeded without the User Agency's prior written approval. In the event Contractor provides services to a User Agency on a time and materials basis, Contractor must provide work progress reports and copies of time cards to the User Agency on a weekly basis.

(iii) **Acceptance Process.** Upon completion of any deliverable or service, Contractor shall provide written documentation of completion of such deliverable and/or service to User Agency. Contractor will demonstrate to User Agency that the deliverable conforms to the requirements of the Statewide Contract. If the deliverable does not conform to the requirements of the Statewide Contract, User Agency must provide written notice to Contractor identifying the deliverable as nonconforming and providing a description of the deficiencies of the deliverable. User Agency must provide notice of the rejection of

a deliverable within a reasonable period of time as agreed between Contractor and User Agency, except that User Agency shall have thirty (30) days from the date of Contractor's submission of the deliverable or Contractor's demonstration of the deliverable, whichever occurs last. User Agency's failure to either accept or reject a deliverable within the acceptance time period shall not constitute automatic acceptance of the deliverable; however, the User Agency shall be in default of this Statewide Contract. Contractor shall use reasonable efforts to promptly cure any identified deficiencies in the deliverable. After completing such cure, Contractor shall resubmit the deliverable for User Agency's review and, if requested by User Agency, provide a demonstration that the resubmitted deliverable conforms to the requirements of the Statewide Contract. User Agency shall have thirty (30) days from the date of Contractor's resubmission of the deliverable or Contractor's demonstration of the resubmitted deliverable, whichever occurs last, to accept or reject the resubmitted deliverable. In the event Contractor has failed to cure the deliverable, the User Agency may, at its discretion, allow Contractor an additional opportunity to cure, proceed to terminate the Purchase Instrument for default, or pursue any other available remedy. Nothing contained herein shall limit the warranties and representations and the available remedies set forth in this Statewide Contract.

7. **Non-Exclusive Rights.** The Statewide Contract is not exclusive. Agency reserves the right to select other contractors to provide products, software, and services similar to the products, software, and services described in the Statewide Contract during the term of the Statewide Contract. User Agencies may obtain similar products, software, and services from other contractors.
8. **No Minimums Guaranteed.** The Statewide Contract does not guarantee any minimum level of purchases.

D. COMPENSATION

1. **Pricing and Payment.** The Contractor will be paid for the software, products and services sold pursuant to the Statewide Contract in accordance with the RFX and final pricing documents as incorporated into the Statewide Contract Form and the terms of the Statewide Contract. Unless clearly stated otherwise in the Statewide Contract, all discounts are firm and fixed and are not subject to variation for the duration of the Statewide Contract unless Agency agrees to a change during a contract renewal period as further described in the RFX. Prices include, but are not limited to freight, insurance, fuel surcharges and customs duties. User Agencies are solely and individually financially responsible for their respective purchases. Agency shall not be responsible for payment of any amounts owed by other User Agencies.
2. **Billings.** If applicable, and unless the RFX provides otherwise, the Contractor shall submit, on a regular basis, individual invoices for the products, software, and services supplied to the User Agencies under the Statewide Contract at the billing addresses specified in the Purchase Instruments. The invoice shall be accompanied by a schedule which details the services, deliverables and/or milestones (if any) including the resources in support of those services, deliverables and/or milestones for which the Contractor is requesting payment. The invoice shall comply with all applicable rules concerning payment of such claims. User Agencies shall pay all approved invoices in arrears within thirty (30) days of the date of an undisputed invoice, subject to acceptance as specified in Section C(5)(iii) above, and in accordance with applicable provisions of State law.

Unless otherwise agreed in writing by the Agency and the Contractor, the Contractor shall not be entitled to receive any other payment or compensation from the User Agencies for any software, products or services provided by or on behalf of the Contractor under the Statewide

Contract. The Contractor shall be solely responsible for paying all costs, expenses and charges it incurs in connection with its performance under the Statewide Contract.

