**Justification:**

The department of Parks, Recreation, and Cultural Affairs is recommending that ITB 17-100868 Upgrades to Briarlake Forest Park be awarded to Willow Construction, Inc. as solicited through the competitive bidding process.

The department is satisfied with the contractor's level of expertise, the reasonable and responsible bid, and the timeframe in which the contractor can achieve all work.

The department would like to accept three alternates. Alternate A: 3" Slatescape Trail with Filter Fabric in lieu of the base bid's 3" Decomposed Granite w/ Integral Stabilizer, Alternate B: 6"x6" Timber Edging in lieu of the base bid's Metal Trail Edging, and Alternate D: 6"x12" Concrete Curb Edging in lieu of the base bid's 6"x6" Timber Edging. This results in a total contract in the amount of \$132,059.00. All other alternates and the aforementioned replaced base bid items should be removed.
