BKU confirms that the form of the Consents is acceptable to BKU. The foregoing approval applies only to the specific Consents attached hereto and shall not be deemed to apply to any other event or circumstance.

Although the parties are diligently working towards the goal of ultimately consummating the proposed commercial credit facility, nothing in this letter, or in any related course of conduct, is intended to be, nor should it be construed as, a commitment or offer by BKU to lend money, extend, arrange or underwrite credit to Aero Center or any other entity under any terms. The proposed commercial credit facility is subject to completion of diligence as well as negotiation and execution of mutually acceptable definitive transaction documentation.

Please note that, depending upon the outcome of those negotiations, the approval of the Consents set forth in this letter is subject to change.