3. **Retainage.** Notwithstanding Paragraph (D)(1) of this Statewide Contract, User Agency shall have the right to retain Fifteen Percent (15%) ("Retainage") of the total payment amount for any order of \$250,000.00 or more. User Agency shall release the Retainage to Contractor only upon final and complete delivery of all products, software and services as defined in the Purchase Instrument and upon full review and acceptance of the same by User Agency without any outstanding obligation pursuant to this Statewide Contract or any attendant agreements between the parties.
4. **Delay of Payment Due to Contractor's Failure.** If the User Agencies in good faith determine that the Contractor has failed to perform or deliver any product, software or service as required by the Statewide Contract, the Contractor shall not be entitled to any compensation which represents payment for such product, software or service under the Statewide Contract until such service or product is performed or delivered. In this event, the User Agencies may withhold that portion of the Contractor's compensation which represents payment for software, products, and/or services that were not performed or delivered. To the extent that the Contractor's failure to perform or deliver as required by the terms of the Statewide Contract and fails to correct such failure in accordance with the Notice of Default provisions under Section E, and such failure results in additional cost to the User Agencies to procure replacement products or services, then User Agencies may deduct from payments due to Contractor the difference between the contract price and the lesser of the current market price or actual price for such replacement product or alternative services. The User Agencies' authority to deduct such incurred costs shall not in any way affect the Agency's sole authority to terminate the Statewide Contract.
5. **Set-Off Against Sums Owed by the Contractor.** In the event that the Contractor owes the User Agency any sum or the User Agency must obtain substitute performance, the User Agency may set off the sum owed against any sum owed by the User Agency to the Contractor.
6. **Leasing and Financing.** For the products, software and services Contractor is authorized to provide pursuant to this Statewide Contract, Contractor (or a third party selected by Contractor and pre-approved in writing by Agency) is authorized to offer leasing or financing options to Authorized Users provided any such lease or finance transaction entered into shall be subject to the terms of this Statewide Contract and shall occur using a standard, pre-approved leasing or financing template, as applicable, mutually acceptable to Agency and Contractor.

E. TERMINATION

1. Termination of the Statewide Contract.

- (i) **Immediate Termination.** Agency may terminate the Statewide Contract for any one or more of the following reasons effective immediately without advance notice:
 - a. In the event the Contractor is required to be certified or licensed as a condition precedent to providing the software, products and/or services, the revocation or loss of such license or certification may result in immediate termination of the Statewide Contract effective as of the date on which the license or certification is no longer in effect;
 - b. Agency determines that the actions, or failure to act, of the Contractor, its agents, employees or subcontractors have caused, or reasonably could cause, life, health or safety to be jeopardized;

- c. The Contractor fails to comply with confidentiality laws or provisions; and/or
- d. The Contractor furnished any statement, representation or certification in connection with the Statewide Contract or the bidding process which is materially false, deceptive, incorrect or incomplete.

(ii) **Termination for Cause.** The occurrence of any one or more of the following events shall constitute cause for the Agency to declare the Contractor in default of its obligations under the Statewide Contract:

- a. The Contractor fails to deliver or has delivered nonconforming software, products and/or services or fails to perform, to the Agency's satisfaction, any material requirement of the Statewide Contract or is in violation of a material provision of the Statewide Contract, including, but without limitation, the express warranties made by the Contractor;
- b. The Agency determines that satisfactory performance of the Statewide Contract is substantially endangered or that a default is likely to occur;
- c. The Contractor fails to make substantial and timely progress toward performance of the Statewide Contract;
- d. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the Agency reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
- e. The Contractor has failed to comply with applicable federal, state and local laws, rules, ordinances, regulations and orders when performing within the scope of the Statewide Contract;
- f. The Contractor has engaged in conduct that has or may expose the Agency or the State to liability, as determined in the Agency's sole discretion; or
- g. The Contractor has infringed any patent, trademark, copyright, trade dress or any other intellectual property rights of the Agency, the State, or a third party.

(iii) **Agency's Right to Terminate Upon Notice.** Following thirty (30) days' written notice, the Agency may terminate the Statewide Contract in whole or in part without the payment of any penalty or incurring any further obligation to the Contractor. Following termination upon notice, the Contractor shall be entitled to compensation from the User Agency, upon submission of invoices and proper proof of claim, for software, products, and/or services provided under the Statewide Contract to the User Agencies up to and including the date of termination.

(iv) **Termination Due to Change in Law.** The Agency shall have the right to terminate this Statewide Contract without penalty by giving thirty (30) days' written notice to the Contractor as a result of any of the following:

- a. The Agency's authorization to operate is withdrawn or there is a material alteration in the programs administered by the Agency; and/or

b. The Agency's duties are substantially modified.

2. **Agency's Notice of Default.** If there is a default event caused by the Contractor, with the exception of Force Majeure event, the Agency shall provide written notice to the Contractor requesting that the breach or noncompliance be remedied within thirty (30) days of Contractor's receipt of the Agency's written notice to the Contractor. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the Agency may:

- (i) Immediately terminate the Statewide Contract without additional written notice; and/or
- (ii) Procure substitute software, products and/or services from another source and charge the difference between the Statewide Contract and the substitute contract to the defaulting Contractor; and/or,
- (iii) Enforce the terms and conditions of the Statewide Contract and seek any legal or equitable remedies.

The State shall not be liable for any costs incurred by the Contractor in its performance of the Statewide Contract, including, but not limited to, startup costs, overhead or other costs associated with the performance of the Statewide Contract.

3. **Termination of a User Agency's Transaction.**

- (i) **Immediate Termination.** Pursuant to O.C.G.A. Section 50-5-64, any purchase, lease or financing purchase made pursuant to this Statewide Contract will terminate immediately and absolutely if the User Agency determines that adequate funds are not appropriated or granted or funds are de-appropriated such that the User Agency cannot fulfill its obligations under the Statewide Contract, which determination is at the User Agency's sole discretion and shall be conclusive.
- (ii) **Termination for Cause.** User Agency shall have the right to terminate any purchase, lease or financing purchase in the event of Contractor's material breach, which breach is not cured within thirty (30) days' of Contractor's receipt of a written default notice from the User Agency.

In the event of termination of the Statewide Contract for any reason by the Agency, the User Agencies shall pay only those amounts, if any, due and owing to the Contractor for software, products and services actually rendered up to the date specified in the notice of termination for which the User Agencies are obligated to pay pursuant to the Statewide Contract or Purchase Instrument. Payment will be made only upon submission of invoices and proper proof of the Contractor's claim. This provision in no way limits the remedies available to the State under the Statewide Contract in the event of termination. The State shall not be liable for any costs incurred by the Contractor in its performance of the Statewide Contract, including, but not limited to, startup costs, overhead or other costs associated with the performance of the Statewide Contract.

4. **The Contractor's Termination Duties.** Upon receipt of notice of termination or upon request of the Agency, the Contractor shall:

- (i) Cease work under the Statewide Contract and take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report within thirty (30) days of the date of notice of termination, describing the status of all work under the Statewide

Contract, including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the Agency may require;

- (ii) Immediately cease using and return to the State, any personal property or materials, whether tangible or intangible, provided by the State to the Contractor;
- (iii) Comply with the State's instructions for the timely transfer of any active files and work product produced by the Contractor under the Statewide Contract;
- (iv) Cooperate in good faith with the Agency, the User Agencies, and their employees, agents and contractors during the transition period between the notification of termination and the substitution of any replacement contractor; and
- (v) Immediately return to the User Agencies any payments made by the User Agencies for software, products and services that were not delivered or rendered by the Contractor.

5. **User Agency Leases and Financing Agreements Survive Termination of the Statewide Contract.** Upon expiration of the Statewide Contract or in the event of termination of the Statewide Contract for any reason by the Agency, User Agency leases and financing agreements, if any, entered into under this Statewide Contract shall survive and continue in accordance with the terms and conditions of this Statewide Contract and each User Agency's lease and financing agreement. Contractor shall continue to perform its obligations and honor the terms, conditions and pricing as set forth in the User Agency lease and financing agreements as applicable until the expiration or termination of such agreements. Upon expiration or termination of the Statewide Contract, User Agencies may, at their sole discretion, elect to exercise any remaining renewal options for existing lease or financing agreements, if any, in accordance with the terms of the agreements; however, no lease or financing agreement shall be extended beyond the total duration of the lease or financing agreement as established at the time the Statewide Contract expires or is terminated unless otherwise approved by the Agency.

F. CONFIDENTIAL INFORMATION

1. **Access to Confidential Data.** Each of the party's employees, agents and subcontractors may have access to confidential data of the other party, including, but not limited, personally identifiable information, maintained by the State to the extent necessary to carry out the Contractor's responsibilities under the Statewide Contract. The Contractor shall presume that all information received pursuant to the Statewide Contract is confidential unless otherwise designated by the State. Contractor information provided to Agency or User Agencies under this Statewide Contract will be treated as confidential if identified as such at disclosure or if the circumstances of disclosure would reasonably indicate such treatment. No later than ten (10) days from the date this Statewide Contract is fully executed, to the extent allowed by and subject to the requirements of the State of Georgia Open Records law and the State of Georgia Purchasing Act, each party shall comply with the following requirements:
- (i) Confidential information may only be used for the purpose of fulfilling obligations or exercising rights under this Statewide Contract, and shared with employees, agents or contractors with a need to know such information to support that purpose.
 - (ii) Confidential information will be protected using a reasonable degree of care to prevent unauthorized use or disclosure for three (3) years from the date of receipt or (if longer) for such period as the information remains confidential.

- (iii) Contractor shall maintain and provide to the State, if requested, a written description of the Contractor's policies and procedures to safeguard confidential information;
- (iv) Each party's policies of confidentiality shall address, as appropriate, information conveyed in verbal, written, and electronic formats;
- (v) The Contractor's designated Contractor Manager shall remain the single point of contact with respect to Contractor's compliance with the requirements of Section F, Confidential Information; and
- (vi) Each party shall provide adequate supervision and training to its agents, employees and subcontractors to ensure compliance with the terms of the Statewide Contract.

Agency's or User Agencies' private or confidential data shall remain the property of the State at all times. Some services performed for the Agency and/or User Agencies may require the Contractor to sign a nondisclosure agreement. Contractor understands and agrees that refusal or failure to sign such a nondisclosure agreement, if required, may result in termination of the Statewide Contract.

2. **No Dissemination of Confidential Data.** No confidential data collected, maintained, or used in the course of performance of the Statewide Contract shall be disseminated except as required by law or with the written consent of the State, either during the period of the Statewide Contract or thereafter. Any data supplied to the Contractor for purposes of performing pursuant to this Statewide Contract shall remain the property of the Agency or User Agencies as applicable. Any data specifically created by the Contractor for Agency or User Agencies during the performance of this Statewide Contract and specifically identified in a Statement of Work shall be considered the property of the State. The Contractor must return any and all data collected, maintained, created or used in the course of the performance of the Statewide Contract, in whatever form it is maintained, promptly at the request of the State.
3. **Subpoena.** In the event that a subpoena or other legal process is served upon the Contractor for records containing confidential information, the Contractor shall promptly notify the State and cooperate with the State in any lawful effort to protect the confidential information.
4. **Reporting of Unauthorized Disclosure.** Each party shall immediately report in writing to the other party any unauthorized disclosure of confidential information. In the event of unauthorized disclosure by Contractor of the State's confidential information, then Contractor, at no additional cost to DOAS or Agencies, shall be responsible for providing any and all notices required by law.
5. **Survives Termination.** Both parties' confidentiality obligation under the Statewide Contract shall survive termination of the Statewide Contract.

G. INDEMNIFICATION

1. **Contractor's Indemnification Obligation.** The Contractor agrees to indemnify and hold harmless the State and State officers, employees, agents, and (collectively, "Indemnified Parties") from any and all third party costs, expenses, losses, claims, damages, liabilities, settlements and judgments, including reasonable value of the time spent by the Attorney General's Office, related to or arising from:

- (i) Any negligent, intentional or wrongful act or omission of the Contractor or any employee, agent or subcontractor utilized or employed by the Contractor resulting in personal injury or death or damage to real property or tangible personal property;
- (ii) The negligence or fault of the Contractor in design, testing, development, manufacture, or otherwise with respect to the Contractor branded products or any parts thereof provided in Contractor branded products under the Statewide Contract;
- (iii) Claims, demands, or lawsuits that, with respect to the Contractor branded products or any parts thereof provided in Contractor branded products, allege product liability, strict product liability, or any variation thereof;
- (iv) Any failure by the Contractor to comply with the "Compliance with the Law" provision of the Statewide Contract;
- (v) Any failure by the Contractor to make all reports, payments and withholdings required by federal and state law with respect to social security, employee income and other taxes, fees or costs required by the Contractor to conduct business in the State of Georgia or the United States;
- (vi) Any infringement of any copyright, trademark, patent, trade dress, or other intellectual property right; or
- (vii) Any failure by the Contractor to adhere to the confidentiality provisions of the Statewide Contract.

This indemnification shall apply notwithstanding the fact that the Indemnified Parties may be partially responsible for the situation giving rise to the claim. However, Contractor shall only be liable to the extent of Contractor's contribution to the situation giving rise to the claim. It will not be deemed Contractor's contribution if Contractor is performing as specifically directed by the Agency, except for criminal or obviously illegal acts or omissions. This indemnification shall not apply if the situation giving rise to the claim results solely from the act or omission of the Indemnified Parties.

Notwithstanding anything to contrary herein, non-Contractor branded software, products and services are provided subject to the third party manufacturer or licensor's applicable software license and warranty. For any non-Contractor branded software, products or services, Contractor agrees to flow down any indemnification protection, including indemnification for infringement of any intellectual property rights, that Contractor currently or subsequently has in place with the manufacturer or publisher.

2. **Duty to Reimburse State Tort Claims Fund.** To the extent such damage or loss as covered by this indemnification is covered by the State of Georgia Tort Claims Fund ("the Fund"), the Contractor (and its insurers) agrees to reimburse the Fund. To the full extent permitted by the Constitution and the laws of the State and the terms of the Fund, the Contractor and its insurers waive any right of subrogation against the State, the Indemnified Parties, and the Fund and insurers participating thereunder, to the full extent of this indemnification.
3. **Litigation and Settlements.** The Contractor shall, at its own expense, be entitled to and shall have the duty to participate in the defense of any suit against the Indemnified Parties. No settlement or compromise of any claim, loss or damage entered into by the Indemnified Parties shall be binding upon Contractor unless approved in writing by Contractor. No settlement or

compromise of any claim, loss or damage entered into by Contractor shall be binding upon the Indemnified Parties unless approved in writing by the Indemnified Parties.

4. Patent/Copyright Infringement Indemnification.

With respect to third party claims, Agency (or its representative) shall notify Contractor of the claim no later than thirty (30) days after the Indemnified Parties receive notice of the claim (or sooner if required by law). Notwithstanding the foregoing, the failure by Agency or its representatives to notify Contractor within thirty (30) days after the Indemnified Parties receive notice of the claim shall not relieve Contractor of its indemnification obligations unless Contractor demonstrates that it has suffered material prejudice to its defense of the claim as a result of the delay in notification.

With respect to third party claims, Contractor shall, at its own expense, be entitled to and shall have the duty to participate in the defense of any suit instituted against the State and indemnify the State against any award of damages and costs made against the State by a final judgment of a court of last resort in such suit insofar as the same is based on any claim that any of the Contractor branded products or software constitutes an infringement of any United States Letters Patent or copyright, provided the State gives the Contractor immediate notice in writing of the institution of such suit, permits Contractor to fully participate in the defense of the same, and gives Contractor all available information, assistance and authority to enable Contractor to do so. - (ii) Replace or modify the same so that it becomes non-infringing; or
- (iii) If neither (i) or (ii) is reasonably achievable, remove the same and cancel any future charges pertaining thereto.

- (ii) Use of the software or hardware in combination with apparatus or devices not supplied by Contractor;
- (iii) Use of an allegedly infringing version of the software, if the alleged infringement could have been avoided by use of a different version made available to the Indemnified Party at no additional cost;
- (iv) Use of the software or hardware in a manner for which the same was neither designed nor contemplated;

- (v) Any modification to hardware or software made by User Agency; or
- (iv) The claimed infringement of any patent or copyright in which the Agency or any affiliate or subsidiary of the Agency has any direct interest by license or otherwise.

For any non-Contractor branded software, products or services, Contractor agrees to flow down any indemnification protection and intellectual property rights that Contractor currently or subsequently has in place with the manufacturer or publisher, to the extent that the manufacturer or publisher has given Contractor warranties or indemnities that may be passed through to Agency or User Agencies.
